

Society . . .

BY HELEN GOODWIN.

Like Morton's salt it always pours on ye old Nebr. campus, so goes the news along with the rain. Pike, AST dance, Union cokes, football games, and unmentionables provided fun galore.

Saturday, Mortar Board Mickey McPherson and DU Dick Miller took in the AST dance as did Kathy Legge, Pi Phi and Beta Bob Haur.

Seen at the Pike were Phi Gam Harold Anersen and DG "Shirts" Hinds; Betas John Edwards and Lt. John Safford with Theta president, Dorothy Theisen and Lt. Mike Seizer, who is home on leave and Kappa president, Sally Busch. Ann Phillips, Theta, was escorted by Merchant Marine Arden Means, former Sig Chi home on leave. Joan Guenzel, Kappa pledge and Gordon Ehlers, Delt and dent student not only were seen at the Pike, but took in the game Sunday. Ware Christiansen, DU pledge and Theta pledge, Sally O'Shea enjoyed the Pike music no end.

Pi Phi Busy.

Evelyn Osborne, Pi Phi pledge is a mighty busy and popular 'fem.' It seems UN fellows are calling her constantly; also to keep her occupied was the breaking and re-engagement as of the same day, or so the rumor goes among dormites.

Alpha Phi, Margy Munson stepped out with an old highschool flame, Lt. John Shaffer. Another Phi, Joan Bauer was seen with a West Pointer. Rumor is he will be here two weeks and incidentally he has friends and guarantees to fix the Phi's up. Good deal!

Alpha Xi's Travel.

Three Alpha Xi Delta pledges

took off this weekend to be with their one and only. Cleone Reetz left for Michigan and her fiance, Bill Amiss; Shirley Ewing is home for a week to see S 2/c Larry Hogue; and Doris Easterbrook will be doing the hometown with Sgt. Don Haygood.

Flash! Beta Bob Hicks has a flaming crush on Alpha Phi pledge Betty June Baldwin.

Another romance that one party desires, namely ATO Dale McCrackin, is just to have a date with DG pledge Pat Cokum. (Perhaps he's been successful for they were seen in Union coking, very informally tho).

Chi O, Jan Kryger, decided that Omaha is a most interesting place. Could be that her fiance is the reason thus the homeward trip.

From Omaha to Lincoln.

Virginia Furdum, Alpha Phi pledge, had her time occupied Fri. and Sat. by Omaha Med student who came to Lincoln just to see her. She was seen Sunday with Jim McEachen, Phi Delt. Along with them were Sally Stebbins KKG and Phi Delt Dave McShane. It seems they followed cokes at the Union with dancing at the Uni. Club.

Lt. "Dee" Bourne found Uncle Sam most congenial for he gave him another 7 day leave.

Seen coking Sunday afternoon was Sig Chi, Bob Van Sant and Alpha Chi O, Betty Mahan.

Latest addition to the steady list is DG president, Bonnie Hinrichs and Phi Delt, John Wells. In fact the last report is that he has hung his pin. Might mention the fact that John is be-

been awarded the American baritone. Four consecutive years he was elected America's favorite classical singer, through radio editors' polls. He was the first American singer to open a Metropolitan season, an honor formerly accorded only to foreign artists. In 1939 he became the first singer to receive a stage award by the American Academy of Arts and Letters. King Gustav of Sweden decorated him in 1937 by presenting him the Litteris et Artibus medal, never before given an American man.

Tibbett founded the American Guild of Musical Artists in 1936, and served as president until 1942.

Program Is Varied.

The program, to be presented

ing called again by Uncle Sam and I think the Navy gets him.

Chapter two, or one step more, was the candy passing at the Alpha Phi house Monday night following the summer pinning of Ginny Demel to Phi Gam, Tip Tyler.
