

# UN Athletic Squads Face Busy Weekend

Seven contests with intercollegiate opponents plus a full-game football scrimmage are on the docket for University of Nebraska athletic teams this week, as the spring sports season moves into top gear.

Heading the weekend's action is the appearance of Coach Ed Weir's Husker track and field team at the twenty-first annual Kansas Relays in Lawrence on Saturday. Time trials last Saturday indicate that the Scarlet thinclads are ready to spring a few surprises, and the Huskers will bid for honors in both relay and individual events.

The baseball team, now sporting a .500 record after absorbing two defeats at Minnesota last weekend, tackles another tough foe when the Oklahoma Sooners come north for a two-game series.

After splitting a pair of games with Iowa State, the previously unbeaten Sooners will be out to stay atop of the Big Six scramble. Friday's game is scheduled for 4:00, with Saturday's title beginning at 2 p. m. In case of rain Friday a double header will be booked for Saturday.

### Football Scrimmage.

Although not in competition against a rival school, the Nebraska spring football squad will go through a regulation game scrimmage Friday afternoon. Visting high school football stars and their coaches, in Lincoln for the all state football rally, will view the scrimmage.

Oklahoma will provide the opposition in two more sports, for Husker golf and tennis squads will entertain the Sooner teams in Friday and Saturday matches.

The Nebraska aggregations opened their seasons last week in Kansas and came home with a record of one win and three losses. Both teams lost to Kansas university foes on Friday, the tennis team by a 5-1 count, and the golfers by a 17-1 score. On Saturday the tennis team managed to score a 4-2 win against

# All Conference Schools Enter Kansas Relays

LAWRENCE, Kas., April 16.—Fifteen universities, 15 colleges, four junior colleges and Punahou School of Honolulu comprise the entries for the 21st renewal of the Kansas Relays, Saturday, the first running of the big meet since 1942.

In the University class, schools entered are University of Texas, University of Nebraska, University of Minnesota, Texas A. & M. College, University of Missouri, Michigan State College, University of Oklahoma, University of Iowa, Baylor University, Kansas State College, University of Colorado, Iowa State College, University of Kansas, Drake University and Wichita University.

Two special relays have been added to the program for Punahou. The Hawaiian entry will compete against junior college teams in the half-mile and mile relay baton events.

# Browne Opens Court Practice On Wednesday

Cornhusker Basketball Coach W. H. Browne has announced that spring cage drills in preparation for the 1946 season will get underway Wednesday, April 17. The workouts are open to all candidates interested, and players should report to the varsity dressing room in the coliseum Wednesday evening at 7:30.

Fifteen evening practice sessions are scheduled, but no definite dates have been arranged, due to uncertainty as to when the coliseum floor will be available. The second workout, however, has been slated for Thursday, April 18. All practice sessions will begin at 7:30 p. m.

The spring practice period has been established to enable Coach Browne to get acquainted with the players. Fundamentals will be stressed, to provide a foundation for next season's quintet.

## Softball Entries Due This Week

All independents and returned veterans desiring to form teams for the coming softball leagues should file their entries at the intramural office in the coliseum immediately.

Play begins on Monday, April 22, and will continue for three

## INTRAMURALS

All organizations and individuals on the campus desiring to enter the All-University tennis doubles tournament must do so at the intramural headquarters, Room 207, in the coliseum, not later than Wednesday evening, April 17, at 5:00, according to the intramural office.

Pairings Announced Thursday. Tourney Director Lou Means will announce all pairings on Thursday morning, and the complete drawings as well as deadlines for each round will be posted on the intramural bulletin board in the coliseum lobby on Thursday morning.

All organizations must have two teams entered to qualify for participation points, although any group may enter as many as four teams in the competition.

There are no previous tennis doubles champions in intramural ranks, and the winners' names will be inscribed on a suitable plaque in the coliseum at the conclusion of the tourney.

In last fall's intramural tennis singles tourney the individual crown went to Dick Miller, with Beta Theta Pi winning team honors.

The intramural office emphasizes that this tourney is open to all men on the campus, and unaffiliated men are urged to enter.

weeks, with an all-university playoff of league champions tentatively planned at the end of league play.

## Louis E. Means To Speak Tonight At Sidney Banquet

Louis E. Means, director of student physical welfare, will be the principal speaker at an athletic banquet at Sidney, Nebraska, tonight.

During his tour in the western part of the state Means spoke at a civic and athletic banquet at Chadron Monday night, and is studying the physical education programs being offered in state high schools.
