

Husker Baseballers Split Doubleheader

Nebraska baseballers split a doubleheader at Iowa State Saturday after Friday's game was postponed because of wet grounds.

The Huskers dropped the first game 6-5, but captured the second contest 7-4, bunching seven runs in the first and fifth innings to spell defeat for the Cyclones.

In the first game, Iowa State picked up six runs in the last three innings of the seven-inning game. Two runs in the last inning enabled the Cyclones to momentarily gain possession of undisputed second place in the Big Six standings with a 5-2 record. However, the second game defeat moved the Cyclones to third and leaves the Huskers in fourth place with five wins and five losses.

Nebraska picked up a cluster of four runs in the opening inning of the second contest to give Jim Sandstedt a good working margin, and he kept the situation well under control thereafter, despite a home run and triple by Ed Faunce of Iowa State.

The Huskers were guilty of only two errors in both games, while the Iowans committed a total of six misplays.

Phog Allen Resigns As Phys Ed Head

Kansas university announced Saturday that Dr. Forrest C. (Phog) Allen will relinquish his duties as head of the department of physical education to devote full time to coaching basketball.

Henry Shenk, physical education professor since 1941, was named to succeed Allen.

Allen has been basketball coach at KU since 1919, and his teams have won national fame consistently.

The seventeenth annual Big Six track and field championships are the event of the week at Memorial stadium Saturday with Oklahoma, Kansas and Iowa State cinder squads competing.

McCook Wins Class A Title In State Meet

McCook, Central City, Bassett and Talmage took team championships in the 44th annual running of the state high school track and field carnival which wound up Saturday at Memorial Stadium before a crowd of approximately five thousand fans.

One New Record.

One new record was established during the day's running, when Bob Berkshire of Omaha Benson sailed over the high hurdles in :14.6 to better the old record of :14.9 set in 1943 by Norval Barker of Aurora. Leo McKillip of McCook, who ran second to Berkshire in the race was also under the old record with a time of :14.8.

McKillip, although winning only the broad jump, paced the McCook squad to the Class A championship. In addition to his jump, Leo was second in the high hurdles, second in the 220 yard dash and ran a fast anchor leg on the Bison's winning relay team.

Another outstanding performer was big Don Vollertsen of Talmage, who sparked his team to a repeat team triumph in Class D. The husky athlete won the 440 in :51.7, the best time recorded in the meet, and also took first in the 220 with a time of :22.8 which was just a tenth of a second of Leonard Kroll's gold medal performance in Class A.

Jim Martin of Benson won as expected in the Class A 880 yard run, but not without stiff competition from Johansen of North Platte and Polly of Kearney. His time was 2:04.2, good enough for gold medal honors, but not close to the existing state record held by Bobby Ginn.

Vaulter Top 12 Feet.

A pair of Class A pole vaulters cleared 12 feet to tie for first place in this event. Leonard Kehl of Scottsbluff, who was the defending gold medal winner, and Danny Pepler of McCook both soared over the bar at 12 even, but neither could conquer the 12 feet 3 inch height.

Ed Weir's varsity runners also got to compete, and two relay

teams ran a special medley race which ended in a dead heat between anchor men Dean Kratz and Bobby Ginn. The time for their mile leg was announced as 4:36.1, but no overall clocking was released. Al Brown and Blaine Young ran 880 legs in the race, while Fritz Ware and Harvey Stroud led off with quarter mile sprints.

BEST PERFORMANCES.

100 yard dash—Frank Woofers, Broken Bow, :16.3.
220 yard dash—Leonard Kroll, Boys Town, :22.7.
440 yard dash—Don Vollertsen, Talmage, :51.7.
880 yard run—Jim Martin, Omaha Benson, 2:04.2.
Mile run—Marvin Zimmerman, Nebraska City, 4:44.6.
120 yard high hurdles—Bob Berkshire, Benson, :14.6 (new record)
220 yard low hurdles—Bob Berkshire, Benson, :23.2.
Shot put—Fritz Davis, Northeast, 48 feet 8 inches.
Discus—Fritz Davis, Northeast, 143 feet 10 1/2 inches.
Pole vault—Leonard Kehl, Scottsbluff and Pepler, McCook, 12 feet.
Broad jump—Leo McKillip, McCook and Ron Henk, Central City, 20 feet 9 1/4 inches.
High jump—Fred Ruff, Scottsbluff, 6 feet 1 1/4 inches.

K-State Takes Action On Big Six Question

In a vote taken yesterday at an all-college assembly at Kansas State college, students moved to ask faculty representatives of Big Six schools to abolish a so-called gentleman's agreement barring Negro students from participation in conference athletics.

The all-college assembly was called by the student governing association, following discussion of the subject during the past few weeks.

Round, Bogan, Hice To Head Kearney Discussion Clinic

George Round, Paul Bogen and William Hice will lead discussion groups at the Nebraska broadcasters association radio news clinic to be held in Kearney yesterday.

Big 6 Track Meet To Be One-day Affair This Year

The Big Six track and field championships in Lincoln this week will be a one-day carnival, according to latest word from Husker track coach Ed Weir. Preliminary events will be run off Saturday morning instead of Friday afternoon, as had been contemplated for a time.

Interference with final exams at some schools caused conference coaches to telescope the competition into one day of intensive action, with finals in all events scheduled for Saturday, May 18.

Keen competition is expected in the battle for the team title, for Kansas, Oklahoma, Missouri and Iowa State in addition to the Scarlet thinclads could walk off with the Big Six championship.

MAGEE'S

There's a reason why MORE PEOPLE are buying Fairmont's Homo Milk

The improved flavor, and the richer, creamier taste which everybody likes so well is the result of Homogenization. Homogenization breaks up the large milk fat globules which are suspended in ordinary milk and evenly distributes them throughout the whole bottle of milk, thus giving every ounce an equal share of cream — nothing has been added and nothing taken away. More and more people like this better milk and are buying it because it is the best for drinking and for cooking.

*HOMOGENIZED

Fairmont's Homogenized Milk tastes better. It is carefully Homogenized by skilled dairy-men, using the most modern equipment.
