## Oldest Campus Fraternity Celebrates Founders Day

## Spring Party Fever Seizes R Street Gang

BY BET KING.

There's news of a big party coming up. Spring seems to have brought everyone back to life after a winter of practically no social events. The five R Street fraternities—ATO, Beta, Delt, Phi Delt, and Phi Gam—broke the monotony by announcing that they would sponsor a spring dance in the Student Union ballroom March 23.

Since this is probably the only event of its kind this year, the fraternities have planned to make it a gala affair. They have chosen a queen whose identity will remain a mystery until the night of the dance when she will be presented by Governor Griswold. The orchestra is Francis Ellsworth's. Admission will be limited to those whose names appear on the guest list.

### Long Time, No See.

It's been a long time since the fraternities have sponsored anything like this. It's about time, too.

Now, coeds take it easy. Don't hit the ceiling. You might break an arm and then you couldn't go at all—and this is one affair you don't want to miss. It's mighty sly of the fellows to give you so little notice, but that's life. After all you've got a little over a week.

Could this party be a revival of the old R Street-16th Street fued?

Well, never mind. Hmmm wonder who the queen is?

To save youthful eyesight, many schools have adopted illumination standards 100 to 200 per cent above the present minimum recommendations.
