

Party Line

BY JUDGE MASON.

A few of the Alpha Xis were slightly perturbed the other night when some little creatures came scurrying into their rooms about 2 a. m. They discovered the next morning that the creatures were but two little bunnies that had been presented to Jean Bowers by a male admirer for Easter.

Janet Krause, Kay Detweiler and Pat Shaw, DGs, went home soaking wet after a rendezvous with the Fijis concerning a missing convertible. The Fijis have a technique for discouraging mischievous girls.

Please, DUs:

We have a request to make that the DUs would keep their brothers' affairs straight before giving us the news. They have informed us that Mary Tussey is pinned to Kurt Kimball, "Casanova" from far back, instead of to Kent Kratz. This will probably get us into further trouble, but nevertheless, another DU, Al Lawson, has had several "quickie" dates with the same lassie.

Jerry Buller, Alpha Chi, and Nina Scott, DG, will be dating two smooth (we hope) Fijis from Missouri, Saturday night. A romance brewing between Don Cooper, Phi Delt, and Joan Bohrer, Theta, is at the Friday night standing date stage. I wonder why the standing date wasn't for Saturday.

Stop—and Look.

If you keep your eyes open at the Innocent's party, you will see Virginia Trowbridge, DG, with Innocent Dick Harnsberger, Phi Psi. At the same party will be Demmie Cole, Phi Delt, and June Griffen, Tri Delt, Bill Orr, Kappa Sig, and Lauralee Mundil (this is a new combination!) and John Kuhlman, Delta Sig, with Barbara Stahl, Bob Buxton and Bill Munson, ATOs, will be escorting their nurses, as perusal.

Wilbur Craig, ATO, sent Judy Garland a telegram upon hearing of her pending divorce, to come to the party, Friday, but was politely turned down due to previous engagements.

YW Gets Candy.

The YWCA cabinet had a candy passing by Mary Lockett who has received a diamond from Larry Bush, from Oklahoma. Maxine Lynn received a navy sweetheart pin from Chuck Boyle of Mt. Vernon, Ia. And on the subject of pins, Betty Simodynes, DG, was mysteriously wearing a Sig Alpha pin which disappeared in the same way a few days later.

Jean Wochner, Alpha Xi, is no longer wearing the pin or the diamond of Dale Brockmeier, Farmhouse. Don James, ATO, from Falls City, is going steady with Connie Cathcart of Lincoln high school, which leaves a home town flame in the house.

Lutheran Chapel Service Observes Mother's Day

Mother's day will be observed in the Lutheran chapel service Sunday morning at 10:45 in parlors X and Y of the Student Union.

Rev. Mr. Erck, university Lutheran pastor, will speak on the topic: "Jochabed, the mother of Moses." The offering of the day will be devoted to synod's army and navy commission, for use in supplying religious material and spiritual assistance to our young men in the armed forces.

Hold Picnic.

A picnic for students of all Lutheran synods will be held Friday, May 7. Students of the city campus are requested to meet at Temple building at 6 p. m. and proceed to Peter Pan park in a group. Students from ag college may go directly to the park at 6 p. m.

News Editors Take Desk Job

As is customary during the last weeks of Daily publication, news editors have been "on the desk" this week assuming managing editors' duties. They will continue to hold these positions until May 14, the last issue of the Nebraskan.

STAMP SALES SURPASS \$89

UN stamp sales totaled \$89.70 in this week's drive by members of Tassels. War stamps were not sold on ag campus.

The stamp booth in Social Sciences placed first in sales with \$53.90, more than the other three booths combined. The Union was second with a total of \$22.70.

Tassels at the Uni Drug booth sold \$12.20 in war stamps, and 90 cents worth of stamps was sold in Mechanical Arts.
