

Zikmund Hits 22-2

DU Team Wins One

... Tops Sammies

Hammering over eight runs in a second inning horshide blitz, Delta Upsilon walloped a depleted Sigma Alpha Mu baseball squad, 13 to 4 Monday afternoon in their opening game of the intramural softball season.

Roger Anderson's home run blast instigated the second canto doings that enabled Hurler Bob Saalfeld to coast the victory route. Saalfeld gave up three blows in his five inning chore.

Blast Sammies.

Delta Upsilon rapped eight hits off Samie Flinger, Goldware, scoring in every frame but the fourth, the Samies concentrated three hits for four runs for the finals. Webman, Sig Alpha Mu, homered to pace the attack. Softball matches tonight include:

- 5:00 Phi Pais vs. Sig Eps. Sammies vs. ZBT.
- Sigma Chi vs. Sigma Nu. Sig Alphas vs. AGR.
- 6:00 Alpha Sigs vs. Deltas. ATO's vs. DU's.
- Farm House vs. Phi Gams. Kappa Sigs vs. Theta Xi.

Ames Favors Wet Diamond

AMES, Ia. April 12.—A double-header with Simpson College opens the Cyclone baseball season this afternoon with the first game scheduled for 2 p. m. Friday's game was postponed due to heavy rain which left the diamond softer than it has been all spring.

Starting pitchers, as named by Coach Chick Sutherland, are Al Strohbeh, veteran hurler, and Norm Madson. John Crees and Evo Sjeklocha or Ed Freese will

Broad Jump Enigma May Be Solved

... Bowles Back

Return of Don Bowles to the University of Nebraska track and field camp was the brightest news to Mentor Ed Weir Monday.

A quartermile letterman, Bowles gives the Huskers needed strength in the middle distance races. He returns from a recent marriage and a brief honeymoon.

Maybe I-State.

"Unless we soon hear definitely from Kansas State in regard to our May 1 duel, we are going to accept an invitation to meet Iowa State on the same date," announced Weir.

Weir indicated that the Cyclone cindersmen are anxious to engage the Huskers and May 1 is the only suitable date.

Al Zikmund, top Scarlet sprinter, leaped 22-2 into the indoor broad jump pit to provide the top performance of the day. Lack of broad jump performers has been a headache to Weir.

Eisenhart Out.

Another reportee was Ki Eisenhart, junior weight tosser. Eisenhart worked out with Vic Schleich, Husker shot put star, since Howard Debus, all-round performer, was working.

"As plans stand now, we'll leave for Stillwater Friday morning," said Weir in regard to the approaching triangular with Oklahoma and Oklahoma A. & M.

start for Simpson.

Freshmen make up the majority of both teams, with Ken Luther at first base, Dick Wright, second base, Chuck Gradoville at third base and Jack Runyan at short stop. At the catching post is Gene Phelps. In the field are Vern Luther, right; Dayle Klett, center, and Jim Sears, left.

Frosh Leaper Scares Record

Freshman Jerry Donovan, Drake's high jumping sensation, will be one of the outstanding performers entered in the forth-coming Drake relays. Jerry broke the Texas relay record with a jump of 6-7/4 earlier this spring.

Donovan will furnish plenty of competition for Nebraska's entry in the high jump, Dick Petring.

Aussicker Paces MU

... Defending Champ

University of Missouri, led by Mel Aussicker, 1942 Drake Relays shotput champion, will be on hand for the annual running of the Relays here April 23-24.

Other entries of Coach C. G. Simpson's squad include:

Capt. Joe Shy, Big Six low hurdles champion in 1942 and winner of the Illinois Tech 70-yd. dash championship this year.

Owen Joggerst, Big Six 100 and 220-yd. titlist in 1942, National AAU junior champion in the 200 meters the same year, also holds the Big Six indoor 60-yd. title this year.

Record held by Oklahoma A. & M., 1939.

Horse Sense

By Norris Anderson
Sports Editor

Life is Monotonous . . .

