## 'Pop' Warner Witnesses Iowa Game Saturday

AMES, Ia., Oct. 17.—Glenn S. "Pop" Warner, Iowa State College's first football coach, will be on hand for festivities on Friday and Saturday as guest of honor at Cyclone Homecoming ceremonies.

Pop coached the team of 1895 which handed Northwestern University a 36-0 drubbing. It was this team that the sports writers called the Cyclones out of the Wilderness. Thus, Pop had the distinction of piloting the original Cyclone team.

### Brilliant Career.

Nationally-known because of his brilliant coaching career at the Carlisle Indian school, Cornell University, Pittsburgh University and Stanford at Palo Alto, Calif., Warner is credited with originating the single and double wing-back formations.

Friday evening, he will speak at the pep rally and will later be a guest at the I Club smoker.

## Track Team Vies at Ames Before Game

Coach Ed Weir's five-man squad of two-milers get their first taste of competition tomorrow at Ames, when they vie with the Cyclone trackmen in a contest scheduled to precede the Iowa State-Nebraska football game.

The Huskers will be led by Dean Kratz of Sidney, who ran off with the 440 and 880 crowns in the Big Six indoor meet last spring and then romped home first in the outdoor mile. Other members of the team as determined by a practice run held Thursday, in the order they finished behind Kratz, are: Don Yocum, North Platte; Wayne Roads, Scottsbluff; Tom Whipple, Nebraska City; and Stanley Martin, Blue Springs.

On Saturday, he will be guest of honor at the I Club luncheon and will be introduced to the Homecoming crowd at the stadium between halves of the Iowa State College-Nebraska football game.

## Cornhusker Squad Faces I-State Team

Husker footballers left Lincoln this morning for Ames, Ia., where they will face the Iowa State Cyclones tomorrow in a Big Six battle.

About 35 squad members made the trip. The team will arrive in Ames in time for a brief workout on Clyde Williams Field Friday afternoon.

### First Stringers.

Paul Kipper, Don Sailors and Dick Skog were promoted to the first string varsity lineup Monday. Kipper and Sailors are ends while Skog will play right half-back in the Iowa game.

Coach "Potsy" Clark announced that Fred Lorenz would be the game captain for the Cyclone battle.

Immediately after the game the team will return to Lincoln, arriving here shortly after midnight Saturday.

Probable traveling squad:  
ENDS: Kipper, Korte, Schneider, Sailors, Hornby, Bunker and Baalhorn.

TACKLES: Tegt, Wilhelms, Williams, Sedlacek, Weimers and Edling.

GUARDS: Lorenz, Rollsmeyer, Hoy, Johnson and Lipps.

CENTERS: Fischer, Short and Buchanan.

BACKS: Robinson, Gradoville, Story, Young, Fink, Skog, Moore, Weiss, Sloan, Harrington, Gillaspie and Miller.

## IM Free Throw Tournery Begins At 3:30 Today

Remember, the intramural free throw tournament begins today with the first day of preliminary or qualifying play. The coliseum will be open from 3:30 to 6:00 to accommodate all contestants who wish to complete their forty qualifying throws today.

The final day of first round play will be held on Wednesday, October 24, with match play to occur on Friday, October 26.

A fact which should be emphasized is the arrangement by which six alternates will be named for the final round on the 26th. If at that time some of the previously named finalists fail to appear, alternates will be allowed to compete in place of the absentees.

## Cyclone Coach Scours Squad For Backfield

AMES, Ia., Oct. 18.—Thumbing thru his squad last night, Coach Mike Michalske continued his search for a backfield combination capable of taking the field against Nebraska this Saturday for Iowa State College's Homecoming game at Ames.

Probable combination will be the one which saw the most action last night with Red Tenges at quarterback, John Pflum at left half, John Hauck at the wing and Dick Howard in the fullback slot.

### Plenty of Style.

Since being moved from quarterback to left half, Pflum has shown plenty of style in his running as well as in his passing. From the quarter spot, Pflum threw plenty of passes and proved he also can do the same from the half position.

In the line, Jim Pusch is showing up well in his second week of drill since his injury following the Northwestern opener at Evanston. No other changes have been evident in the line.

### First String.

The first-string line battled the second stringers in several sessions this week. A number of Nebraska plays also have been run against the first string on various occasions by Coach Russ Dickinson's freshmen. All-in-all, there has been no let-up in the drills so far and probably won't be until the squad drills without pads on Friday night.

To date, three radio stations have signified that they will carry the game—WOI, Ames; WOW, Omaha, and KFAB at Lincoln, Neb.
