

Ragged Edges

BY PAT GILIGAN

What with plans and preparation for the annual Rag-Corn-husker picnic, which is about to commence, going on all about us, thoughts don't come easily. To add to the tribulations of a news seeker, when asked if he knew anything "Hot" (meaning news), Dick Hunter replied, "No—if I did I'd take her out." And so it goes!

Friday night, when Glenn Miller's band rolls in to the Coliseum, Marge Heyn will be down from Omaha to attend with Perry Fuller, while Bob Harse has imported his fiance, Marilyn Casler, to show off at the dance. Understand she is something to show off, too. Big Jack Dedrick is sticking to campus talent—namely Petie Hughes—quite a steady deal. Incidentally, the afore-mentioned Dick Hunter finds something in Polly Peterson, former NU girl, coming from Iowa to attend.

Plantation Party.

Saturday night is the Phi Psi "Plantation Party"—making use of their excellent setting—with chicken dinner, outside dance floor, and all the trimmings. Coming down from Omaha med school for the party is one of the elder brothers, Mac Byers, who is bringing Jean Rogers with him. Another Omaha girl attending is Marilyn Edwards with Rod Morismith. Turning up with Joan Farrar will be Dick Kruse—recovering quickly from his recent break with sister, Sally O'Shea. This promises to be some party.

Jean Milton was finally repaid for her loyalty to Frank Gerould, during his long overseas term, when he recently returned and tied things up Sunday with the presentation of the jewel that glisters.

Suffering a narrow escape Tuesday night were Griff Jones and Jean O'Neal (at least so Jean thought), when old flame, Bob Thurman, unexpectedly dropped in at the Alpha Phi house inquiring about her. Little did he know that Griff and Jean were huddled in the secluded shadows of the porch.

On the Docket.

On the docket for Saturday night is the Kappa formal with sisters, Martha Atkin and Nancy Lawlor, escorting brothers (in a real sense) Paul and Tom Hyland. Carrying on their steady romance at the dance will be Jerry Roberts and Marge Barney. We hope to see this couple progress.

Taking advantage of their big lawn and grill, the Alpha Phis will treat their dates to an informal picnic Sunday night.

comedy he replies: "My humor comes from the unexpected. I announce that I am going to play the Minute Waltz, which is the first piece of music I ever learned. I say my sister taught it to me, that she is a brilliant musician and my favorite sister. Then I stop. I can't remember her name.

"It's really not funny. It's a shock, a contradiction. After all, what is a caricature? It is like a person, but unlike him at the same time. It is a paradox."