That green-eyed monster, dubbed envy, creeps into our Underwood as we scan the spring sports accounts in Big Ten and Big Six collegiate news organs.

Daily accounts file into this office from Jimmy Overmeyer, sports editor of the Indiana Daily Student, concern the exploits of the Cincinnati Reds. Indiana university is the site chosen this term for the National league team's spring training grounds.

We scan daily reports in the Daily Minnesotan about the Gopher exploits on gridiron, diamond, cinders, tennis courts and golf links. And then we turn to the twofold (track and intramurals) interests we have to cover here. No football, no golf, no tennis, no baseball—life is monotonous.

Any credit directed toward the smooth-functioning University of Nebraska intramural program can be accredited directly to the honorable Thomas Brogan, director, and his subordinates, Pat Boyle and Bob Gritzfeld.

Brogan, brother of trackster Jim, is an amiable law college senior and former Tilden high halfmile pride. Between verbal repartee with Rollie Horney and Boyle, "Brog" keeps busy with the thousand duties detailed to an intramural director. Level-headed Mr. Brogan possesses a sense of fairness which has settled more than one hot inter-fraternity dispute.

Carrot-topped Pat Boyle handles a large chunk of the refereeing bulk beside shooting some of the top yarns aired around the I-M office. Gritzfeld wears a "deep sea helmet" while officiating that does absolutely nothing for his Barrymore profile. "Keeps the hair from my blinkers," he explains.

An old fellow Yellowstone employee, Bill Smith, now sports editor of the University of Washington Daily, writes this department from the coast.

"There are some 40 men turning out for football drill this spring, ostensibly preparing for next fall's conference grid season.

"It seems rather foolish, as far as expecting anything next fall is concerned. Virtually every man turning out can expect to be in the service shortly. Marines and V-1's aren't exempt and the new ruling concerning 4-f's (if there are any on the grid squad) won't help any.

"California coaches have been arguing strenuously for a conference divided into two divisions like the baseball and cage loops. Such proposals have a lot of sense in them if football teams can be formed, but the fundamental point is just what kind of teams can be organized this fall.

"Judging from spring turnouts and service encroachments, next fall's proposed elevens will be composed of six men.

"Of course there's no harm in planning—or dreaming."

Zooming Zikmund

Loop Teams Leave Grid

... For Track

Kansas State and Kansas University are the only Big Six schools, that are not having spring football practice. All the other schools are doing more than going thru the motion in preparing for the 1943 football campaign, such as it will be under war-time conditions.

Coaches and candidates have taken spring practices seriously. The grid mentors realize, however, they may have only a few 4-F's and a flock of 17 year olds when

the season rolls around next September.

The Wildcats and Jayhawks, however, are planning to play the schedule as planned.

It is business as usual on the other four campuses, though. Henry Shenk, former Jayhawk star end who recently assumed the duties of track coach at his alma mater, has been named acting football coach. He replaces Gwinn Henry who resigned April 1.

Oklahoma, Nebraska and Missouri have completed their session and Iowa State's hopefuls are in the midst of drills.

One hundred eight recently petroleum engineering graduates at the University of Texas are now in the armed services.

ASK THE SERGEANT IN INDIA

"ON BOY, AMERICAN CIGARETTES."
"AND COCA-COLA. FIRST COKES IN 3 MONTHS."

"THINK OF IT. FINDING A CANTEEN HERE."

"LOOK FELLOWS, SAME KIND OF BOTTLE WE USED TO GET BACK HOME."

"That's what a soldier wrote home about. Ask the man in the ranks how Coca-Cola rates with him. Ask the man behind the PX counter. They'll both tell you,—when it comes to refreshment, nothing takes the place of ice-cold Coca-Cola. Energy-giving refreshment . . . quality you can count on . . . distinctive, delicious taste,—all combine to prove a point that needs no proving: The only thing like Coca-Cola is Coca-Cola, itself."
