

# Laundry Invades Campus Surpasses AUF Red Cross Goal

## Will 99 Owner Please Remove Socks from Office 'Clothesline'

BY GHITA HILL.

Women (with the exception of Harold W. Andersen) may compose the Nebraskan staff, but they have no intention or desire as yet (their time is coming, they keep telling themselves) of becoming home bodies.

Recently, however, some of the responsibilities and grievances of domestic life have been conspicuously evident in the Nebraskan office, thanks to the army.

Staff members have to plow their way through bundles of dirty laundry lining the doorway and GI shoes waiting to be shined, in order to get to a typewriter. Staff members freeze in the basement of the Union since the heat from the radiators is held in check

by the rows of freshly laundered army socks drying on this makeshift clothesline.

### Box Full of Surprises.

Staff members reach for a sweet in the boxes marked "Hershey chocolates" found in their personal drawers and come out with shaving cream and electric razors along with tooth paste, tooth brush and scented soap. Lacking is after-shaving cologne, probably because the owner feared Nebraskan editors would use it and thus detract from his own particular smell.

But all this extra paraphernalia which now loads the once neat (See LAUNDRY, Page 2.)

## Mortar Board Tea March 19 Honors Coeds

Annual tea given by Mortar Board honoring scholastic achievement will be held Sunday, March 19, from 3:30 to 5:30 in Ellen Smith hall. Invitations have been sent to all women with weighted 80 averages.

Scholarships of \$75 each will be awarded to coeds by Mortar Board. This year marks the first time that five such scholarships have been given.

As a second group of awards, (See MORTAR BOARD, Page 2.)

AUF Red Cross war fund surpassed the \$2,300 goal to total \$2,531.87 upon completion of the drive yesterday. One thousand, one hundred and seven individuals gave an average of \$1.68 per person and 15 organizations added \$578 to put the campus campaign \$231 over the goal.

"The officials are well satisfied with the co-operation of the solicitors and the students in general," reported Jim Howe, AUF director of the drive. He added that the total amount received is still subject to revision as some sororities have not completed their reports and the fraternity returns are not in as yet.

### \$1.13 Per Student.

The per capita average of \$1.13 for the entire student body compares more than favorably with

the 78c per person contributed last year. The sororities, solicited by Jan Engle, were the highest contributing group on the campus with a total of \$878. The organizations, solicited by Alice Able, gave 500 percent over last year's contributions.

Unaffiliated Lincoln students, contacted by Pat Garton and her committee, gave \$286 and the fraternities contributed \$225. Blanche Reid, head of the ag campus group, reported a total of \$220.

### Chi Omega Leads.

Chi Omega made the largest contribution of any one organized house with an average of \$2.70 per person. This included a \$25 house donation.

The \$225 reported for fraternities is incomplete as four houses, Delta Upsilon, Sigma Alpha Mu, Phi Kappa Psi, and Phi Delta Theta, have not turned in their donations.

Contributing organizations are:  
Tassels ..... \$300  
A.A.S. .... 190  
Mortar Board ..... 50  
W.A.A. .... 35  
War Council ..... 35

## Foundation Gives Party For Schools

Student Foundation sponsored a program and dance yesterday afternoon in the Union ballroom in honor of all high school students, pep organizations, parents and friends attending the state basketball tournaments.

Master of ceremonies for the program was Bill Miller. Bob Wolfe and Day Slout gave out with a Sig Ep jam session, and a skit was presented by the Kappa Kappa Gammas. Peggy Shelley, who has played for several university functions, entertained with several numbers, and Helen Greusel added some Hawaiian atmosphere with a hula number.

The purpose of these affairs is to acquaint high school students with the social life of the university and with the campus itself. Last year's party proved a success, with a large attendance, and popular demand was a factor in giving another party this year.

After the program, a juke box dance was held in the ballroom.

## Campus Keys Admit UN Men In Service Free

Given impetus by a Nebraskan letterip written by a returning Nebraskan in service, Keys to the Campus is now a reality and returning servicemen may obtain passes in the Union office which permit them to attend free of charge any university function.

Sponsored and financed by the war council, these cards, inscribed with the functions which are being offered at any given time, admit university graduates and former students now in service to sporting events, University Theater performances, dances and all other campus entertainments.

