## Tau Men Win From Phi Gams

By Henry Fishback.

Alpha Tau Omega athletes, winners of the historic Jack Best trophy last week, set up the second highest total of points—858—ever compiled by a victorious aggregation in intramural play.

Dick Petrings and his boys lacked but a few digits of tying the top mark of 875 points setup by Beta Theta Pi in 1942. One year before Delta Upsilon compiled 750 points to win the trophy.

The ATOs copped the football, track, and tennis crowns during the 1943 season to best Phi Gamma Delta in a tight head to head finish decided on the last day of play when ATO won by forfeit as the AGRs clipped the Fijies.

The Texas Christian university campus is without a single varsity sports squad this spring, probably for the first time in 50 years.

Enrollment of students for correspondence work through the University of Texas extension teaching bureau this year totals 1,555, as compared with 1,398 last year.

Starting at 10 a. m. the meet will be run off in the morning to clear the stadium for the weekly football scrimmage which will be held in the afternoon.

Last year Minnesota was beaten by Wisconsin in a triangular meet, while Northwestern placed third.

The Gophers have veterans in several events, while freshmen are counted on heavily to take over the burden of places left vacant by graduations and losses to the armed forces.

His addition to the squad further bolsters Minnesota's track team which has already beaten the Badgers once this year in a six-
