

Ragged Edges

BY SARAH MURRY.

Two pins in one week is one for the records . . . so it goes in the life of Theta Billie Trombla. Last week it was Phi Gam Jack Bryant's but Monday night she finished the fooling around and passed the candy with ATO Bill Lear.

ATO's really got in on the goodies . . . The same night they went over Kappa way to celebrate Johnny Thompson's pinning to Irene Hansen.

The Mortar Board party is not a thing of the past as yet according to feminine chit chat. Fellows seemed to turn the tables and do just the things they blackball a gal for . . . breaking of dates, keeping 'em waiting, etc., were all common. ATO Fig Flagg showed up for the occasion with Alpha Chi Gloria McCulla—surprise to all, the date was not with ex-flame and Alpha Phi Margie Munson.

Good Deal.

Kappa Shirley Lierk's blind date proved to be a good deal . . . anyway she and Phi Delt Don Spomer have made a date for the Phi Delt party on the 22nd.

Theta's are on the watch!!!! Why???? Their annual house party is only two weeks off and from here it sounds as if it's going to be good. Katharine Reese and Mac Robinson will be there, and pledge Peggy Lawrie will be with Beta Ed Kelley.

Parties, Parties.

Parties, parties—that's all we hear. Sigma Nu's had planned the return of the pig dinner for the 14th but there seems to be a question as to university regulations.

Zips will turn out Friday a la formal. Phi Psi Bud Varvel and Chi O Sue Diggs will be on hand and of course Kappa Joan Fankhauser and Sigma Nu Dick Batchelder.

More Rumors.

Rumor has it Gamma Phi Ellie Asmussen and ATO Bud Marsh will go through the ordeal next Monday night . . . Then there are Alpha Chi Shirley Staats and Sigma Nu Bob Holman who are going steadier and steadier. Mustn't overlook steadies DG Jeanne Douglas and Phi Delt Ted Ramsey . . . or—Eligible Bachelor Sig Chi Johnny Bell and Alpha Chi Charlotte Dixon.

Dorothy Lamour wore a family heirloom gold necklace for scenes in Paramount's "Masquerade in Mexico" in which she gets innocently involved with a jewel thief.
