Student Poll Decides Administration Plans

A poll of students now attending the university will be conducted by the university March 18 to help determine faculty and classroom requirements, determining number of students in a section. By ascertaining the number planning to attend summer session, the administration will be able to judge the size of the faculty.

The poll is expected to sub-

stantiate a current estimate of at least 2,500 students which would be the largest summer session enrollment since 1932, when 2,520 students registered, said Dr. George Rosenlof, director of admissions. Last year summer session enrollment totaled 1,332; there were 1,218 in 1944, 1,483 in 1943 and 1,677 in 1942.

Veterans Finish.

Rosenlof said many veterans desiring to finish their education as soon as possible are expected to attend summer session. "Teachers college had the biggest enrollment in normal years but veterans are expected to put the engineering and business administration colleges at the top this year," stated Rosenlof.

"Despite the increased enrollment, we are now planning an educational program that will be equal to any normal year," Rosenlof added.

Lord Halifax Speaks Here Next Week

Lord Halifax, Great Britain's ambassador to the United States, will speak to the student body in the Union ballroom on Thursday, Feb. 21, at 2 p. m., as a final part of his current trip thru this country.

When Halifax was sent to Washington early in 1941, he accepted a burden which Winston Churchill called "as momentous as any that the monarchy has entrusted to an Englishman in the lifetime of any of us." According to a recent issue of "Time" magazine, he won the resounding respect of the United States for himself and for his country during the years of the isolationist debate and the greatest war coalition in history.

Speaks in 44 States.

After completing his present speaking tour, Lord Halifax will have visited 44 of the states in this country. When, according to present plans, he leaves for England at the end of April, his position will be filled by Sir Archibald John Kerr Clark, who is now on a peacemaking mission for Great Britain in Java.

The convocation is open only to students and faculty members of the university. This limitation has been made at the request of Lord Halifax, who wishes only to speak to a student audience.

SPRING FOOTBALL CALL.

Coach Bernie Masterson has announced that a meeting for men interested in going out for football will be held Thursday, Feb. 21 at 7:30 p. m., in the coliseum.
