### Music Sororities Open Rush Week For New Students

Rush week for the three music sororities opened with a Mu Phi Epsilon picnic at Antelope park last Saturday.

Invitations to the six rushing parties, two given by each sorority, are sent to all new girls in the music school and to others who appear interested. The rushers, who must attend at least one party of each sorority to be eligible to pledge, declare their preferences the afternoon of October 18 and will receive their sorority ribbons on the following day.

Delta Omicron will have its first party, a formal one, from 7:30 p. m. to 9:30 p. m. today. The second party is an afternoon, sweater and skirt affair.

A lawn party is planned by Sigma Alpha Iota for next Saturday. Pam-Pipes is the name of the second party, to be held on October 15 from 4 to 7 p. m.

### OWI Sends UN News Overseas

The Office of War Information is receiving two copies of each issue of The Nebraskan, including the special bi-monthly servicemen's issue, so that coverage of the University of Nebraska's activities may be included in news dispatches to OWI overseas outposts.

In an effort to satisfy an ever-increasing demand from overseas for news about youth activities in the United States, the overseas branch of the OWI is planning to make available this news in radio and cable transmissions.

### Hold Cheerleader Tryouts Tuesday

Boosting football morale as a colorful addition to the pep squad, women as well as men will be chosen this year to lead the yells on Nebraska's gridiron. Tryouts are to be held in the Nebraskan office Tuesday evening at 7:30.

Because of an AWS ruling which bars freshmen women from activities for the first six weeks, only second semester freshmen women and upperclass women will be eligible to try out. This ruling does not apply to men, however, and all men interested

in cheerleading are urged to try out Tuesday.

Competitors for the positions should know at least one yell and be prepared to demonstrate it at tryouts. To be eligible students must be carrying at least twelve hours this semester and must have completed twelve hours for every semester they have spent in the university. Further university eligibility rulings require that all credit hours must be in good standing.
