

WAVES in Action * Aerographer's Mate**

These girls are training to be aerographer's mates — the "weather girls" of the WAVES. After a 12 weeks' course, during which they receive instruction in the operations of weather observation, such as the use of meteorological instruments, charts, weather codes, etc., they'll wear the rating badge shown in the inset. The girl at the right is adjusting a theodolite to check rate of ascension and drift of the balloon which the other WAVE is about to release. These are among the many interesting win-the-war jobs open to American girls from 20 to 36, who have had two years' high or business school education, are in good health and who can furnish good character references.

ATO's Lead In Jack Best Trophy Race

With the intramural football season out of the way, the intramural department has totaled up the point standing for the Jack Best trophy, which is awarded the outstanding fraternity in intramurals every year.

So far, the ATOs lead the point race with a total of 150, but close behind are the Sig Chis and the Beta Sigs, and with several more events to be run off, it looks like a hot race looming in the future. Point standings for Jack Best Trophy:

TEAMS	Points
A.T.O.	150
Sig Chi	130
Beta Sig	115
Theta Xi	100
Phi Gam	50
Sigma-Z.B.T.	50
Beta	50
Sig Ep	50

All of the points were divided according to the rules formulated by the intramural rules committee.

Volleyball will continue this week and up until Christmas. Games will be played each Tuesday and Thursday nights. Teams will be notified in advance as to when they will play.

UN Riding Club Going Full Tilt

Every Saturday morning 20 girls, who are members of the WAA riding club, ride at Shreve's riding academy just outside Pioneer park. Starting at 9 o'clock there is an instruction period for those who wish to learn to ride or who wish to improve their skill. Miss Marjorie Kuplic, the sponsor of the club, gives instruction in the enclosed ring. The girls also ride in the park, where special bride parties are available.

In addition to their Saturday morning rides, the members meet every other Monday at five in Grant Memorial for talks on technique and styles of riding.

Bud Shreve, prominent in Lincoln riding circles, will talk to the club at a special meeting to be held some time this week. Watch the Daily for further announcements as to time and place of this meeting.

Janet Gibson, president of the club, also plans to include a riding film in one of the future meetings.

Schooner article and other articles from the magazine have been published in such well known periodicals as Atlantic Monthly.

Details concerning the contest sponsored by the English department for short stories and poems will be announced later. The best short story writer will receive \$10 and \$5 will go to the author of the winning poem. Runners-up will receive yearly subscriptions to the Schooner.

Blanche Reid has been placed in charge of the drive on ag while Tassels and members of Theta Sigma Phi will handle the city campus drive.

don, Gordon Ehlers, Bob Ferguson, Pvt. Colin E. Lewis and Pfc. Patsy Noto. Samples of what their prize letters contained include some of the following phrases:

No Paper Dolls.

Pvt. Wegner of the library ASTP group wrote that "I am tired of paper dolls and want a real-life dolly all my own" for his present from Santa this year. Loudon wants his ideal Christmas gift to have a "few freckles for seasoning."

Ehlers thinks his coed should have "eyes of blue, but I haven't been close enough to find out for sure." Bob Ferguson described his "Christmas Stocking Girl" in a poem of rhyme and rhythm. Two lines from his epic ran as follows: "She's got 'em, she's got 'em, And I don't mean B.V.D.'s!"

Wants Grable's Figure.

Pvt. Lewis barracked in the field house says "I'm not particular about the figure, just so it's like Grable's." Pfc. Noto from the ag STAR unit expressed his qualifications for his Christmas coed in a poem that begins "I want a li' fat momma 'bout five foot three" and then continues with a more complete description.

These are the students who won the chance to meet the coed whom they think would best fill their Christmas stockings, but the coeds, who were selected by the Mortar Boards, will not be revealed until presentation time at the ball. The six winners are asked to meet in the coliseum tonight at 9 p. m. to practice for the

ceremony.

The "Christmas Stocking Girls" will be revealed at 10:15 p. m., and immediately following the presentation, they will lead the first dance with their respective winners. Music played by Basie Given's orchestra for this first particular dance will be "White Christmas."

Decorations for the ball include a shipment of mistletoe received from California. Sprigs of the mistletoe will be hung around the coliseum from silver ribbon. A 20 foot Christmas tree glittered in silver and hung with silver bows from each of its branches will be placed at the south end of the dance floor. All of the walls will be decorated with greens.

Santa Presides.

Santa Claus, Sgt. Aaron A. Long, from the STAR unit, will act as master of ceremonies for the entire ball. He will present the "Christmas gifts" to the winners, read the prize letters, and will pass out presents to the students attending the dance.

Tickets at a \$1.10 per couple may be purchased from any Tassel or Mortar Board or at the door. Spectator tickets will be sold at 50 cents per person the night of the ball.
