Make Changes For Intramural Softball Dates

Previously scheduled softball games that were to be played on Wednesday night have been moved ahead to Friday. As the games have been conflicting with spring football practice, the new schedule will allow the men to participate in both sports. The new schedule is as follows:

April 17	Cornhusker Co-Op. Vs. Beta Sig. YMCA Vs. Sig Nu-ZBT.
April 21	Sig Chi Vs. Pioneer Co-op. Sig Ep Vs. Brown Palace.
April 24	ATOs Vs. Theta Xi. Beta Vs. Phi Gam.
April 28	YMCA Vs. Beta Sig. Cornhusker Co-op Vs. Sig Nu-ZBT.
May 1	Sig Ep Vs. Phi Gam. Brown Palace Vs. ATO.
May 5	Beta Vs. Cornhusker Co-op Sig Chi Vs. Sig Nu-ZBT.
May 8	Beta Sig Vs. Pioneer Co-op. YMCA Vs. Theta Xi.

Theta Xis Nip Betas In Last Inning; 13-12

Intramural softball season got off to a successful start early last week. The game between the Theta Xi and Betas, played Wednesday evening, was filled with errors by both teams, this being the first game of the season. The final inning put the Theta Xi team ahead by one run. Final score stood: Theta Xi, 13; Betas, 12.

The games played Thursday night found little improvement over the number of errors in the previous game. The Sig Chis defeated the Sig Eps in a close game, 12-11. Tidd and Bell of the Sig Chis were the outstanding players for their team, while Chuck Gleason and Harry Magee were the backbone of the Sig Ep team.

Co-Ops Play Top Game. Brown Palace-Pioneer Co-Op game turned out to be the best game of those played. Errors made by both teams were few and will probably be less in later games. The Brown Palace drove home a run that won the game for them, 6 to 5.

The game that was to be played Friday evening between the Phi Gams and the A.T.O.s was called

off because of rain. Intramurals director, Gordon Ehlers, will announce the date of the game, which will be played this week.

FEM

FUN

BY ELEANOR KNOLL.

Softball tournament has finally begun with victories scored by the Pi Phi, Chi O (1), Alpha Chi (1), and the Delta Gamma (1). From all reports the Pi Phi-Alpha Phi game was worth the money; and the Pi Phi's victory came through some hard playing, led by none other than Les Glotfelty herself.

The schedule of games for the coming week is as follows:

Monday, April 17:
Alpha Xi (2) vs. Gamma Phi (1).
Alpha Chi (1) vs. Alpha Xi (1).

Tuesday, April 18:
Kappa vs. Theta.
Tri Delt vs. Towne Club.
DG (2) vs. Gamma Phi (2).

Wednesday, April 19:
Raymond Hall vs. Alpha Chi (2).
Chi O (1) vs. Northeast Hall.

All games will be played on the diamond behind the coliseum promptly at 5 p. m. on the scheduled date. In case of rain, and this is more than just probable, the WAA representative will notify her house if it is not to play.

"Badminton dates and schedules for the next week have been posted on the bulletin board in Grant Memorial. Matches should be played off as soon as possible," said WAA President Mickey McPherson.

Riding club will meet for election of officers for next year at Grant Memorial on Monday at 5 p. m. Everyone is invited to come.

Consolation basketball tournament was won by the Gamma Phi (1) and they beat the Gamma Phi (2), with a score of 15 to 0. Those Gamma Phi's must know how to hit the basket.

The consolation tournament was an extra tournament held after the regular elimination tournament for those teams who wished to play again. The basketball season is over for the semester now unless there are some challenges in a basketball ladder tournament. Notify the WAA office if your house wishes to play.

Table tennis doubles have begun. The schedule has been posted in Grant Memorial but in case of doubt about the date call Betty Rhodes (2-7545).

All tournaments should be finished by the first part of May.

