## Frosh Crop Boosts UN Track Hopes

The University of Nebraska track prospects are looking up, Ed Weir declared after checking the list of freshmen and veterans.

The Cornhusker track coach said his list was not complete and that many others likely would bolster Nebraska hopes for an indoor and outdoor championship this winter and spring.

Among the athletes who will report for the first time are Bob Schriener, Hastings sprinter, and Don Vollertsen of Talmage, who has been called a "second Lloyd Cardwell."

Monte Kinder, Cambridge high jumper, has a mark of six feet, six inches to his credit. He cleared this height while jumping for Kearney State Teachers in the Texas Relays.

Jim Martin, Omaha Benson's state champion half-miler, and Glenn Johansen, North Platte, top half-miler in Western Nebraska, are also enrolled.

Bob Berkshire, Omaha Benson, Gold Medal winner in the high and low hurdles at the 1946 high school championships, is here.

### More Newcomers.

Other newcomers include: Hugh Ackerman, Lynn Center, Ill., weights; Bill Brandorff, Talmage, sprints; Don Cooper, York, pole vault; Francis Fagot, Lexington; Herb Gish, jr., hurdler; Loyal Hurlbert, Ord, quartermile; Paul Johnde, Grand Island, distances; Willis Jones, Minden, hurdles; Harold Kopf, Lexington, quarter-mile, and broad jump.

### Returning Members.

From last year's squad which lost the Big Six title to the University of Kansas in a thrilling relay, these athletes will be back: Norval Barker, Aurora; Al Brown, Lincoln; Warren Eisen-

hart, Culbertson; Maurice-Fitzgerald, Rapid City, S. D.; Bob Ginn, Madison; Herb Grote, Omaha; Leonard Hand, Fairbury; Dick Hutton, Auburn; Ralph King, Waterloo; Dick Miller, Fairbury; Bill Moorhouse, Chicago; Phil Myers, Nelson.

Joe Pappas, Bridgeport; Wayne Roads, Scottsbluff; Harvey Stroud, North Platte; Fritz Ware, Omaha; Blaine Young, North Platte.

## General Ducats Not Available For KS Game

No general admission section will be possible for the Kansas State-Nebraska game which opens the Cornhusker home season Oct. 5.

This announcement was made today by Athletic Director A. J. Lewandowski. Reserved seat tickets only will be on sale the day of the game in both the east and west stadium, he said. These are available now if ordered from the Coliseum Ticket Office.

### Knothole Clubs.

Advance sale of tickets and the decision to take care of the Knothole clubs both boys and girls, in the bleachers at the ends of the field, eliminated the general admission section, Mr. Lewandowski said.

"Many persons who have requested tickets for individual games are concerned over not having received them," Mr. Lewandowski said.

"These tickets cannot be mailed now as the season book sale is still in progress. As soon as the season book sale ends September 26, these individual game tickets will be mailed to those who have paid for them. Others who have not paid will be notified so they can remit and tickets will then be mailed to them."

Tickets to the Kansas State-Nebraska game will go on sale at the Coliseum Ticket Office Monday morning, September 30.

These tickets will also be on sale at Latsch Bros., in Lincoln and at the Beaton Drug Store, Fifteenth and Farnam Streets, Omaha. The price is \$2.75 which includes tax.

No orders will be accepted unless accompanied by money to cover the number of tickets requested.

## IM Meeting

All men's organizations interested in competing in the intramural program for the coming year should be certain to have representatives at the preliminary meeting which will be held Monday afternoon at 5:00 in the N room in the coliseum.

At this time complete plans for the year will be discussed and organization of the intramural setup perfected, according to L. E. Means, director of student physical welfare.

## Omaha Tech Wins State High School Swimming Crown

Omaha Tech won the state high school swimming championship Saturday by outscoring Lincoln high 68 to 53 as these two schools were far ahead of the other four entries.

The meet was held in the varsity pool at the coliseum, and was directed by Hollie Lepley, Husker swimming coach, assisted by Ed Higginbotham of the physical education department.

Ted Kanamine of Omaha Tech was the only double winner as he captured first places in the 50 and 100 yard free style events. Scoring:

Omaha Tech	68
Lincoln	53
Boys Town	14
Omaha South	6
Hastings	3
Wilber failed to score.	

## WOW To Carry All Husker Games

Cornhusker football fans will be delighted to know that Tom Dailey, well known sportscaster, will take the WOW microphone to all of Nebraska university's grid tilts against this year. This will include both the games being played at home and away.

The first game of the Cornhusker season will be on Saturday, Sept. 28, when Masterson's boys meet Minnesota. Dailey will originate the play by play description of the game from Minneapolis.

Students interested in reporting for the Daily Nebraskan may come to the Union basement Monday afternoon, according to Phyllis Teagarden, editor.

# HUSKER HIGHLIGHTS

By George Miller

Regular right half Cletus Fischer missed yesterday's scrimmage session due to registration troubles so Bill Moomey moved up to take over his birth with the first team.

Speedy Dick Hutton was removed from the action early in the afternoon with a muscle injury. Hutton did not seem to be seriously hurt, but Coach Bernie Masterson was taking no chances with the elusive halfback who adds a deceptive change of pace to the dazzling speed he possesses.

After yesterday's scrimmage it has been definitely proven that the Husker varsity outfits are superior to the Nubbins for the 35-0 score was the second lopsided decision the red shirts have turned in. On Wednesday the varsity marked up a 46-7 win.

One of the most glue-fingered lads on the squad is Alex Cochran of Ord. The 170 pound wingman came up with a couple of fine catches during the afternoon just as he has throughout the earlier September drills.

The tie scores which occurred when the No. 1 team played the No. 3 outfit and when the No. 2 and No. 4 teams clashed indicate the all out efforts of every varsity performer to win a place on that Minnesota traveling squad.

A goodly number of students were on hand for the scrimmage, one of the first for which the gates were open. Advance plans indicate that a sizable delegation of UN students will also be on hand at Minneapolis for the season's opener next Saturday.

Even though they do not make the varsity squad, Nubbins players will get plenty of outside competition this season. They open their season next Friday, September 27, against the Iowa State B team here in Lincoln.

Other tilts include two with Kansas State, one with Kansas,

one with Midland College and one with Norfolk Junior College.

Coach Ed Weir's two mile team will be the first University of Nebraska squad to go into action against a Minnesota foe next Saturday. The harriers will face the Minnesota team at 10:30 a. m., over the Gopher cinder track.

With all four members of last year's team gone, Weir has had to look for new material. Bobby Cinn and Okie Young were two outstanding prospects, so these trackmen along with Phil Meyers of Nelson and either Jim Martin of Omaha Benson or Don Thiel of Oshkosh will compose the Nebraska delegation this weekend.
