

Sooner Cian Sock Scarlet Oklahomans Score Initial Game To Tune of 26-7, As Huskers Try

After getting off to a slow start, the Sooners of Oklahoma finally got rolling, and won out over a game Nebraska Cornhusker outfit, 26 to 7. This is the first time in the long dating rivalry of these two schools that the Oklahomans have managed to beat the Scarlet on the Lincoln turf.

Bob Brumley set the pace for the Sooner victory with his fine passing and hard running, while Buzz Hollins took top honors for the Huskers. Brumley almost turned out to be the goat of the afternoon when, shortly after the game was underway, he fumbled while trying the Nebraska center, and Salisbury recovered for the Scarlet on their own 45.

EARLY THREAT HALTED

The Huskers drove down to the Sooner 38, where three incomplete passes and a five yard penalty

forced them to punt out on the Sooner 28. Brumley tried to flank the end this time, but was hit hard and dropped the ball again. This time lanky Bert Gissler pounced on the ball, and the Scarlet took over on the Oklahoma 28-yard line. Hollins smashed over the right guard to the Sooner 23. Eager then hit the same hole for four more. Hollins drove into the center for five, to make it a first and ten on the Sooner 15-yard line, and it looked as if the Huskers were on their way to a score. However, Kenfield, trying an end run, was hit back on the 25, where he fumbled, and Mayfield recovered for the Oklahomans, to end the threat.

Brumley and the Sooners deemed themselves a short time later, and capitalized on a Husker fumble, where the Scarlet had missed their opportunity. Clark

Beaver fumbled on his own 29, and the Sooners recovered. Heard dropped a pass from Lebow on the Husker 15. Brumley then gathered in a short pass in the flat and drove to the 12 before being run out of bounds. On the next play, Brumley took a quick pass from center, and fired one down the middle to Wooten, who grabbed the ball on the 3 and drove over to score. The Sooners went out in front with 12 minutes gone, 6 to 0, as Brumley missed the conversion.

Brumley, Heard and Lebow then started alternating on carrying the mail, with Brumley sparking a 65 yard touchdown march. Lebow hit center for one, Heard drove over right tackle for eight yards. Brumley raced around right end to the Husker 47 before Kopps could make the tackle. Lebow made it s even more over left tackle. Lebow then fired a short pass to Dinkins, who lateraled to Brumley, and he sprinted to the 16-yard marker before being stopped. Heard tried to flank the end, but Schnieder stopped him for no gain. Lebow then shot an-

other pass, this time to Brumley, who went to the 7 before being pulled down. Brumley smashed over the weak side left tackle to score, and also accounted for the conversion. Oklahoma took the lead, 13 to 0.

SECOND HALF.

Brumley personally took charge at the beginning of the second half, and sparked the Sooners to a third touchdown march, going over right guard to score from the one foot marker, where Salisbury had stopped him short of a touchdown on the play before. Brumley missed the conversion, and the score stood Sooners 19, Nebraska 0.

The Sooners took to the air for their next score, and a series of aerial barrages placed the ball on the Husker 9 yard line as the third quarter ended. On the first play of the fourth quarter, Bob Brumley shot a bullet pass over the center to Dinkins, who was knocked down on the 2 yard line, just short of a first down, with

fourth coming. Meinert drove over center on a straight back to score the fourth and final touchdown for the Sooners. Brumley converted, and the Sooners took a 26 to 0 lead.

HOLLINS LEADS TALLY.

The Huskers took to the air themselves, and led by big Buzz Hollins went on a 64-yard scoring drive. Hollins opened the drive with a long pass off of the defenders' finger tips down to the Oklahoma 36 yard line. Hollins then picked up a yard, after he had been trapped way behind the line trying to pass. Beaver missed connecting on the screen pass, and then Kenfield missed a pass to McDermott, who just couldn't get his fingers on the ball. Kenfield found Hollins on the next attempt, and he was downed almost as soon as he caught the ball on the 28. Another attempted forward, and on the next play, Kenfield again shot one to Hollins, who raced to the two yard marker before being stopped. Hollins smashed his way over his own left tackle to score on the next play, Hill converted for the Huskers and the score stood at 26 to 7.

Neither team could manage to make a sustained drive for a score for the rest of the game, and the final tally read, Oklahoma 26, Nebraska 7.

Muddling Through With John C. Bentley

Well, I received a little more mail on this intramural program, which I think that you might be interested in, so I guess that I will pass it along to you, it is as follows:

Dear John:

We noticed in last Wednesday's column of yours a letter from the Barb Intramural Committee. In regard to their difficulty, may I say the following.

At the beginning of the intramural football season, there was only one Barb team interested in an organized league (or so we had been informed). This team was known as the Brown Palace. Had the other Barb Teams contacted us at that time, and stated their intentions, we would have been only too glad to organize a Barb football league. Personally, the intramural department is happy to see the Barbs taking such an interest, and we intend to include them in our program if they will just come to us and let us know their desires.

We understand that the A.T.O.'s will be only too happy to play the Cornhusker Co-op team for the University Championship. Undoubtedly this game will be arranged within a day or two. The intramural department will recognize the winner as the intramural football champion of the University.

That's the way things stand Barbs, therefore, we would appreciate a personal chat with you so that we may straighten out your difficulties as soon as possible. We want you in this thing men, so kindly cooperate

with us and we will be only too happy to oblige.

Respectfully,
Gordon Ehlers,
Intramural Department.

Well, as I see it, it is in your hands Barbs to make a go of this thing. If you want into the meets, why you certainly are invited right here and now to join up. Let's see you in there making intramural competition keener and more interesting. Okay?

I was going to write something about Notre Dame, but I think that I had better check up a little more closely on facts, I still can hardly believe it.
