

# Navy Losses Hurt Cyclone Swim Hopes

Nebraska hopes for a swimming victory over Iowa State Saturday have taken a decided jump following the report from the Ames campus that three navy splashes who scored points against the Huskers in the first meet between the two schools, have been taken from the squad by military transfers.

One of the three, Dick Lepman, was a double winner in the first meet, winning the 60 and 100 yard free style races. Bob Pritchard, a second transfer, placed second in the diving competition.

### Huskies Ready.

The Husker mermen have been turning in good times in recent drills, and Coach Ed Higginbotham believes his men will give the Cyclones a much closer battle in this second meeting. The Iowans swamped the Huskers in the first meeting, winning 66 to 18.

Bill Burr and Fred Hamlen have been the Scarlet mainstays all season, and they will compete in their pet events in Saturday afternoon's meet which gets underway at 8:30. Burr is entered in the 100 and 200 yard freestyle races and will also swim a leg on the freestyle relay team. Hamlen will go to the mark in the 440 yard freestyle and the 220 yard freestyle.

Two outstanding Cyclone performers will still be around to cause plenty of trouble. Larry Koppin and Carl Brandner, winners of the 220 and 440 freestyle events in near record times, will be in action Saturday.

Hamlen pressed Brandner all the way in their first 440 meeting, and another close race is in prospect.

## Follies . . .

(Continued from Page 1.)

Gamma's "Toyland" featuring huge-girl Ruth Korb's "Oh, My God!" remark following the flash of a reporter's camera, drew hearty applause.

"Order in the court!" as only M. A. Cawood could shout it introduced Kappa Alpha Theta's judicial scene of "Technique vs. Swing." Alpha Xi Delta's ballet presentation of "Seasonal Moods," lent dignity and beauty to the overall performance. With each change of season, the performers shed one net skirt. Growing boy that I am, I hoped for a late spring, thereby insuring an eye-filling performance, but the curtain squelched by desires.

"Egyptian Ella" found me swinging from the chandeliers. "Towne Club Blanche Duckworth's educated hips would have put Solomon's beauties to shame. The club's "one for the boys in the balcony routine" earned first place honors in te skit division.

Jackie Scott's portrayal of the "Lady" in Green in the Alpha Chi's musical tableau, of "Frankie and Johnny" sent my socks rolling up and down my leg like a windshade. The Alpha Phi's "By the Sea" sea-side scene, took second place in the curtain act column. Pee-Wee Novotny proved the worth of the girdle in her depiction of a heroic lifeguard. Only comment "My own flesh and blood—brother!"

Sigma Tau Delta featured clever originality in "Fairytale in Scarlet and Cream," and captured second place honors for the skits. I give them top honors also for being the only ones to mention "coed" in their act and thereby reminding me where I was. The "Put-put gals" socially recognized as the Mortar Boards, won the brass mug of achievement with their "Eager Beaver" routine.

Following a beautiful display of young women's fashions, Jo-Ann Ackerman was introduced to the audience as the 1946 Typical Nebraska Coed. Also presented to the crowd was Jack Buffington

## INTRAMURALS

### ATOs Take Top Honors in Swim Tourney Finale

The intramural swim finals on Wednesday night turned out four new meet records in pool events.

Bob Suhr, Beta backstroker, broke the old record for the 100 yard back stroke in the prelims last week, only to see his time bettered by ATO Rex Boyd in the semi-finals. Wednesday he posted a blistering 1:18.8 for the distance to beat the old record by ten seconds, an dBoyd's time by three-tenths of a second.

Bob Harse, ATO, likewise shattered an existing record when he raced thru the 220 yard free style in 2:56.6.

## K-State Edges Husker Team In Final Rally

A last minute scoring spurt gave Kansas State a 54 to 49 decision over the Huskers in a Big Six thriller Friday night. The K-State hosts held a 26-24 halftime advantage and managed to subdue all invader scoring thrusts.

The Huskers were frigid at the foul line, missing a total of 13 charity tries. Dave Weatherby, Stater forward flash, collected 11 points for the evening to give him a conference total of 127 points for the season.

Weatherby's performance was dampened, however, by the Husker forward Joe Brown's sharp-eyed ability. The Nebraska flash swished eight from the field and dunked four gift shots for a total of 20 in the point bracket.

The box:

Nebraska	fg	ft	pf	K. State	fg	ft	pf
Brown f	8	4	4	Kramer f	5	3	3

### Phi Gams Edge Betas 30-25; Face Phi Deltas in Finals

Phi Gamma Delta's A quintet turned back the Beta Theta Pi five Wednesday night in the semi-finals of the A league playoffs. Sparked by the sky scraping Schleiger brothers, who literally dropped in 23 of the 30 points, the Fijis were too much for a short but fighting Beta team.

