

# Gophers Defeat Nebraska 39-0

## Gophers Win On First-Half Ground Blitz Huskers Hold In Last Half

Mighty Minnesota steamrolled over the University of Nebraska Saturday with traditional Gopher might to score an outstanding 39-0 victory. Red Williams swivel-hipped in and out among the Huskers to star, while Matt Williams pounded the Husker line to head the Minnesota drive. Jack Selzer, left half substitute, was outstanding in the weak Husker show.

Minnesota's first scoring drive came after eight minutes of play when an intercepted Husker pass on the 48-yard line set up the Gophers for a rolling drive thru to the goal. Williams flashed around the left end to make the tally. Sutton held the ball as Williams made the attempted conversion which was unsuccessful.

Betz took the kickoff on the goal line and made a fine run up to the 28-yard line, only to fumble where Wainright, Gopher end, recovered the ball. Only 2 1/2 minutes after making the first score, the mighty Minnesotans scored again as Sutton drove across to tally standing up. Williams converted to bring the score to 13-0.

Chick Knight grabbed the next kick and brought it back to the 20-yard stripe.

At this point, injured Ken Hollins entered the lineup to take over Collopy's fullback post.

With five minutes of the second quarter away, Minnesota again rolled on and over. Nolan lugged the leather on a spectacular run from the 45-yard line. The kick for point was no good.

Again the Huskers could not make sufficient yardage to keep control of the ball and the Gophers took over to bring the pigskin over the line once more to score their fourth touchdown of the day, along with the second conversion of the afternoon.

Van Deusen intercepted one of the Husker passes on the 24-yard line and started another goal scoring drive for the mighty Gophers when Neeley carried the ball over with four minutes remaining in the half. Kispert, one of the V-12 players for the Golden clad, made good his kick for point.

A stiffening resistance was brought on by the Huskers in the third quarter as well as an enthusiastic scoring drive, but the goose egg still stood on the scoreboard. Only once did Minnesota tally in the remaining half of the game. Sutton plunged across the line to score once, but the play was nullified by an offside penalty. A replica of the near-scoring play was brought about two plays later when once more Sutton plunged across this time to chalk up six more points.

The Husker defense held on thru the remainder of the game, leaving the final score to read 39 to 0.

Dick Dilsaver

When the Lincoln Air Base Wings and Fort Warren Bronchos take the field for their game at Memorial stadium this afternoon, the clash will bring together two teams well-stocked with experienced grid veterans. Almost all the men on both teams have had from one to four years of college football experience. Fans who turn out for the clash between the two service teams will no doubt be reminded of the pre-war days. Even though the young kids didn't turn out to be the dumb-Johns many skeptic fans had them slated to be when the war broke out, the older experienced men still have the edge, as today's game should prove.

Capt. Willis M. Smith, head coach of the Bronchos and Bob Ingalls, guiding coach of the Wings, aren't new to the game either. Smith was once quarterback for the New York Giants professional team and Ingalls is a former All-American, center at Michigan and Green Bay Packers.

Tho it is still early in the season, neither team has been defeated. If either team is to lay claim to sectional honors among service teams later in the season today's game will no doubt be an outstanding factor in their bid for recognition.

With definite plans being made for the 1944-45 intramural season all fraternity and co-op houses are going into practice sessions for the touch-football phase of the year's activities. Though varsity players are ineligible there are still many competent and able athletes distributed among the different houses, which fact should make the games interesting.

## Picture Schedule For Cornhusker Begins Monday

At the request of students who failed to see the Cornhusker schedule when it was first printed, The Nebraskan reprints the designated times for having pictures taken.

The Cornhusker Studio will be open from 9:30 a. m. to 5:00 p. m. Monday thru Saturday. The schedule is as follows:

- Oct. 2-7. Alpha Chi Omega, Alpha Omicron Pi, Alpha Tau Omega, Beta Theta Pi.
- Oct. 9-14. Alpha Phi, Alpha Xi Delta, Delta Upsilon, Phi Delta Theta, Phi Gamma Delta.
- Oct. 16-21. Chi Omega, Delta Delta Delta, Phi Kappa Psi, Sigma Chi.
- Oct. 23-28. Delta Gamma, Gamma Phi Beta, Sigma Nu, Sigma Phi Epsilon.
- Oct. 30-Nov. 4. Kappa Alpha Theta, Kappa Kappa Gamma.

## Men's I-M Program Rolls Into Action With Grid Play

The UN men's intramural program swings into high gear this week with touch football first on the schedule of I-M sports announced late last week by intramural director Gordon Ehlers.

Following football on the I-M schedule will be volleyball, basketball, track and softball, plus competition in various other minor sports if enough student interest is shown.

Organized houses, both fraternities and co-ops, should contact Ehlers at the ATO house today at the latest if they hope to be included in the intramural football schedule, which will be announced early this week. The Nebraskan will carry the complete schedule as soon as it is released by Ehlers.

Rules regarding individuals and organizations:

1. Any man who is not an official member of a varsity squad may participate.

2. A minimum of nine scholastic hours must be carried by every participating individual.

3. Due to the fact that several fraternities are sharing houses together, members of only those fraternities having residence or house privileges in that house may play on the same team.

4. No man may play for more than one team thruout the year.

5. Members of co-op houses will be included in all contests along with fraternity teams.

6. Starting time of all events will be published in accordance with the schedules. Any team or organization failing to report at the scene of the contest later than ten minutes after the scheduled time will automatically forfeit the game.