Due to the absence of Harold "Andy" Andersen, sport editor, who is visiting his pinmate in Ames, Ia., Rex Stotts and J. P. Miller have edited the sports page for today.

Gophers Sponsor New Meet May 6 At Home Stadium

Jim Kelly, Minnesota track coach, has announced that the university will sponsor a new track meet May 6. The meet, known as the Gopher open, will be open for all state colleges, athletic clubs and any out of state schools or organizations that wish to enter.

Minnesota athletic officials feel that this type of event will give all colleges an opportunity to take part in a sponsored event in which they would otherwise be unable to enter a full team due to decreased enrollment.

Surrounding army camps and schools with military programs are being urged to enter service stars who may compete unattached.

Sig Chis Crowd ATOs for Lead In Intramurals

Intramurals Director Gordon Ehlers, has released the following event champions and the point standing up to the softball season. The ATOs were the football champions, by having won the most points during the season. The Sig Nu-ZBT combination won the volleyball championship, while the Sig Chis won the basketball tournament in an elimination contest.

The point standing has changed much in standings as many teams have moved up toward first place. The ATOs still hold first place with 385 points, while the Sig Chis are pushing them with 370 points. The Phi Gams are in third place standing with 305. Others are as follows:

1. ATO	385
2. Sig Chi	370
3. Phi Gam	305
4. Sig Ep	300
5. Sig Nu-ZBT	255
6. Beta Sig	235
7. Theta Xi	210
8. Beta	210

dent Roosevelt, he became director of the war relocation authority and organized and directed the relocation of Japanese-Americans evacuated from the Pacific coast.

Following the completion of the evacuation, Eisenhower became associate director of the office of war information, a position he resigned to become president of Kansas State.

in a different scale than the conventional do-re-me that begins and ends with C. In this, the whole tones and half tones fall at different intervals from the conventional melodic scale.

Entertained in New York. After his return to the United States in 1919, he studied for two years at the Cincinnati Conservatory and then went to New York City where he held various jobs in night clubs and on the stage. Niles' Boot Hill farm is near Lexington, Ky. He spends much of his time making dulcimers and curing hams, both of which have brought him fame.

OU Includes Texas A&M, T.C.U. in Fall Schedule

University of Oklahoma's new football schedule includes contests with Texas A&M and Texas Christian university. Both schools are former rivals of Oklahoma. Oklahoma first played T. C. U. in 1898, and four years later, in 1903, the Sooners began playing Texas A. & M.

For Sale, One Tombstone

Auction-goers at Bucknell university, Lewisburg, Pa., were puzzled when the Sigma Phi Epsilon chapter, forced to close because of more than two-thirds of its members to the services, put up for sale one unused tombstone, along with kitchenware, furniture and athletic equipment.

Members of the fraternity explained that when the chapter's pet dog was killed recently a sympathetic alumnus donated a handsome memorial. But the sale came along before the memorial could be erected and Fido's tombstone went for \$1.25. (ACP).

Botany Professor Gets Recognition for Work

Dr. Albert C. Dimond, assistant professor of botany at the university, was cited in the April edition of the "Air News" for his work on a new protective fungicide for plants.

The fungicide, water soluble in the spray tank yet insoluble on the tree, is reported especially useful to cherry and peach growers for application to near-ripe fruit where residues are objectionable.

Have a Coca-Cola = Kia Ora (GOOD LUCK)

... or sealing friendships in New Zealand

Kia ora, says the New Zealander to wish you well. Have a "Coke" is the way the Yank says it and he's made a friend. It says Welcome neighbor from Auckland to Albuquerque. Round the globe, Coca-Cola stands for the pause that refreshes,—has become the high-sign between friendly-minded people. So, of course, Coca-Cola belongs in your icebox at home.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY LINCOLN COCA COLA BOTTLING CO. 2126 G ST.

It's natural for popular names to acquire friendly abbreviations. That's why you have Coca-Cola called "Coke".
