

Ah! Fraternity Life, Full of Vigor, Brought on by Orange Pekoe That Is

BY JAN SOUICK.

Dixie cups come and dixie cups go but lolly pops last forever. So duz all 42 inches of Dick (toothless) Freethey's waistline. Dear NRO Freethey; in spite of the fact that u are biggern me and are jealous of my 41 inch waist line and full set of mastigators, I will tell u about the Du Darry Success course.

You can lose 10 minims annually if you cut your forestry labs to 12 instead of 13 mugs (orange pekoe, I tellu, orange pekoe). Since u will draw and quarter me any way I might ask what induced u and Tom Blumgren to become Indian snake charmer and reptile respectively the other night? (Orange pekoe I tell u, orange pekoe).

Now that we are full of orange pekoe, prunes and baloney—we will advance to the Sig Ep house where the wearers of the heart are not full of anything but convulsions and flu. England's Eaton with the traditional baked potato was never like this—only colic to worry 'bout then.

Water, water everywhere and

the Beta house is the scene of cascading waterfalls. Water fights and wars start this way! "Flick water at me, eh?" "Like a glass-ful?" "How's a bucket?" "Where's the garden hose?"

The Beta house is now replacing the coliseum pool in swimming popularity.

A pledge assuming the role of the state capital sower only at the lower altitude of the Phi Gam yard. Thar he stands, his size 13's planted firmly in Phi Gam mud while firmly planting blue grass seed. Oh, but honey, you-all looked so cute! All of you!

Sigma Nu's Bob Holman and Dale Hanway pinned Alpha Chi's Shirley Staats and Joyce Smith respectively. Now children that was a normal occurrence but every fly boy, Mac and Doc in the Sig Nu castle was frustrated because no candy was passed, no coeds were kissed and cigars, the only compensation. Soooo—the question of the month is, have u seen Bob and Dale—they look so beat.

Rumor has it that DU Wayne Deming displayed his Charles

Atlas training by singularly constructing the lawn dance platform. Quote modest, shy, retiring Wayne, "No one else could do it." Three days ago, on his birthday, Mr. Deming disappeared. Where or how his soul and body have gone is a DU mystery. Return promises a tubbing.

All I have to say is, Smoz ka pop.

French Movies To Be Screened Tuesday in Union

"La Kermess Heroique" (Carnival in Flanders), French movie shown at the university two years ago, will be screened three times Tuesday in the Union. Dr. Joseph E. Alexis, chairman of the modern language department announced.

First showing will be at 4 p. m., followed by one at 7 and one at 8:40 p. m.

The setting of the picture is historically accurate and extremely picturesque, according to

Dr. Alexis. It concerns the Bourgomaster who decides to play dead in the Flemish town of Boom when he learns that the soldiers of the Spanish duke are to be quartered in it.

'Elijah' . . .

(Continued from Page 2). phony, Violin Concerto in E minor, "Ruy Blas" Overture, the symphony-canata "Hymn of Praise," which was performed by the Choral Union last year, and many of his "Songs Without Words."

Soloists for the Sunday performance, which will be directed by Arthur Westbrook, include

Fanabel Tripp, Mary Berner, and Joyce Stuve; and Cleve Genzlinger, and Floyd Hanson.
