 Mr. Means took undergraduate work at Ball State and Franklin Colleges in Indiana, and post graduate studies at the universities of Illinois, Wisconsin and Indiana.

A new electric eye application, the "photometer," which measures the potash content, simplifies and speeds up soil testing.

## Lincoln Papers Sponsor Artist On October 8

Arthur Rubinstein, pronounced by critics as the most exciting pianist of the present time, will appear at the university coliseum on Oct. 8 under the auspices of the Lincoln Journal and Star.

This concert is the first of several which will be sponsored by The Journal and Star this winter. Tickets will go on sale for \$3.00, \$2.40, \$1.80 and \$1.20, including tax, at a time and place to be announced later.

On Nov. 20, the original Don Cossack Chorus and dancers with Serge Jaroff, conductor, will present a concert at the Coliseum and on April 9 the Minneapolis Symphony orchestra conducted by Dimitri Mitropoulos will appear in Lincoln.

Tickets for all engagements will be sold separately since there are no season books available.
