

# UN Gridmen Concentrate On Air Drills

... This Afternoon

Restricted to a short workout yesterday by the chilly weather and the fact that a high school track meet was being held under the east stadium in their usual indoor practice site, Husker footballers will move outside tonight, weather permitting, for extensive passing drills.

With the squad strength upped to 25 men, the Huskers have advanced from general conditioning and limbering up exercises to offensive and defensive formations and drills. Monday afternoon's session was devoted largely to passing drills, and today's practice will again emphasize passing and pass defense.

### Five New Candidates.

Not set on any definite lineups yet, Grid Coach A. J. Lewandowski continues to experiment in an attempt to find the 11 men best suited to work together on a first string lineup. Apparently set for first string berths are Joe Kessler at quarter, Buzz Hollins at full, Bert Gissler at an end post, Lyle Kops and Frank Hazard at the tackles, and Gordie Ehlers in a guard position.

Five candidates have checked out equipment since last Wednesday's opening practice, and Lewandowski has hopes that the squad roster will swell to 30 men before the end of this week. The five men who have reported since the opening practice are Curtis Snowden, Niobrara; Frank Dancer, Tyrone; Al Osborne, Omaha; Merle Ebers, Seward, and La Verne Curry, David City.

## Gopher Diamond Club Takes Shape in Drills

Things are progressing quite favorably for Dave MacMillan, Gopher baseball coach, in preparation for the coming campaign on the diamond.

After three weeks of indoor workouts his infield is shaping up very satisfactorily with two men for each position still fighting it out for the starting assignment. According to MacMillan, this year's infield combination will have more all around ability than that of a year ago and shows signs already in batting cage drills of possessing more power at the plate.

### Naval Trainees Play.

Leading the race for first string berths are Bob Carley and Ralph Holmberg at first base, Red Williams and Al Oiaz at second. Arnold (Butz) Lehrman, regular shortstop last year also is getting competition from Diaz, a Mason City youngster. Brad Thompson of Detroit and Howie Peterson have been sharing third base duties so far in practice with any edge being given to Thompson. Holmberg, Thompson and Peterson are navy trainees.

In the outfield Allan Rusterholz, a reputed hitter, Jim Diemos

places for one sophomore, one junior, and one senior.

### Ag Chooses Board.

Ag executive board members will be elected also next Wednesday. Positions open on this board are as follows: One senior man and one senior woman, one junior man and one junior woman, and one sophomore man and one sophomore woman. If enough men do not file for the positions, each class may have two women members on the board. The Ag college member of Student Council automatically becomes a member of Ag executive board. Filings for the board close Friday at 5 in the dean's office at Ag hall.

## Thursday' I-M Softball Contests Are in Doubt

... Because of Wet Grounds

Forced to postpone yesterday's games because of wet grounds, intramural director Gordie Ehlers announced today that the playing of I-M softball games scheduled for Thursday afternoon is highly questionable.

If the grounds have dried sufficiently by Thursday afternoon, the games will be played as scheduled, but Ehlers expressed doubt that the diamonds would be sufficiently dry.

3. Players furnish own equipment, except balls, bats and mask.
4. Any team failing to appear by 5:10 p. m. will automatically forfeit the game.
