### Baduc Plays In Coliseum On Oct. 6

Ray Bauduc and his orchestra, the first name band to appear on the campus under student sponsorship since the war began, will play at the University Coliseum on Saturday, October 6, the night of the Minnesota football game.

Bauduc is best known as Bob Crosby's leading drummer man, and has been featured with Crosby on several recordings. Recently he organized his own band. He comes to the campus after filling engagements at Elitch's in Denver, the Blue Room at Wichita, and Frank Dailey's Meadowbrook in New Jersey.

Tickets for the dance will be on sale at the Student Union office and at the Coliseum on the night of the dance. The price is \$1.50 per person.

The Student Union announces that with this dance, sponsored by the Student Activities Committee, it hopes to inaugurate a complete program of name bands coming to the campus.

### Fred Lorenz Captains '45 UN Huskers

Burly Fred Lorenz will lead the 1945 edition of the Nebraska Cornhuskers into action Saturday against the University of Oklahoma Sooners at Memorial Stadium.

The lone letterman from last year's squad, 24 year old Lorenz has been shifted to guard from his former tackle slot by Coach "Potsy" Clark, and will pace Nebraska linemen as they meet the tricky T formations concocted by Dewey Luster and executed by his gathering of speedy break-away runners.

Following intensive drills against Sooner plays all week, Clark has apparently decided on a starting lineup with an average weight of 188 pounds, considerably heavier than last year's starting squad. Altho the backfield weights are not on a par with prewar days, Sooner linemen will

### UN War Council Continues Work; Plans NRO Dance

"There definitely will be a War Council on campus," announced Alice Abel, president of War Council at the organization's first meeting, Wednesday, Sept. 26. "There has been a challenge flung at us," she continued, "and we can not fall down on the job. The USO, the army and the navy aren't quitting and there is no reason why we should!"

Miss Abel also announced that October 5 is the date set for the welcoming dance for the NRO trainees. Held at the Union ballroom from 9 to 12, dates are not required for the dance.

Jackie Gordon will give the welcoming speech, Janice Johnson and Nickie Nickerson head the decorations committee and Phyllis Mortlock is in charge of the program. Those participating in the program will be: Kay Blue, Bette Heckenlively, Nancy Finkle, Janice Johnson, Nickie Nickerson, and Sally White.

### Victory Bell Peals Promise At Pep Rally

Pealing forth its toll of promised victory to the Huskers, the Victory bell will ring tonight, and Coach "Potsy" Clark will deliver a pep talk in the first postwar pep rally on UN campus.

An organized snake dance, led by cheerleaders, will start at 7 p. m. in front of the Student Union and proceed down sorority row to add coeds and men whose Cornhusker spirit in prewar days helped their teams to victory and fame. Led by the band, the rally will wind up 14th street to U street, down R and back to the Union.

The Yell King and cheerleaders, after much rehearsing, will direct the cheers and songs. "N" feathers will be plentiful and so will the famous Cornhusker spirit that prevailed when men were on the campus and steaks in the crib. Both are back now and so is the loyalty and faith UN places in the Huskers as they clash with the Sooners tomorrow afternoon at 2 at Memorial Stadium.

The rally will end in time for students to observe All University Church night.

### NRO Dreamed of College Life Overseas; Wakes Up in Lincoln

By JOE IRVING.

First of all, noticing another story that would be similar to this, I will attempt to tread other paths. There are a little over 180 of us enrolled. Due mostly to some crackpot in Germany who came into power as the "benefactor" of his people in 1933 and started a big noise about five years ago, most of us are freshmen. There are several sophomores and a few juniors.

We came into this program with the intention of acquiring a good education and becoming officers of the Navy, thereby, becoming gentlemen.

Our average age must be around

20. Quite a few of us, as you have noticed by the campaign bars, have had one year of sea duty and in many cases, two years or more.

You can see, my fellow students, this college life is quite the thing. I used to dream, some of those nights while strapped in my sack to keep from falling out, about sitting in a place like the Union. Along with everybody elsewhere, I have never seen so many women in my life.

The women who caught my personal eye are wearing red and yellow altho green plaid suits also
