## A Chance to Learn

University students are notoriously ignorant about current domestic and international affairs.

Most of us have only a vague idea as to what is going on in the world outside the college realm. We know that there is a strike somewhere or other, that there is an unemployment problem, and so on, but we do not know, as university students should, what the facts or causes of current problems are.

An attempt to decrease our general ignorance is being made under the name of All-Campus Forums. Purpose of the forums is to give the students an opportunity to hear discussion of both sides of current problems by authorities and students.

First of the forums is scheduled for Thursday evening at 7:30 in the Union ballroom. At that time the question of wage increases for labor will be discussed. In connection with the forums, the Nebraskan will print articles on both sides of each question during the week preceding the forum. These articles will serve as an introduction to the discussions and will orient students so that when the time of the forums comes, we can go with some knowledge, listen to the discussions, participate in them and end up by knowing something about the world in which we live.

The opportunity is being given us as it was in the Peace Conference last year. The All-Campus Forum can easily be as valuable to us as the conference was. Whether or not we continue to know nothing is up to us. The forums offer us our chance to learn and if we muff it, it's nobody's loss but our own.

BY BET KING.

Swish—that nightmare on wheels that just whipped by was probably something some coed dreamed up to convey her date to the MB Ball. In the past coeds have used such unique transportation as baby buggys, roller skates, cleaners' trucks, dairy trucks serving malts en route, and wheelbarrows. As of yet there is no available data on how the gals are taking their dates to the brawl this year.

Rosa Bouton's "ma Newsham isn't releasing her choice of con-

veyance. Could be that she's afraid Bill Teter of the Brown Palace won't keep his date if he learns just how he's going to get to the Coliseum. Ginny Bowen and Irene Koros are cooking up something good for the affair for dates Don Huffman and Theron Thaden also of the Brown Palace. You'd be only too happy to walk, wouldn't you fellas?

### Table for Three.

Most gals consider one date for the Ball sufficient. However, Hannah Joyce Crosbie believes in double or nothing. She has two dates as of yesterday's wire from Steve Cook. The third in the party is DU Dean Kratz. Arrow girl Joy Hill is quite content with just one man. He's Bill Hess who will journey from Denver for Saturday.

Some gals prefer other things to the Mortar Board deal, and one of

these is none other than a Mortar Board herself—Les Glatfelter. The big attraction is West Pointer Bill Steger who is meeting Les in Great Bend, Kansas. (We don't know where it is either).

### Friday Fun.

Friday night holds excitement for those going to the Towne Club's "Winter Wonderland" party and the traditional Beta Sig Husker party. Towne Clubbers and their dates include Eleanor Edison and pinmate, Jack Busch; Renee Stokley and Alex Fink; and Marilyn Davis with Cletus Fischer. Rumor had it that you always paired the name of Clet with that of "Barb." Ahh, Variety!

We've just found a new hunk of ground to put our ear to—so excuse us while we gather some more dirt for next time.

# BANZAI! —

Here's a gift I can carry

Did you think he might be home in time for Christmas . . . and so didn't mail a package? Or did you mail a package . . . and now know he's on his way home? You can still give him a Gift Certificate . . . to be redeemed when he likes for what he likes. And even now, it will reach in time for December 25th! A fine idea for a service man at home, or about to be separated.
