New Progressive Party Presents Plan To Students

Summarized organizational plans and the platform of the Progressive Party, which the Student Council recognized Wednesday, are as follows:

The Progressive Party is a campus political organization consisting of unaffiliated and affiliated student whose purpose is to set forth worthy principles which will unite UN students, regardless of social affiliations, into a forward movement for the betterment of the University of Nebraska; to nominate a slate of well-qualified candidates for all partisan elections on the basis of the candidates' individual merit and to encourage individual and thoughtful voting in all general campus elections.

ORGANIZATIONAL PLANS

The Progressive Party is patterned after the organizational plans of the national political parties and provides for a party convention and proportional representation of all voting groups in each party caucus.

G. W. Rosenlof Announces One Day Vacation

Despite various rumors circulating about campus, Thanksgiving vacation will be held on Nov. 30 only, as reported by Dr. G. W. Rosenlof, registrar.

Only one day will be allowed for vacation, and no action has been taken by the faculty to excuse student absences on Friday, Dec. 1, or Saturday, Dec. 2.

The holiday is officially scheduled for the 30th because, stated Dr. Rosenlof, "Viewing the question of a week end vacation from the angle of everyone concerned, it seems best not to change the calendar-scheduled vacation. Changing it would not only upset calendar dates for commencement activities, but would not be in harmony with the government-requested acceleration program, nor the congested traveling conditions."

UN Band Joins Nebraska AST Units in Parade

The university R.O.T.C. band, under the direction of Donald Lentz, will join with units of the AST stationed at the university to present a regular retreat parade at the half-time of the Iowa State game at memorial stadium, Armistice Day, November 11.

Chancellor Boucher will receive the review. Col Jas. P. Murphy, commandant, will also preside. Capt. Leigh Hopp and Lt. Cooke are making arrangements for the AST units.

The retreat ceremony is one of the oldest special functions of the army and marks the close of the day.

In a special observance of Armistice Day, the audience is requested to stand for a minute of silence after the retreat ceremony.

Lewis Browne Tells Audience To Grow Up

Lewis Browne, author and lecturer, told a large audience of students and townspeople at the university convocation in the Union Thursday morning that a world of plenty, generosity, and kindness can be a reality if people will stop thinking in the past and grow up mentally and psychologically in order to keep pace with the achievements of modern machinery.

Speaking on "What Went Wrong with Civilization?", Browne said that modern man has a cultural lack of ability to adapt himself to reality. He pointed to architecture as an example of living in a world of modern conveniences but still looking to the past.

The obvious cause of the war, he said, was the rise of Adolph Hitler. Hitler's rise followed the downward curve of employment in Germany, Browne declared.

Americans did not follow a Fascist leader because the people could fall back on their savings and because the WPA, however faulty it was, kept the population going during time of stress, he said.

Browne emphasized that it was up to young people to learn how to live in this new world. Something went wrong with civilization because people didn't realize that this is a new civilization.

"Let's have a psychological revolution and grow up," he concluded.
