

Football . . .

(Continued from Page 1.)
spitting distance of the Cyclone goal.

The first quarter was only 45 seconds from completion when Metheny crossed the double stripe for the initial Nebraska counter, carrying the ball from the one and one-half yard line.

Vern Stiner gave the Huskers the opportunity when he blocked Ron Norman's punt on the Cyclone 38. Wally Hopp fell on the ball on the 44, and the Nebraska outfit moved down the field without interruption. A pass from Metheny to Hutton which ate up 14 yards was the big gain in the advance which saw Moomey, Hopp and Hutton alternate at battering the Cyclone defense.

Sam Vacanti's kick was no good and Nebraska sported a six point edge at the close of the first period.

A fumble recovery and a pass interception set up the Huskers' second quarter markers. End Willard Bunker was too quick for the Iowa State backs as he broke through from his defensive position to fall on a lateral which Don Laun dropped after Ron Norman had lobbed the ball to him. This recovery occurred on the 4 yard line and three plays later Jim Myers blasted off left tackle for the touchdown.

This time Vacanti was successful with his placement attempt which boosted the score to 13 with three minutes gone in the second quarter.

Pass Interception.

Gerry Moore, appearing for more than a brief stay for the first time in several weeks, swiped a Norman pass on the Iowa State 28 to give the Scarlet footballers another shot at paydirt.

After the ball was moved to the 4, Vacanti entered the game and on the second play after his arrival, Sam found Alex Cochrane alone in the end zone with a scoring pass. The kick was no good and the Huskers had just enough time left to kick off before the half ended.

Iowa State was at its best in the third quarter as Norman directed an advance from the 20 yard line to the Nebraska 40 before a fumble on an attempted pass gave the Huskers the ball.

Before this spurt the well-rested Nebraskans, making their first start since November 2, had added another touchdown largely through the efforts of Bill Moomey.

The speedy York halfback had skidded through the Iowa State line and broke loose for 61 yards before Ray DeBecker ended the jaunt on the 5. Two lunges by Myers moved the ball to the one foot line and from here Metheny tallied on a quarterback sneak. Vacanti's kick was no good.

Two sustained Husker drives produced only one touchdown in the fourth quarter, as the Cyclones held for downs on their 8 yard stripe early in the period.

Pat Rooney, Roy Long and Gerry Moore were doing most of the work in the closing drive which ended when Quarterback Dick Thompson snapped a flat pass to Roy Long who circled the Cyclone left end to score from the 3 yard line.

This time it was Moore who contributed the extra point to close the scoring for the afternoon.

Fine Punting.

In sharp contrast to earlier games, the Nebraska punting was fine. Jim Myers put the Iowans in a hole early in the second quarter with a 65 yard quick kick which rolled dead on the Cyclone 13. He averaged 51 yards on three boots while Roy Long kicked twice and had a 43 yard average.

Nebraska opened the game with a march from their own 30 to the Iowa State 14 before the Ames players could get their defense set, to indicate the trend of things to come.

Game Captain Wilkins. Center Joe Partington and End Bunker played bang-up defensive ball for the Huskers and the entire line was able to open gaps in the Cyclone forward wall to enable the speedy back to get moving.

Chauncel and Norman were the mainstays for Iowa State, along with Fred Schneider and Don Seibold.

Husker second stringers got plenty of action, and End Jim McWilliams, who moved up to the varsity from the Nubbins late this week, was a pleasant surprise.

Two rough opponents are left on the Nebraska schedule, as the Huskers travel to Oklahoma for a crucial Big Six tilt next week and then keep on going to the coast for the final game of the campaign with UCLA, Lineups:

Two Mile Race Won by Husker In Big 6 Event

NORMAN, Okl.—Nebraska's two milers wound up fourth in the Big Six championship two-mile race here Saturday, despite the fact that Husker Bobby Ginn broke the tape in 9 minutes 48.5 seconds to win the event.

A flock of Oklahoma thinclads decisively won the conference championship between halves of the Oklahoma-Missouri football game.

Closing their all-victorious season, Coach John Jacobs' Sooners were first with a low of 44 points followed by Kansas State 63, Missouri 65, Nebraska 78, Kansas 104 and Iowa State 113.

Fifty Players On Cage Squad

Fifty cagers remain on the University of Nebraska basketball squad as Coach Harry Good drills the Scarlet players for the opening game against South Dakota on December 4.

Players on the squad are: Kenneth Anderson, Lupe Arenas, Bernie Bieterman, Don Bauer, Harry Breetzke, Joe Brown, Doyle Busskohl, Bob Crev, Bruce Cottingham, Rod Cox, Don Davis, Jack Dedrick, Bill Denker.

