Capt. A. Davis Cited by Army

Capt. Alfonza Davis, ex-41, of Omaha, deputy group commander, Negro Mustang squadron in the 15th AAF and former Nebraska student, received citations in Associated Press dispatches of Aug. 31. Captain Davis was in command of assaults on the Groszwardein, Romania, airdrome.

Statements from one dispatch quoted as follows: "On Aug. 31, a Mustang group commanded by Alfonza W. Davis, Omaha, Neb., destroyed 83 aircraft on the Groszwardein, Romania, airdrome in what the MAAF command described 'as the most effective machine gunning of German aircraft on the ground in a single airfield, ever carried out on the Mediterranean theater.'"

Captain Davis won the first university scholarship awarded by Alpha Eta chapter of Kappa Alpha Psi, national Negro college fraternity. After attending Nebraska he entered Creighton University in Omaha.

Sig Chis Surrender House To Rush Season's Orphans

Panhellenic house is truly "Panhellenic" this year, from beds loaned by Kappa Sigs to dishes borrowed from Betas. Upperclassman rushees are living sardine-like in the Sigma Chi house, which is also borrowed.

Mrs. B. G. Bivins, who was formerly at the Alpha Chi house and recently retired, came back to mother more than 80 befuddled and excited girls who are facing the annual Nebraska rushing season.

Rushees State Preferences.

With release of sorority bids at 12:30 p. m. today, rushees are being converted into pledges by attending preference luncheons at 1 p. m.

Statements of preferences made last night at Ellen Smith hall climaxed four days of parties, teas and open houses which combine to form a rushing season

Campus YW Secretary Is Miss Taylor

Miss Mildred Taylor of Lincoln has taken over the position of university YWCA secretary.

Receiving her master's degree in sociology from the university in 1936, Miss Taylor has been a member of the USO staff under the YWCA for the past two years. She has directed USO activities at San Luis Obispo, Calif., Bremerton, Wash., and Burlington, Ia.

Native of Nebraska.

Miss Taylor, who is a native of Nebraska, supervised clubs for business and industrial girls clubs in Pittsburgh, Pa., and Los Angeles before entering USO work.

Although she has made several plans concerning the future activities of the university YW, Miss

Members of Y.W.C.A. cabinet will meet tonight at 7:15 p. m. at Ellen Smith hall to make plans for the year's activities.

Taylor said that she would not disclose any details until after the meeting of the cabinet being held this evening in Ellen Smith hall.

Miss Taylor succeeds Miss Barbara Arnold who was secretary from Sept., 1943 to May, 1944.

UN Council Plans Battle On Politics

To attack again the problem of campus politics, Student Council members will meet Sept. 27, in their first business session of the year, according to Harold W. Anderson, Council president.

When the Council last met in May, members voted to abolish recognition of barb, Union and independent parties but many members of the Council expressed dissatisfaction with the results of the vote.

Announce Aims of Year.

Anderson announced yesterday that the aim of the 1944-45 Council would be to clarify the university woman's place in politics and to work out some plan for primary voting through which all parties would be treated fairly.

The Council in May rejected the plan proposed by the Panhellenic council of presidents through Dorothy Carnahan, AWS president. The plan included an open primary to precede each campus election and elimination of party designation after candidates' names on ballots. Miss Carnahan at that time expressed dissatisfaction with the way in which the 1944 spring election was conducted and stated that it was not "Up to par."

Elect New Secretary.

Officers of the Council this year are Andersen, president; Jo Martz, vice president; Hazel Abel, secretary and Blanche Reid, treasurer. As Hazel Abel is not attending the university now, there will be an election for the office of secretary.

The meeting will be held in the Union at 5 p. m., Sept. 27.

UN Discontinues Flying Courses For Civilians

To clear up the confusion of many students concerning the courses in Civilian Pilot Training which are listed in the Arts and Science catalogue, Dean O. J. Ferguson, of the engineering college, has stated that the courses are no longer being offered.

