

# IM Mitt Tournament Opens With 21 Bouts

## Football Players Provide Action For Large Crowd

Football players furnished most of the fireworks in the opening session of the intramural boxing tournament which got underway Tuesday night at the coliseum.

The fields in all weight divisions were trimmed to semifinalists, as a total of 24 bouts were run off. Glen Presnell and Chick Jacoby served as referees for the evening, while baseball coach Frank Smagacs and Charlie Miller of the physical education department acted as judges.

Topping the card was Mack Robinson's win in the heavy-weight class over Bill Rolfsmeyer. Both were members of the Nebraska football squad last fall. Robinson made an early advantage stand up against a late flurry of punches by Rolfsmeyer to take decision.

Big John Sedlacek, Seward tackle, showed why Jim Kekeris of Missouri left the field with a black eye during the scrap between the two last fall in the Missouri-Nebraska football battle. Sedlacek pounded out a convincing decision over home town friend Don Wait in another heavyweight battle.

### Other Gridders Win.

Other footballers to triumph were Bob Lipps and Bill Sloan in the 160 pound class and Harlan Cranston in the 175 pound class. Chick Story, fighting in the heavyweight division absorbed a thorough going over from Stan Daffer, Lebanon freshman, in one of the surprises of the evening.

Wayne Watson, Clarks, 147 pounder and Del Roth, Plymouth, 135 pound pugilist flashed smooth footwork as they won easy decisions in their opening matches.

## Army Marksmen Repeat Win Over NROTC Riflemen

For the second time in as many weeks the University of Nebraska ROTC Rifle Team defeated the Navy ROTC in a shoulder to shoulder match at the university range Tuesday. The Army scored 868, the Navy 841.

## Husker Matmen Eye National Collegiate Meet

With an eye cocked toward the National Intercollegiate Championships, the University of Nebraska wrestling squad is continuing to work out, altho the regular season has been concluded.

The national meet will be held

March 22 and 23 in Stillwater, Okl., the home of the Oklahoma Aggies who are perennial contenders for the national championship.

### Boker Ready.

Coach Jerry Adams reports that Harold Boker, undefeated in competition this season, may work down to the 165 division. Since Boker's regular weight is around 172 pounds, the weight losing chore would not be too strenuous.

The Copple brothers are also prepping for the nation-wide competition. Both have been hampered by injuries during the last three weeks, but will be ready

to go by the time the opening matches are slated.

Newt Copple will trade holds in the 145 pound class, while Ed is set for the 155 pound competition.

Mickey Kelly, scrappy Husker 121 pounder, who was second high scorer during the season is also a probable entrant in the N.C.A.A. bouts.