### Schleigers Pace Fijis.

With a smooth working floor game led by Jus Berger, the Betas never stopped pushing, and cut the lead down to one or two points time and again. When both Schleigers went out on fouls with five minutes left in the game, and the Phi Gams only five points ahead, it looked like anybody's ball game, but skillful stalling by the Fijis gave them the victory and a slot in the finals against the Phi Deltas Monday night.

Phi Gamma Delta 30, Beta Theta Pi 25; at the half, Phi Gam 16, Beta 13. High scorer: D. Schleiger, Phi Gam, 15; Berger, Beta, 9.

Playoffs for A League Fifth Place: Cornhusker Co-op 15, Sigma Alpha Epsilon 15; at the half, Co-op 4, SAE 6. High scorers: Jacobsen, Scheinost (Co-op) 6; McKenna (SAE) 6.

### Driving Cage Open In Coliseum; N.U. Golfers Practice

The University of Nebraska has installed a new golf practice driving cage in the basement of the coliseum to help varsity golfers, under the tutelage of Bud Williamson, get ready for spring competition.

### Open to Faculty.

The cage, according to Louis E. Means, director of student physical welfare, will also be open to university faculty members.

# HUSKER HIGHLIGHTS

By George Miller

With the Big Six track and field championships only a day away, several questions remain unanswered in the minds of Husker follows as they attempt to figure the probably outcome of the meet.

Will Bobby Ginn be entered in the mile and two mile? If he is entered will he be able to win? Will Dean Kratz, Ted Randolph and Ralph King be in shape to produce their best performances? Will the Nebraska athletes come thru with enough third and fourth place points to back up the first place performances which seem to be fairly certain?

Just how Coach Ed Weir will enter his middle distance and distance aces to produce the maximum point making ability is a problem. With Bobby Ginn, Dean Kratz, Don Yocum, Wayne Roads, Stan Martin and Bob Davis on hand, the Huskers have a potent array of strength, and this group will probably provide the necessary points if the Huskers are to win the meet.

Injuries to hurdlers are the bugaboo of this week's preparations, for in addition to Nebraska's

Ralph King and Ted Randolph, Missouri's ace timber-topper, Bob Chase is also hampered by injuries. His appearance in the Kansas City meet is doubtful, and if he is absent, a goodly portion of the probable Tiger points will vanish.

Another interesting angle is the performance of another Missouri athlete. Dick Higgins, who has cleared 13 feet in the pole vault event in prewar days is back in school. Thus far this season Higgins has reached a height of 12 feet 6 inches, but may threaten the Huskers' Dick Miller. Miller has reigned supreme in a class by himself for the last two years.

Nebraska's strength from this point of view, seems to be concentrated in the 440, 880, mile and two mile on the track, and in the shot and pole vault in the field. If King is in shape to race, both hurdle events should provide more counters for the Husker total.

Whatever the outcome, the Scarlet squad will be represented by a team with enough numerical strength to produce the valuable third and fourth place points that the champion must have.

## TO ALL VETERANS

I have purchased this space in order to bring to your attention a few very relevant facts:

Those of you who are fraternity men, as I, myself, am, all know of the existence of the infamous "faction" of Greek organizations. This long-dormant faction has once again sprung to life after a war-time absence. The faction is violently opposed to any form of veterans' organization which might come into existence on this campus.

Now, just why should this be true?

The implication is an obvious one. The notorious faction has, in the past, wielded considerable power on the campus. It evidently fears strong opposition from a group of veterans who wish only to promote the welfare of a sizeable number of university students — the returning ex-servicemen; make certain that they receive their just dues, but in so doing strive to be of some worth to the student body as a whole, not to merely benefit an insignificant few!

I, for one, do not choose to prostitute my right of franchise to any minority group! I shall never become a slave to any faction!

This newly-organized Veterans' Organization of the University of Nebraska is a great step forward in freeing intelligent, self-respecting individuals from the vice-like grip of a self-centered minority group of people who think **only** of their own personal gain!

As a nominee for the position of vice-chairman of the Veterans' Organization of the University of Nebraska I appeal to all enlightened student-veterans to attend the next meeting of the organization on Tuesday evening in the Student Union ballroom, cast their ballots for the various officers, and then support their chosen leaders in the promotion of the principles as stated in the constitution!

Respectfully submitted,

Don J. Baker, vice-chairman nominee
