

Husker Spring Football Practice Scheduled For April 5 Opening

Lewandowski Plans Summer Grid Sessions

Spring football practice will start April 5 and continue through the rest of the month, head UN grid coach A. J. Lewandowski announced yesterday. Lew also disclosed that practice sessions are scheduled for this summer, from July 15 to Aug. 15.

Declaring that he hopes for a turnout of 25 to 30 men, Lew listed the names of ten candidates who loom large in his plans for spring drills. Of these ten, five were squad members last year: Bert Gissler, 6 ft. 7 in. end; Frank Hazard, guard last year but slated for a tackle spot this year; Lyle Kops, tackle; Buzz Hollins, bruising fullback, and Jim Abdner, guard.

Nucleus of Veterans.

In Gissler, Hazard, Kops and Hollins, Lew has a nucleus of rugged veterans for spring drills. Gissler and Hazard, two of the three veterans with which the Huskers started their '43 season, aided by Kops, will anchor the line. Hollins, who showed real offensive power last fall, should be the backfield spark.

Newcomers upon whom Lewandowski is counting are Joe Kessler, quarterback who was ineligible for play last fall; Al Kirlin, all-state high school end at Northeast of Lincoln last year; Doug Nelson, halfback prospect who handled a guard spot on last season's Husker cage squad; Gordie Ehlers, guard; and Dick Koch, halfback candidate.

Kessler in particular should boost Scarlet stock. Joe was scheduled for heavy quarterback duties last fall until he was declared ineligible.

Summer Drills.

In holding summer drills, Nebraska will be following the lead of the many colleges which had summer workouts last year. Lewandowski has little idea what kind of a turnout to expect, but he hopes that all high school athletes planning to enroll at UN next fall

Minnesota Track Squad Breaks Even With Army

Jim Kelly, Minnesota track coach, broke even with Uncle Sam's military services this week in way of track personnel. The armed forces claimed one man and released another for medical reasons to balance the scales for the thin clads.

Gordon Lindeman, Kelly's only half miler, was ordered to take his induction exam Saturday after being reclassified. He passed the test and immediately left the campus. Lindeman's loss was balanced by the welcome return of Marsh Potter, a Milwaukee boy just recently released from the army on a medical discharge. Potter is a sprinter and was a member of the Gopher track squad two years ago. He will make a very good running mate for Mark Brownstien, a recent Wisconsin transfer in the short distances.

I-M Handball

1. Theta Xi vs. Brown Palace.
2. A.T.O. vs. Beta Sigs.
3. Sig Chi vs. Sig Nu—Z.B.T.
4. Betas vs. Sig Eps.
5. Phi Gams vs. Pioneer Co-op.
6. Cornhusker Co-op vs. YWCA.

will report for summer drills. Any entering freshman, Lew emphasized, is eligible for varsity competition in the fall, under wartime eligibility rules.

Ed Weir, line coach and head track mentor, will be too busy with his track squad workouts to assist with spring grid drills, Lew

pointed out. He did not state whether Weir would be on hand for summer workouts.

Nebraska will open its 1944 season against Minnesota at Minneapolis on Sept. 30. The game was originally scheduled for Lincoln, but officials of both schools agreed to shift the tilt to Minneapolis.
