

Ragged Edges

BY ELLIE SWANSON

With secret little plans taking place behind closed doors, the campus is preparing to blossom out in full glory come Friday. The whole week end will be so packed with activities that everything will have to take a back seat to fun.

Before venturing into the big plans coming up, it might be well to mention T. Dorsey's concert Monday night. The only complaint of most of the people who attended is that they could hardly refrain from dancing. A few seen among the mob were Nancy King and Mary Bowhay, Bobbie Bush and Fred Sidles, Don Grube and Ann Robinson and Patsy Krause and Gene Dilldine. The Phi Delt's had the honor of listening to Tommie Wright (guest pianist) at their house afterwards doing a repeat of his feature of the program, "Rhapsody in Blue."

Bixby to Iowa.

A few of our students will desert the campus next week end for other places. Joan Bixby will take off to Spencer, Ia., to see her man, who must be pretty important to take her from the big celebrations. Joanie Vingers with Normie Williams and Nancy Watkins and Si Margueson will take off to Omaha for a wedding... specified not their own, although Joanie and Normie have been looking quite serious for some time.

The Beta pledges are inaugurating an old custom not practiced for a long time. They are having a Tea Dance with the Gamma Phi pledges, which sounds like lots of fun.

Rumor has it that Bev Engdahl has called it a steady deal with Don Waite while, if it's true, what's to become of poor Bill Tyson? On the opposite side of the fence is Mary Ann Meyer, who seems to be minus a certain fraternity pin.

Friday night will find some peo-

ple doing nothing in particular while waiting for the big night Saturday. John Ayers will be with Barbie Wentz and B. J. Olson with Bill Siebolt. Jackie Tobin will be with her week end visitor, Bud Douthit, which means they will be together at the Homecoming Dance, too.

As for the Homecoming dance, it is promised by those who really know to be one of the best in our history. Marg Sturm will be with Orville Chatt, Joe Loisel with Sally Stebbins and Anne Whitham with Arleigh Batson. Rod Lindwall will have the honor of entertaining his high school steady who is now at Stephens... Sue Kelly. Coming with Sue will be Dorothy Kent, who has a date with Bill Boydsten. While Phyllis Teagarden and Jack Hill of the Daily Nebraskan will be among the throng.

Federalists Meet, Draft Constitution

The constitution committee of the Student Federalists met last night in the Union and prepared a constitution to be presented to the main group for ratification at the regular meeting on Thursday. If the document is ratified, it will then be referred to the Student Council for approval.

Herbert Rohde will lead a discussion on the subject "Federal Principles in History" at the meeting Thursday, according to Herman Turk, acting chairman of Student Federalists.

Uclan-Husker Ticket Blanks Available Now

Tickets to the UCLA-UN game on November 30 are selling fast, and any Nebraskans planning to attend should order their tickets as soon as possible, according to Bill Ungies of Los Angeles, chairman of the committee in charge.

Application blanks for tickets are available in the Athletic office at the coliseum, and anyone wishing to attend the game will be given a blank upon request. However, the blanks are filled out and sent by the individual applicant, and the Athletic office, by necessity, can offer no service in acquiring tickets.

Alums.

Both students and alums should place orders for tickets at once, if they wish to sit in the Nebraska section, Ungies said.

On Friday evening, November 29, a pre-game jubilee is being staged at Earl Carroll's theater for as many as 1,160 visiting and California resident Nebraskans. An informal affair, the party will start with a kick-off sports huddle at 7 p. m., followed by dinner at 8 and the Earl Carroll show.

Reservations for the party are \$5.50 each and should be sent at once to Louis Frost, treasurer of the Los Angeles Alumni Club, 756 South Broadway, Los Angeles, California.
