Speakers Cover Organized Houses Monday, Gives Plans for Miniature Peace Conference

Speaking tours by members of the planning committee for the miniature peace conference sponsored by the YWCA cabinet will cover all organized houses Monday night. Distribution of plans for the conference will be made by speakers at that time.

Mimeographed sheets with an outline of the conference will be left at each house Monday night. After the plans have been studied, each house will list, in order of preference, five countries that the group would like to represent at the conference.

As far as possible, each house will study and represent the nation listed as first choice, but in case of several groups choosing the same country, the planning committee will make the decision. Emphasis is placed by the planning committee on choosing

smaller countries for study, as the lesser nations will be as impor-

NEBRASKA MOCK PEACE CONFERENCE

The attainment of world peace is primarily a matter of education. We are delighted that our students are enough interested in educating themselves in this subject to suggest and develop the idea of this mock-peace conference. We are proud of the intelligent manner in which they have planned their program; we are proud of the effective manner in which they are developing it. Administrative and faculty staff members are glad to assist this admirable educational enterprise in every way possible.

Veterans Get Money Grants From UN Fund

The decision to divert the War Scholarship Fund for use as money grants to returning veterans was made at a recent meeting of the war scholarship fund committee. This decision ended a controversy concerning distribution of the fund after the purpose for which it was to have been used was supplanted by the GI Bill of Rights.

The committee, composed of John K. Selleck, comptroller; Dr. G. W. Rosenlof, registrar; Professor Kesner, chairman of scholarship, and Elsworth Du Teau, alumni secretary, said the money will be used as a supplement to the G. I. Bill of Rights.

Began in 1942.

The War Scholarship Fund was inaugurated in 1942, under the direction of the Nebraska Student Foundation. Its purpose is to help veterans to return to school at the University of Nebraska.

The committee felt that there will be worthy students attending the university under the G. I. Bill of Rights who would lack funds (See VETERANS, page 2)
