

Men's Intramurals Begin Next Week With Football

Uncertainty shrouding intramural activities of the year were cleared Tuesday when Coach A. J. Lewandowski announced plans for the season. Lew said touch football would be the curtain-raiser in this year's program with plans being made for games to start next week.

Fraternalities and other groups will be going out tooth and nail for the all-event and event championship trophies.

Those wanting to enter the contests should notify Gordon Ehlers at the ATO house by Sunday, Oct. 1.

Along with the touch football starter, volleyball, basketball, track, and softball will fill out the remainder of the season. If enough interest is attracted other minor sports will be put on the program.

Draw Up Schedule.

After all contestants have notified Ehlers, a complete schedule will be drawn up and printed in the Nebraskan giving all teams

sufficient time to make adequate preparation for their contests.

Rules regarding individuals and organizations:

1. Any man who is not an official member of a varsity squad may participate.

2. A minimum of nine scholastic hours must be carried by every participating individual.

3. Due to the fact that several fraternities are sharing houses together, members of only those fraternities having residence or house privileges in that house may play on the same team.

4. No man may play for more than one team thruout the year.

5. Members of co-op houses will be included in all contests along with fraternity teams.

6. Starting time of all events will be published in accordance with the schedules. Any team or organization failing to report at the scene of the contest later than ten minutes after the scheduled time will automatically forfeit the game.

Dean J. D. Clark Addresses Phi Chi Theta Meeting

Acute need for the student placement bureau initiated by Phi Chi Theta last spring was emphasized by John D. Clark, dean of the college of business administration, when he addressed Phi Chi Theta, national business administration honorary sorority, at their first meeting of the year Wednesday evening in the Union.

Dean Clark stressed the value of the work that can be done by such a bureau and expressed a desire for action to be taken on the plan submitted to him before the end of the school year in May, 1944. Mary Helen Thomas, chairman of the committee selected at that time, is again

School of Music Needs Musicians

The School of Music announced today that it needs MEN for ensemble groups, university band, and especially for university singers. Students interested in such music work should contact the school of music as soon as possible.

in charge of organizing the placement bureau.

The annual bizad banquet will again be planned by Phi Chi Theta, Dean Clark stated. He emphasized originality in decoration and skits given at the banquet.

The 20 members present at the meeting were given a chance to choose a committee on which they wished to serve, and plans for fall rushing parties were discussed.

Strong Superbomber Squad Meets Buffaloes at Boulder

COLORADO SPRINGS, Colo., Sept. 24.—With four victories and 185 points registered so far this season, the Second Army Air Force Superbombers go after their fifth straight against the navy, marine and R.O.T.C. eleven of the University of Colorado at Boulder, Saturday, Sept. 30.

Coach Frank Potts' Buffaloes, who were edged by Fort Warren's Broncos last Saturday, 7-6, should give the Superbombers the sternest test of their early season games. A week later, the Supers oppose Iowa's Seahawks at Lincoln, Neb.

Colorado has a line that averages 190 pounds and a backfield that hits the 180 pound mark. In the backfield, Jim Price of Bowie, Tex., can run, pass and kick, while Stewart Worden, 195 pound fullback who played with Southern California last year, does the line plunging.

The Superbombers rolled to an easy victory over Whitman College, 78-0, before an overflow crowd of 7,000 at Boise, Ida., last Saturday. Blazing runs by Pfc. Bill Prentice, ex-Santa Clara sophomore fullback, and Pvt. Steve Susic, Illinois sophomore halfback, and the passes of Lts. Glenn Dobbs and Billy Sewell enabled the Superbombers to amass 420 yards to their opponents' 163. All but five of Whitman's total was made in the air.

Dobbs returned to action after a week's layoff due to injury, threw a 43-yard touchdown pass to Pvt. Johnny Strzykalski, ex-Marquette, and pitched another one for 1 yards to the same receiver to set up a touchdown.

Prentice streaked to three touchdowns on runs of 43, 38 and 18 yards becoming the Superbombers' leading ground gainer of the season with a total of 225 yards. Susic whirled to a pair of touchdowns on 15 and 13 yard runs.

Here are the Superbomber figures, based on their first four games:

LEADING PASSER—Dobbs, 12 completions in 21 attempts for 232 yards net gain.

LEADING GROUND GAINER—Prentice, 225 yards in 22 tries.

LEADING PUNT AND KICK-

OFF RETURNS—Strzykalski, 74 yards in 4 returns.

LEADING KICKER—Dobbs, 54.1 yards average on 6 punts.

LEADING PASS RECEIVER—Strzykalski, 5 touchdowns and one extra point for 31 points.

TEAM FORWARD PASSING—24 completions in 48 attempts for 411 yards.

TOTAL NET YARDAGE—1,492 yards in four games.

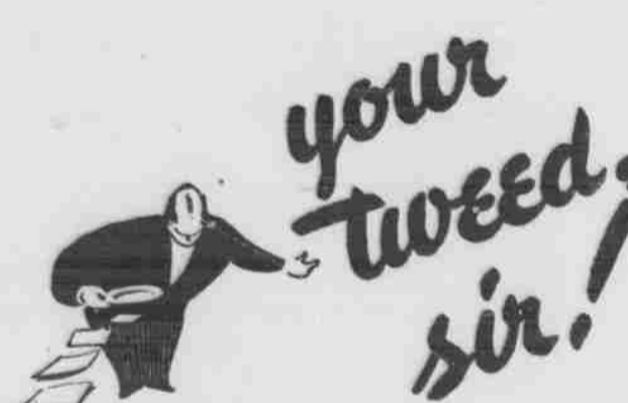

The United States produces 85 percent of the world's total aviation gasoline.

The avocado or alligator pear was introduced in the United States in 1933.

UN Coeds Mail Overseas Gifts By October 15

University coeds mailing Christmas packages to their men overseas are reminded that they must be in the mail by October 15. The Christmas mailing period is the same this year as it was last, September 15 to October 15. No parcels may be sent to a member of the armed forces after this date, except upon his written request.

Important rules governing mailing of gifts to army and navy personnel overseas follows: the parcel must not exceed 5 pounds and must not be more than 15 inches in length or 36 inches in length and width combined. So that it may be given special attention to assure its arrival before Dec. 25, it should be clearly marked "Christmas Parcel." One parcel is the limit that may be sent to the same member of the armed forces in any one week, by or on the behalf of the same mailer.
