## Death of 'Pa' Schulte Loss To UN Sports

With the coming of the death to UN's Grand Old Man, Henry F. Schulte, the university has lost one of its finest men though "Pa" was inactive for the last six years in university instruction.

Hundreds of boys who have come to UN were recipients of the valuable individual pointers and understanding the grand old man gave to his pupils. He'd never get impatient but always work until he had gotten his point over to one of the young athletes if he'd happen to notice a slight defect in his style. Once he was not satisfied with the way his famed pupil, Roland "The Gripper" Locke, broke out of his starting holes and spent over two years in getting the Gripper straight on the breaks. But the time was not spent in vain for the Gripper really broke records after that.

Though track was his real love he spent much time with football proteges. Greater of his developed men were Scherer, Schoepel, and Swanson, ends; Roy Lyman and Ed Weir, All-American tackles; Bassett and Berquist at guards and Peterson at center. All were among his famed linemen.

But still the one really great thing about the grand old man was that he was all for the boys and would never do anything that would in any means hurt them for he was a builder of men.

## Basketball Gets Underway with First Practice

Beginning practice for the 1944-45 basketball season will begin Tuesday night, according to announcements made by A. J. Lewandowski just before departure to Lawrence. Lew's call should not go unheeded among UN cagers as the outlook for the season is bright with many freshmen capable to turn out for the team.

The first practice will be held in the coliseum basement and all equipment will be issued at that time.

## Huskers . . .

(Continued from Page One.)

kicking Chesnut put the pigskin through the goal posts to add the extra point.

Keeping control of the ball the larger share of the time the Jayhawks kept the Huskers always on guard during the second half and once almost gained another touchdown as Reigle took a pass from Moffett and darted through the Nebraska secondary to cross the goal line but a penalty called the play back and nullified the score.

Reigle accounted for the third Kansas tally that put the Crimson and Blue clear out in front by a 20-0 count in the fourth quarter. Chesnut couldn't convert as he had done so successfully with his skillful toe following the former touchdowns.

### Selzer, Doyle Outstanding.

Accounting for Husker skill on offense were Selzer, Knight, and Hollins with Selzer showing very bright. Keith Doyle was exceptionally alert on the defense as he backed up the line and was usually in on every tackle.

Starting lineups were:

NEBRASKA	KANSAS
LE Koeng	Reigle
LT Kops	Long
LG Kandan	Keller
C Doyle	Hird
RG Hazard	Dreher
RT Lorenz	Rouse
RE Culerick	Dunneault
QB Grandville	Robson
LB Hollins	Moffett
RB Knight	Paulson
FB Kessler	Barrington

## Weir Crys For More Runners; Debus Returns

With some of the members of last year's team already working out, Ed Weir, UN track mentor, announced intentions for a meeting Tuesday for all men interested in track and field sports during the fall and winter seasons. Weir said the meeting would start at 5 o'clock and is to be held in the Field House.

Bright spot in Weir's hopes for a fine track showing is the return of veteran Howie Debus, weight man, in the second semester. Debus has received considerable mention on UN football and track teams in the past. Formerly in the Navy, he received a medical discharge due to a hurt knee.
