

AS I SEE IT

Even the Nebraska is at the bottom of the conference ladder. Their tall center, Art Peterson, leads the league with an average of 13.16 points scored per game in Big Six games. He has racked up 136 points in 14 contests.

Following him in total points is little Bobby Hahn of Fremont with a total of 100 points.

The Cornhusker tally sheet:

	g	fg	ft	pt	pts.
Peterson	14	31	34	9	136
Hahn	14	23	14	30	100
Strahan	14	37	21	33	95
Hoffins	14	24	34	40	82
Kornig	13	33	13	23	79

It's going to be interesting to see how well the much beaten Cornhuskers of Nebraska will draw in the way of paying customers when they meet the Kansas Jayhawks this Saturday.

For the first time this season the Huskers will be playing a home game without the help of the LAAF Wings to draw a crowd, and so this will be the first test of Lew's boys drawing power with the Lincoln public and the UN students. It is my sincere hope and belief that the Huskers will draw almost as well without the Wings as they do with them.

The Huskers have turned in a remarkable record this year. Even tho they have lost 13 out of their 14 games so far this year they have forced three games into overtime periods, and lost five of their games by seven points or less. In all of their contests they have maintained a scoring average of better than 42.6 points per game. Kansas, Missouri, Iowa State, Iowa Seahawks and Kansas State remain on the U. N. schedule. It looks like a little tough sledding ahead.

The big congratulations of the week go to Coach Ed Weir and his varsity trackmen. Their 51-45 victory over the Kansas Jayhawks sets them up as a major threat in the Big Six race.

Big guns in the victory were Dean Kratz, who plunked off three firsts, and Norval Barker, the winner of both hurdle events. Others whose help was appreciated greatly were Don Morrison who won the mile, Buzz Hollins and Dick Fiderit, who won first and second in the shotput, Dick Miller, the first place man in the pole vault, and Jiggs Whitmore, two-mile winner.

All true sports lovers turned up their noses last week and vowed that another incident like the Brooklyn college deal would never happen again. This modern sequel to the Black Sox episode of 1919, is really a black mark upon the sporting world. However, the five players who accepted the \$1,000 to throw the game with Akron U., drew suspensions from

the college, and the two gamblers who offered them the money are being held by a grand jury.

The number of teams entered for the state basketball tourney to be held in Lincoln the week of the 14, 15, 16, and 17 has reached the total of 425. Some fun!

National Inter-Fraternity Group Condemns Hazing

NEW YORK, N. Y. (ACP). All forms of hazing involving mental or physical torture, including paddling, will be banned officially and absolutely by all colleges and universities throughout the country and offenders, both individuals and organizations, disciplined if the request of the National Interfraternity conference is followed.

A resolution declaring such forms of hazing a menace to the welfare of educational institutions and the various organizations which are a part of the institutions, as well as to individual students, was passed unanimously at the 36th annual meeting of the National Interfraternity conference, held in New York City recently.

While such forms of hazing have been condemned in earlier sessions, this is the first definite request made for action by the administrative officers of educational institutions. For years the National Interfraternity conference and its 60 member fraternities have tried thru educational means to eliminate questionable hazing practices among the 2,422 undergraduate chapters of the 200 fraternity campuses in this country. In placing the responsibility for prohibition and enforcement upon the local administrative officers, fraternity leaders hope that the problem will be solved.

Electric Washers in Jungle

Electric washing machines are needed in the jungle, too. An army doctor, ordering supplies to equip "behind the front" hospitals in India, sent headquarters a special request for the washers. They were shipped by plane with his medical supplies.

Sooners Tied With Jayhawks For Loop Lead

It will be up to the Kansas Aggies, who have been the in and outers in the Big Six race, and the Nebraska Cornhuskers who have been the just plain outers to mess up the well laid plans of the high flying Oklahoma Sooners, and their co-partners in the holding of the Big Six basketball race.

The Wildcats will go to Norman to try to repeat their early season win over the Okies. It was in the first game of the season that Coach Fritz Knorr sometimes brilliant 'cats put on some very fancy razzle dazzle to take a one point decision from the Sooners 55-54. Since then the Kansans have taken a pair of whippings, but to make up for those, they went on a 70 point spree against the hapless Huskers.

Nebraska Tough.
The Nebraskans have yet to win their first game in six starts, but strangely enough, the Cornhuskers have shown their best efforts against the league leaders. It took two overtimes for Oklahoma to eke out a win from the very stubborn Huskers. The Jayhawks beat the Cornhuskers 48-33 but the struggle was much closer than the score would indicate. It was only in the last few moments of the game that the Jayhawks were able to pull away from the Nebraska boys.

In a race that defies ranking by the means of competitive scores the gremlins or what ever specie of demon occupies the basketball floor, must be having quite a week. Missouri plays twice this week in the conference, could conceivably be in a tie for first place if they were to beat both Kansas State and Iowa State and if Nebraska would beat Kansas and K-State knock off Oklahoma. Besides their conference dates the Tigers go to Iowa City Saturday to play the Iowa Seahawks.

The standings and this weeks schedule:

	w	l	pts.	op.	pts.
Oklahoma	4	1	233	207	500
Kansas	4	1	225	176	500
Iowa State	2	2	177	157	500
K-State	2	2	192	201	500

Wings Prepare For Colorado

The Lincoln Army Air Field Wings have been holding numerous hard scrimmages this week in preparation for their trip to Colorado Springs this Thursday to play the Second Army Air Corps Headquarters team of Colorado Springs.

The Wings who are the virtually unchallenged champs of the eastern section of the Second Air Force area must play several teams of the area in the next few weeks.

Coach Tatum.
Goose Tatum, the local Army's leading scorer, Ray Lump of the left handed forward, and big Eddie Ehlers were given the most attention by their coach, Captain Stanley Hall. The Goose, the Wings leading scorer, showed fine form in last Saturday's game with the Peru Tigers, and Coach Hall expects even better things from him in the coming games.

Feb. 24, the Wings travel to Omaha to meet the national AAU champions, the Phillips Oilers in a return match in a benefit game

for the Living Memorial fund. The Wings conquered the Oilers in their last meeting which was held in Colorado Springs.

Coach Hall says he expects to have all his men in shape, including Vic Kraft who was injured in the game with the Doane Navy a week ago.

Evidence indicates that Adolf Hitler suffered from hysterical blindness for six months after the last war, says Dr. Victor A. Gonda of the Loyola university (Chicago) school of medicine.