Special arrangements have been made between the theater, the athletic department and Union and the war council for financing the Keys. Jean Whedon is in charge of this project.

## Postpone Spring Women's Elections Until March 22

Spring all women's elections have been postponed until March 22 to allow organizations time to revise their election slates and to provide potential candidates with time in which to remove incompletes.

Rachael Ann Lock, Mortar Board president, announced yesterday that the postponement was necessary due to the number of coeds whose names were submitted on election slates who have incompletes and downs and lack a weighted 80 average. Elections were previously scheduled to be run off March 15.

### Must Have 80 Average.

No girl who has a down or lacks a weighted 80 average will be allowed to run for a position on any board or for any office. Those who now have incompletes but can meet the other requirements, will be eligible, provided the incom-

pletes are removed before the election date. Anyone with an average of 79.9 will not be considered eligible.

At the coming election, AWS, WAA, Coed Counselor, BABW boards and the May Queen will be elected and a poll will be taken to obtain a consensus of opinion of next year's Mortar Board members. To date, WAA is the only organization which has announced a slate.

The elections will be held March 22 in Ellen Smith hall and the home ec building on ag campus. Polls will be open from 9 a. m. to 5 p. m.

Trials and tribulations of any theater production are an old story, but the Coed Follies, marriages, and the draft, cast and crews of "Pursuit or Happiness," the next Uni. theater production, are having one big headache.

Despite all odds, rehearsals are going off on schedule, and opening night, March 22, will find Little Eva, Dorothy James, playing the role of Prudence Kirkland, skating on thin ice as Rev. Lyman Banks, Bill Major, tries to curb the amorous ideas of the young Hessian officer, Jim Sandall.

A few changes in casting have been made, with Don Keough being replaced in the male lead of Max Christmann by Jim Sandall, junior. Bob Hastert, also a junior, has been cast as Mose, taking Don Kline's place.

Crews have been posted, with Jeanne Racine as state manager. Lights will be handled by Virginia Seacrest, chairman, and Beth Allwine. The properties crew includes Betty Rhodes, chairman, and Barbara Berggren, Jerry McKensie, Jean Kinnie, Phyllis Overman, and Ghita Hill. ## Harold G. Holck Receives \$200 Research Grant

Dr. Harold Holck, associate professor of pharmacology at the college of pharmacy, has received a \$200 grant from the American Medical association for the purpose of continuing research on the relation of sex to drug action.

"In carrying on this research, the albino rat has proved to be most suited to experimentation because it exhibits marked sex variation in response to such major drugs and poisons as strychnine, morphine, pentobarbital, and red squill," said Dr. Holck.

### Three Students Complete Work.

This is the fourth grant from the American Medical association given for such studies. Three graduate students in the college of pharmacy have completed their work for the master of science degree with the support of these funds.

Lewis D. Fink of Wymore got his degree in 1939 and is now teaching in the medical school of the University of Minnesota. Donald R. Mathieson of Hebron became a master in 1941 and is now engaged in essential war work for the Ciba Pharmaceutical Products in Summit, N. J. Kazuo Kimura of Lincoln completed his work at the end of the first semester of this school year and is a graduate assistant in the department of physiology and pharmacology.

## Music Sororities Sponsor 'Carmen' for War Benefit

In accordance with a new national policy of all musical sororities to raise war funds, the three music sororities on the campus will combine to sponsor a performance of the opera "Carmen" by Bizet. The concert will be presented Saturday night, April 22 at the coliseum under the sponsorship of Mu Phi Epsilon, Delta Omicron, and Sigma Alpha Iota.

In previous years the operas have been staged, but due to war time conditions it is impossible this year. "Carmen" was sung in concert form as the spring concert for the choral group four years ago. The University Choral Union composed of the agricultural college campus chorus under the directions of Mrs. Altina Tullis, and the university chorus and university singers directed by Dr.

A. E. Westbrook will combine to present the opera.

Accompaniments will be played by the university orchestra under the direction of Miles Dresskell. Rehearsals of the well-known "Toreador Song," "Habanera" and "Seguidilla" are now in progress.

Within the next few days, the soloists for the opera will be announced. Lincoln residents or singing groups interested in helping with the concert should get in touch with the University School of Music.