Two courses in ground school aeronautics were offered in the college of engineering to civilian students in 1942. When the air corps students came to the university the courses were turned over to the army and closed to all civilian students. Because the air corps has left and the courses are still listed in the catalogue, students were led to believe that flying would be opened to civilians.

Credits for Air Corps Men.

Dean Ferguson stated that the courses remained listed in the catalogue in order that the former air corps students could know that they might still receive university credit for them if desired. Dean Ferguson was unable to predict whether these courses would be incorporated into the university program after the war. It was his opinion, however, that there would be no demand for civilian flying immediately after the war because many of the men coming back to school would already know how to fly.

Counselors Will Entertain Frosh Women

Co-ed Counselors, "big sisters" of the freshmen women, are sponsoring a get-together for freshmen women at 7 o'clock Thursday night in Ellen Smith hall. Purpose of the party is to bring together entering students. All freshmen women are invited to attend.

Suzanne Pope and Barbara Griswold, board members, are in charge of the informal entertainment and refreshments.

Because of lack of co-ordination, the counselors took over the job of orienting freshmen women three years ago. The group is composed of approximately 100 women who have expressed their desire to help the freshmen.

Serve as Guides.

During registration the counselors act as guides by locating advisors of freshmen at the coliseum and aiding in giving information on registration problems. Counselors are identified by a white ribbon with the "coed-counselor" printed in red.

The Thursday night party is the first big event of the 1944-1945 counselor's program. A mother-daughter banquet is held in the spring of the year, at which the counselors are hostesses to their little sisters.

President Calls First War Council Meeting of Year

War Council will open its year's schedule of activities at a meeting Tuesday at 5 p. m. in room 315 of the Union.

Ghita Hill, former vice president became president of the organization after the 1944-45 president, Roberta Burgess, left Nebraska to attend law school at the University of Michigan. Miss Hill requests that all campus organizations, fraternities, sororities and organized houses choose representatives from their respective groups to attend the first meeting, and thereby become council members.

Business to be taken up includes planning a program for the year's work and electing chairmen of standing committees.

Any student interested in the council may become a member by attending meetings, Miss Hill announced yesterday.

Nebraskan Needs Reporters

Once again the Nebraskan is begging for help from any and all upper classmen with journalistic leanings. Reporters are badly needed to help the staff in a comprehensive coverage of the campus. Interested students should report to the Nebraskan office Wednesday, Thursday or Saturday of this week.

UN Student Registration Ends Today

Today is the last day of registration, all upperclassmen who have not registered yet should do so at the coliseum from 8 to 11 a. m. and 1 to 4 p. m. It is not necessary to obtain appointments with advisors in advance.

Freshmen who have been registering Monday and Tuesday will complete their registration today. Students will have the opportunity to re-register Friday and Monday in the west end of Grant Memorial from 8 to 11 a. m. and 1 to 4 p. m.

Closed Sections taken Tuesday noon, are as follows: Bus. Org. 3, Section 1 and 2 and Lab. B; Ed. 36, Section 2 and 3, Lab. A, C and F; Eng. Colbert of the engineering department there are many returning veterans enrolling in engineering college. He also stated that there were many more freshmen entering that college than were expected.

Last Alumnus Reviews New Service Lists

September issue of The Nebraska Alumnus, official publication of university alumni, features a forecast of the 1944 football prospects and a plea for contributions and assistance in the compiling of the university service directory.

The Alumnus is published eighteen times each year and sent to members of the Alumni Association located in all parts of the world. Ellsworth DuTeau is secretary of the association and Jo Kinsey is student editor of the magazine.

In his discussion of the servicemen's directory, Mr. DuTeau, revealed that the records of 60,000 alumni were checked in the process of compilation by the office staff and members of the student war council, to obtain the service records of 5,000 alumni.

The directory first appeared in the Alumnus in June and new names and changes in rank and address will appear in each succeeding issue of the magazine. The latest issue also contains a gold star list of over one hundred names.

A portion of the September Alumnus is devoted to an explanation of the G. I. Bill of Rights for returning veterans of World War II. The article explains the special consultation board which has been set upon the campus to deal with the provisions for government financed education of servicemen.
