

# Ragged Edges

BY PHEE AND SARAH.

Even the Sweetheart of Sigma Chi is entitled to change her mind . . . A surprise to all was the break between Kappa Joan Fankhauser and Sig Chi John Bell last week. . . A state of "Still friends—still date" exists, although Joanie dates SAE Judd Ankrom.

After the game, the Oklahoma team captain went over DG way to have a gay date with Joyce Crosbie, bringing another Okie for sister Marge Doyle . . . Sig Ep Dwight Woodruff and KKG Lois Phillips are steadying it of late as seem to be Navy Man Jack Hill and Alpha Phi Gloria Rabe, and Chi O Barbara Bischof and Bill Feehan of Brown Palace.

Theta Mickey Miller and Kappa Sig Bos Tangeman took in the Pike Saturday night. A deal carried over from this summer. From here, we'd say it's a pretty good combo. Margaret Pinkerton of Towne Club passed the candy at the first meeting of the session with Pvt. Denny Menninger. Passing the candy on their first anniversary and celebrating with a pinning were Gerry McKinsey, Degee, and Beta Don Kline. more sweets flying around.

### Piking.

Ex-pinmates Rog McNeil, Phi Delt, and Hannah Shirts Hinds piked Saturday . . . but NOT together . . . Rog with Alpha Phi Marcie Bauer and Shirts with new Phi Delt prexy, Dee Borne . . .

speaking of the Bauer family, what's with the Joanie Bauer-Ware Christianson duo? That was Kappa pledge Bobbie Busch that Ware was with Saturday night. Well, Joanie coke dates with Tau Bill Gayer, etc., etc.

Some of the Sig Chi's congregated over the weekend to make hay with their respective gals . . . Bill French and Chi O Pat Felger were viewed as well as Bob Opp with pinmate Laurel Adams, Bob Holder with 'nuther Chi O, Kay Blue, and Warren Bell with Dorothy Brown . . . Sig Alpha Flip Groggins and KKG Fran Edee may be added to the list of frequent daters now . . . as may sister Joyce Geddes and Johnny Adams, Sig Ep.

Donna McCullough of Carl hall and Brown Palacer Dean Hansen seem to be a fine pair . . . Sigma Nu Bobby Cole hit the campus for the weekend to date Pi Phi

Lu Jane Johnson again . . . Phi Psi Merle Mosier and brother Ernie Larson dated Pi Phi Sue Ann Cochran and DG Sally Emerson respectively for the Pike . . . Lights were out but we saw Phi Delt Sid McVicker and Kappa Sally Stebbins . . . there too, we saw Sig Ep Chuck Gleason lighting candles with Pi Phi Gloria, Mardis—along too, were Theta Dorothy Bennison and Phi Delt Bill Rolfsmeyer.

### Oh—These Hour Dances . . .

Carl Hall-ite Betty Douglas and George Arbogast of the Brown Palace ere seen together lots . . . these hour dances accomplish mucho at times, more Okies hit the Tri Delt house Saturday night . . . and Merrill Shutt was with "Sadie" Hawkins (this time It's a man!) and Jane Ann Clark dated Johnny West . . . Mickey Allen, Alpha Chi Bobbie Emerson's man, surprised her Tuesday

morning as she left class . . . and reports say she'll never be the same again!

### News . . .

(Continued from Page 1.)

passed by the senate in an amended form which both conservative and liberals were able to claim as a victory for their sides. Still ahead to be hurdled is an unfriendly house.

President Truman's bill to provide adequate income for those unable to find jobs in the post-

war hubbub has been severely trimmed and is still doubtful of passage.

In Japan, General MacArthur announced his newest acts: Almost complete demobilization of the home Japanese army and abolition of censorship by the imperial government, at the same time keeping his own.

Last Thursday President Truman quashed all rumors about a joint allied control commission for Japan when he said that the United States wished the present U. S. administered set-up to continue.
