'C' Tops 'B,' 35-31 For Army Crown

Playing off for the army intramural basketball championship Company C's powerful quintet topped a scrappy B Company team Monday night, 35 to 31, in the Coliseum. Both teams had 9 and 2 records in round robin competition—the Hustlers having two decisions over the Blue Wave in tournament play prior to Monday's meeting.

Company C hopped off to an 18 to 17 halftime advantage, went on to increase their margin in the second stanza and rack up a well-earned four point victory to win the intramural crown. Pacemaker for the winners was "deadeye" Milt Dobrer, flashy Blue forward, who scored 15 points. Bunny Fuller led the Green's offense with 12 markers, mostly on pretty pivot shots. Play was close and hard-fought thruout, with "C" finally gaining permanent possession of the lead after eight minutes of the second half, and staving off the losers' scoring threats.

Jessen Opens Scoring.

Jessen opened the scoring, registering a foul toss for "B." Milt Dobrer swished a set shot; Bob Scheer evened the score with a free throw. "Dob" dropped another set shot, which Staples nullified with a field goal from the floor. Lind made good on a free throw, then scored from the floor to make it 7 to 4. Dobrer sneaked thru for a lay-up to give the C men a 9 to 4 lead.

Nip and Tuck at Half.

Bunny Fuller took personal charge of evening things up again, tossing two pivot shots. With less than two minutes left, Burdette dropped a long set shot for the Blue, which Jessen promptly countered, tapping in a rebound to tie it up again. Dobrer gave Company C it's 18 to 17 halftime advantage via the free throw route.

Big Ellis Jessen got off a pivot shot to bring the score to 27 to 29, but Lind brought the margin back to four points with a one hand set shot from the foul circle. Jessen tapped another in, and it looked

like a "B" rally, but Dobrer then quenched it with another set shot. Bunny Fuller kept the Green in the game with a minute and a half to go with another pivot shot. However, Parminter put the game on ice for Company C with a tap-in, to make the score 35 to 31 when the whistle blew.

AST Laments In Own Lyrics

We found a couple of song gems in an old paper the other day and we print them herewith. We like to admire the profound philosophy of all those brave souls who concoct such and adapt them to popular tunes. For the ASTP these songs prove that soldiers can still gripe—even humorously and in a song.

Tune: Air Corps song.

Tune: I Left My Heart at the Stage Door Canteen. I left my hopes with the ASTP. I thought that they would commission me.

I worked, I slaved, I studied, My work was never done. And it was all for nothing, not even for fun.

My hopes are still with the ASTP. But hopes are all that they'll ever be; Those golden bars are not for me.

My hopes died with the ASTP.
