## Swim Finals **Tonight** in Tourney

Alpha Tau Omega paces the intramural swimming field with six qualifiers for the finals, following the semifinals Monday afternoon at the coliseum pool.

The top six men in the 50-yard free style, 100-yard free style, 100yard breast stroke and 100-yard back stroke were chosen in the qualifying races.

#### Boyd Betters Record.

Rex Boyd, Alpha Tau Omega, bettered the back stroke mark with a time of 1:19.1, edging Bob Suhr of Beta Theta Pi in the feature event of the program. In last week's first round heats, Suhr had broken the old back stroke record.

The top three men in each heat will compete in the finals tonite clones. at 8 p. m. Spectators are invited, When and should enter the pool balcony from the stage entrances in the coliseum.

### Phi Gamma Delta **Drops DU 39-17** In 'Â' League Tilt

Phi Gamma Delta entered the "A" league basketball playoff by scoring a 39 to 17 win over Delta Upsilon Monday in a game which decided which quintet would represent League I in the remainder of the season's play.

B. Schleiger High Scorer.

Towering Bob Schleiger paced the Fiji team with 16 points, while Dick Skog was high scorer for the D. U. club with six. At halftime the Phi Gams held a 19 to 12 lead, but lengthened this margin in the second half to win going away.

This afternoon at 5 p. m. the Phi Gams will play Beta Theta Pi in a semifinal game. The winner of this tilt will face the Phi Delts for the "A" League cham-Phi pionship.

#### Selleck . . .

(Continued from Page 1.) approves assessment of the extra \$100 non-resident tuition to help equalize the amounts received by state as compared with endowed schools. This is another way to help tax supported institutions give the veterans the best possible instruction. The extra tuition fee is waived in the case of students attending dental or medical college where tuition and fees may be above \$500," he continued.

The \$100 "equalization fee" the university receives from the veterans administration is placed in the university's general operating fund to meet current expenses. Along with all other money received under the GI Bill of Rights plus the extra sum, is not deductible from future allowances or adjusted compensation which congress may appropriate for World

Nebraska hopes received a blow last Saturday when Ralph King, lanky hurdler, pulled a muscle as he raced toward the tape in the low hurdle event. If King is able to compete at all, he will definitely be below par. Since Norval Barker, conference hurdler ruler last year, has not flashed bis former style, the Huskers may lose out in the top spots in both hurdles races. Jon Sharp of Oklahoma and Chase of Missouri both trimmed the Aurora timber-topper by decisive margins in dual meet competition, and Barker has failed to come close to his times of last year's season.

...

Another blow to the Scarlet cause was Dean Kratz's unexpected loss in the 880 last week. The king of the Big Six middle distance performers ran second to Hal Hinchee, Kansas university, who raced the half-mile in 1:59.8 in Saturday's triangular meet.

this performance at Kansas City, Kratz will have a tough time retaining possession of the Bill Lyda trophy. This trophy is a memorial award in honor of Lyda, the former Oklahoma university 880 star who was killed in the war. Kratz has two legs toward permanent possession of the award, and needs to win this year to retire the trophy.

Hinchee's success was the result of a blistering finishing kick. The Jayhawk began the season as a two miler, but now has established himself as a definite threat in the half mile. According to teammates, Hal relies on his finishing kick to carry him through after he holds
