

Sixteen Trackmen To Compete at Drake

University of Nebraska track and field performers will compete in one of the outstanding relay carnivals in the nation this weekend when they see action in the 37th annual Drake Relays at Des Moines.

Prelims Friday.

Husker Coach Ed Weir has named 23 thinclads for the meet which will begin on Friday and swing into high gear Saturday. The opening day will be given over to preliminaries, plus finals in the distance medley relay, the broad jump and discus.

Heading the Nebraska contingent is the distance medley relay team which took first place in the Kansas Relays last Saturday. Harvey Stroud, Blaine Young, Dean Kratz and Bobby Ginn stepped off the two and a half miles in 10:30.2 at Lawrence to edge the Drake University quartet. This event will be held Friday afternoon.

Two other Husker relay teams will also go to the post this weekend. A combination composed of Bill Moorhouse, Al Brown, Fritz Ware and Stroud is slated for duty in the one mile relay, while Phil Myers, Young, Kratz and Ginn will compete in the two mile relay.

In individual events the Nebraska entries are paced by Herb Grote, Kansas Relays javelin champion and Dick Miller, Fairbury pole vaulter, who tied for second in the K.U. carnival. Miller could go no higher than 12 feet 6 inches last week, but vaulted a foot higher during the indoor season.

Norval Barker, who placed fourth in the 22 yard low hurdles in last years' meet, and Ralph King, Waterloo timber topper, will run in the 120 yard high hurdles. Fritz Ware, Omaha freshman, will round out the list of cinder competitors, as he is among the 100 yard dash entrants. Friday Ware will see action in the broad jump.

Field Events.

In the field events Weir is counting on Grote in the javelin, as well as Ned Nutzman in the shot put. The Nebraska weight artist heaved the iron ball over 47 feet in the Big Six indoor meet to take first place, but has failed

thorities as set forth by Colonel Murphy of the university faculty, we do hereby officially approve and commend these men in their efforts.

"However, we feel that this problem is also in part, the responsibility of civic leaders of Lincoln, Nebraska; namely, large real estate dealers, construction companies, veteran organizations, all city officers of political or non-political influence, the Chamber of Commerce, the churches of this city, and in fact, all civic-minded bodies in whatever form.

Lip Service.

"We feel and will assume that these groups have paid lip service to the fight to whip this major problem until they show concrete evidence of real effort, producing real results. Most of all, we emphatically condemn them for not demanding immediate action from their elected representatives.

"We hereby call on the citizens of Lincoln and all people who may read or hear this to demand immediate action on this problem, bringing results which will fill the need. We pledge our active cooperation with any organization attempting to solve this problem."

Next meeting of the Veterans' Organization will be held Tuesday, April 30, at 7:15 p. m. in the Union ballroom.