Paul Dietrich, Dan Dufphey, Don Duncan, Ken Hollins, Robert Jensen, Matt Keating, Al Kirlin, Bob Korte, Vaughn Kostielny, Anton Lawry, Gayle Lebsack, Dale Livingston, Joe Loisel, Don McArthur, Bob Meand, Harry Meginnis, Neal Mosser, Bob Noel, Claude Retherford.

Don Rice, Robert Robinson, Wm. Saler, Jim Sandstedt, Dick Schleiger, Paul Shields, Fred Simpson, Richard Srb, Jim Swanson, James Van Burgh, Bill Wenke, Milt Whitehead, Melvin Williams, Hubert Winter, Waldo Winter, Thurman Wright and Don Waite.

YW Sponsors Social Work At Hospital

Supervising recreation for patients at the State Hospital is one of the projects chosen by several members of an advanced social work group of the YWCA.

State appropriations for the hospital are not sufficient to hire the trained help necessary to supervise occupational therapy for men. There are very few male occupational therapists, and Nebraska is not able to pay high enough salaries to draw them here.

Recreational facilities at the hospital consist of three ping-pong tables, two modern pool tables, a shuffleboard court, duck pins, a piano and other table games. All this equipment has not been used for several months because the hospital staff is not adequate to take care of recreation. Recreational therapists need no special training, however, and the work can well be handled by students such as those assisting under the YW program.

Idle Patients. Last Thursday when patients were taken to the recreation hall, the assistants walked into the sun room of one of the wards where approximately twenty men were sitting in chairs placed around the walls. Just sitting. The faces of these patients lighted up when they saw the girls who were to help entertain them for the afternoon, and those closed by the ward supervisor to go to the recreation rooms were anxious to go on their way. As the chosen patients left, one of the men said wistfully, "I wish we could get out doors more often."

Mental Condition. Although all of the men seemed to enjoy the various games, some were proficient while others lacked co-ordination. Nurses reported that this is indicative of the condition of their minds.

One little old man sat down at the piano immediately and did not leave it all afternoon. He played old-time songs such as "Dark Town Strutters Ball."

When it came time for the volunteer workers to leave, patients were anxious to know when they would return.

Eight Matmen Join Scarlet Wrestle Squad

With a week of conditioning under their belts, Coach Jerry Adam's wrestlers are beginning to shape up. Eight new men were added to the squad during the past week and it has prospects of growing even larger.

Warren Jaffrey, letter winner at Northwestern and undefeated in Big Ten competition will apply his talents in the 128 or 136 pound division. Mort Tracktenberg and Jack Tilton, both former pre-flight men have checked out equipment and are working out.

Mike Ueoka from Hawaii, a 1941 squad member, is leveling his sights on the 121 pound position. Other bonebenders added to the squad the past week include Howard Crom from Wheaton College, Marlen Watt, Harvey West, and Andy Marinkovich from Omaha South.

Sixty Entries.

Sixty entries have been received for the all-university wrestling tournament, which is less than three weeks distant. Coach Adam is hoping that this figure will at least double because this tournament will serve as a yard stick to measure the abilities of the aspirants as well as to determine his squad member in the future. Many positions on the team are wide open and those who are interested should report to Adam as soon as possible.

Rain Brings Halt To Frosh-Nubbins Grid Encounter

A slow, soaking drizzle caused cancellation of Friday's scheduled game between the Nebraska B team and the freshman.

The fray was to be a return engagement between the two teams, and was to serve as a warmup for the Nubbins before they close their season next Friday at Midland College.

Due to the numerous injuries on the varsity squad, Bernie Masteron has elevated several of the Nubbins to the first team in an effort to strengthen the weakened positions.

Jerry Jacupke, Fremont guard who started the season on the varsity team, Oscar Mussman, elongated tackle, Ralph Damkroger, Scottsbluff end, were in suit for the Iowa State game Saturday.

Sig Alphas Win Table Tennis Match

Sigma Alpha Epsilon defeated Phi Delta Theta in intramural table tennis play Tuesday night, by a 4-1 margin. Cady registered the lone win for the Phi Deltas. Other results: Diers, SAE, defeated Browlee, PDT; Garey, SAE, defeated Olson, PDT; Murray, SAE, defeated Meier, PDT; and Swanson, SAE, defeated Zerzon, PDT.

Delt Pledges Win

The Delta Tau Delta pledges won possession of a temporary traveling trophy by defeating the Sigma Alpha Epsilon pledges 6-0 in a touch football game. A 30-yard pass produced the winning score.

Kansas university claims the lightest line in major college football circles. The Jayhawk front line averages 185.5 pounds per man.
