## Cornhuskers Trounced By I-State Five

Iowa State picked up their second Big Six court win of the season Monday night in their campaign to regain their conference crown. The Cyclones trounced Nebraska by a 50-38 count in the coliseum. The Lincoln Army Air Field also won taking the Ottumwa Navy squad to the cleaners by a 67-26 count.

Bob Mott, freshman center, ran wild against the Huskers garnering 18 points from seven field goals and three free shots.

Nebraska made her usual good start as Bob Hahn made a neat shot from the free throw circle immediately following the tip-off and picked up a charity toss a few minutes later. But with nine minutes of playing time past, Iowa State's defensive ace, Bill Block, took his teammates into a 9-8 lead and from there on the game was all Cyclone. By halftime the score stood 28-19 for the Iowans and they continued their scoring until the end of the game.

Most of Nebraska's downfall was contributed to sloppy passing though the fact that the Huskers weren't hitting the netted loop in the best form also held its issue.

Two Huskers were lost from the game via the foul route as Jim Strahan and Buzz Hollins were called from the court late in the second period.

### Hollins High Scorer.

Hollins was high scorer for the Huskers garnering eight points while Art Peterson, tall, uncontrollable Scarlet center, pushed seven points thru the cords. Mott tallied 18 for the Cyclones while his teammate Feurbach made just half the number to be runner-up.

## Wings Men Face Hard Challenge

Lincoln's top notch Wings might find themselves biting off more than they can chew Wednesday night when a highly rated Patterson Field travel to the UN coliseum from Dayton, Ohio, to challenge the fliers' only once blemished record.

UN students should know that their student activity tickets do not cover LAAF contests and will not be honored at the gate.

Added attraction to the heralded game will be an unclassified contest between the ASTP lads from library and a "mystery five," the group going by the queer label not being identified.

Several reports say that the quint will be tough cookies with many All-Americans and former Phillips 66 Oilers vets being members of the Patterson field squad.

## Bench Warming With Dick Dilsaver

Stirring and soothing news to all true Scarlet and Cream Nebraskans was the report coming from a combined regents and athletic board meeting Saturday that was to the effect the Former UN coach and athletic director Biff Jones will have the right to return to his job when hostilities cease.

Most important was that the boards took a definite stand upon the matter and if there was any action taken later to oust the famed and well-liked Colonel they would have their head in a noose. And there would be plenty of individuals and groups who wouldn't hesitate a minute to jerk the lever for the noose to break the boards' neck.
