Cornhuskers Strengthen Weak Spots

Home from a 39-0 shellacking at the hands of the Minnesota Gophers, Coach A. J. Lewendowski's Cornhuskers are going through a great amount of reconstruction. Rain has kept the team from working outdoors during the early part of the week but there is much that can be done indoors so practices are not slowing up a bit. Movies of the game Saturday are giving light to many of the numerous weak spots and errors.

Offense work is also under the guiding eye of the Husker coaches who are trying to put the young athletes on the right road to ground-gaining. Only one first down was gained against the Gophers by rushing and this came late in the game when Jack Selzer, slated to take over left-half honors, slipped through an eye-wink opening in the line to make the gain.

Bill Betz was the only serious casualty to come out of the fracas when he was disabled for the next two or three weeks with a dislocated shoulder. Jack Selzer showed the right kind of play Saturday to make him the definite man for the left-half spot. Showing good tackling and blocking were Guard Frank Hazard, Center Keith Doyle, and Tackle Frank Lorenz. Bob Koenig, end, and Junior Collopy at fullback also showed favorably but all of the men on the team still need experience.

Ed Weir Tells Plans for UN Track Squads

Plans for fall, winter, and spring track teams were made public today by UN track coach, Ed Weir, when he announced that effort will be made to start track practices in the very near future.

Weir is stressing the point that men going into military service will certainly receive a great deal of physical service from the sport and that all men who are in any way inclined to believe they have track ability should report. It is these men who will make up the team here this year and they should not be at all shy in reporting to Weir to begin activity.

Capt. F. V. Cahill Receives Combat Intelligence Post

Capt. Fred V. Cahill, jr., '37, has been appointed head of the Combat Intelligence Section of the South Pacific Base Command, commanded by Major General Frederick Gilbreath.

Capt. Cahill has B. A. and M. A. degrees from the university, and was a member of Phi Beta Kappa, national honorary fraternity. He received a Ph. D. degree from Yale university, and instructed political science for one year at the University of Oregon before going into the army.

Since going to New Caledonia 15 months ago, Capt. Cahill has been active in intelligence work at army headquarters. He has been in the army since June, 1942, was commissioned a second lieutenant in April, 1943, after attending the Adjutant General's school at Fort Washington, Md., and received his two promotions while serving overseas.

Rain Postpones Games Planned For Tuesday

Rain knocked intramural activity scheduled for Tuesday afternoon into the rain barrel with it when the showers put the scheduled Sigma Nu vs. ATO and Phi Gamma Delta vs. Sigma Chi games off the list until Thursday. The games slated for Wednesday afternoon will go as planned unless the weather again interferes.

Considerable controversy concerning the awarding of trophies was also made clear when Gordon Ehlers, intramural activity director, announced Tuesday that individual events would have their own awards for their winners and that the Jack Best trophy will again be given to the team having the greatest number of points at the end of the year 1944-45.

Trophies Add Interest.

These trophies will add surplus interest to the year's schedule for the competing teams. Though some of the houses are hard hit for men and others are poorly organized an outstanding year of sport is anticipated. The schedule will be as follows: Wednesday, Oct. 4—Zeta Beta Tau vs. Beta Theta Pi and Sigma Phi Epsilon vs. Sigma Alpha Epsilon. Thursday, Oct. 5, Sigma Nu vs. Alpha Tau Omega and Phi Gamma Delta vs. Sigma Chi.
