

# I-M Tourney To Be Played This Week

## Softball Play Starts Again

Intramural softball will be continued this week, as the weather has cleared. The games will be played in an elimination tournament during this week. Several teams have been eliminated earlier in the season. Eight teams re-

## Sooners Reverse Stand, Send Team To Big Six Meet

The University of Oklahoma, reversing its decision of last week, will send a team to the annual Big Six track and field championships in Lincoln May 19-20, according to UN track coach Ed Weir, who yesterday revealed that the Oklahomans have written him requesting room reservations for the meet.

The Sooners thus are apparently ready to perform a complete aboutface from their position of last week, when school officials notified the conference that the

On the other hand, he said, the man who merely "hears pupils recite lessons" might be more useful in a naval, military, or industrial job.

## Boucher Attends Education Convo

Chancellor C. S. Boucher was in Montgomery, Ala., Monday and Tuesday of this week meeting with members of the Alabama Educational Survey commission.

The commission recently notified Chancellor Boucher of his appointment as a consultant specialist in higher education, after being nominated by the American Council on Education.

The navy's 48 hour leave limit would make it impossible for the naval trainee-loaded Oklahoma squad to journey to Lincoln for the confer-

ence meet. Concensus of opinion among observers seems to be that the Sooners' reversal of their last week's decision was prompted by the extreme adverse criticism which greeted the announcement that Oklahoma would not send a team to the conference's annual meet.

## UN Host to State Prep Track Meet

The annual state high school track and field championships will be held in the University of Nebraska stadium next Friday and Saturday, May 12-13.
