

Announcement was made this week of the engagement and approaching marriage of Miss Sally White, daughter of Mr. and Mrs. Walter William White of Lincoln, to Robert Grainger, son of Mr. and Mrs. Joseph Leslie Grainger of Salinas, Calif. The couple plans to be married in February. Miss White, who will be graduated from the university in January, is a member of Alpha Chi Omega and Phi Lambda Theta. She served as a countess in the Ak-Sar-Ben court of 1946. Mr. Grainger attended Stanford, where he was a member of Sigma Chi. During the war, he served as a B-29 pilot with the army air force in the South Pacific.

Ernest Ulmer Presents Grad Piano Recital

Presenting the first of the three graduate recitals scheduled for the semester, Ernest Ulmer will be heard in a program of piano music tomorrow at 7:30 p. m. in Temple theater. Discharged from the army in January of this year, Ulmer studied at Trinity college of music in London under the army training in civilian institution agency's program.

At Trinity he studied piano, organ, and counterpoint. "But mostly I played piano and went to lots of concerts!" Ulmer said yesterday. It was there in London that Ulmer met the Russian composer Medtner, two of whose compositions Ulmer will include on his Monday night program.

Own Composition.

Of special interest, however, is Ulmer's own composition, "Sonata in C Minor," which forms the bulk of his graduate thesis-requirement. Written in August of this summer, the sonata is cast in the conventional three-movement form. It is the first writing he has done since 1942 when his short piano piece, named "Canary With Hot Water Bottle" by Myron Roberts, was received with some favor in Lincoln.

The program, which is open without charge to the general public, is listed as follows:

- Prelude and Fugue in B flat Minor, Bach
- Sonata, Op. 10, No. 3..... Beethoven
- Presto
- Largo e mesto
- Meno mosso
- Allegro
- Intermezzo in E flat Minor..... Brahms
- Tocatta..... Schumann
- Sonata in C Minor..... Ulmer
- Allegro marcato
- Andante sostenuto
- Presto (Tocatta)..... Medtner
- Fairy Tale in E Minor..... Medtner
- Etude-Tableau in E flat..... Rachmaninoff

Personally Speaking

Yesterday morning when we were awakened, as usual, by the dreaded ring of our persistent alarm clock, we heard the birds twittering happily in the trees just outside just as Friday's editorial hoped they would.

If sorority girls are doing same, we do not know, but after seeing Friday night's Kosmet Klub Revue we are convinced that they have reason enough for chirping "at the successful end of a successful revue."

The winners deserve hearty congratulations for their excellent skits. To see the ATO pony line was worth the price of admission itself, and we howled long and loudly at the sorority candidates for P U (Prairie University) beauty queen in the Phi Gam act. "Sweater Girl" Bob Orr and "Look what they've doneto me" Gerry Johnston were nothing less than terrific as was "Dean of Women" Bob Jordan.

As proof that the Sigma Nus have a great abundance of talent, "Supper Club" offered a variety of entertainment that approached a near professional quality in dance, song and Boogie Woogie rendered by a German-accented maestro of the keyboard.

These were the winners, but there were other good acts not to be overlooked. One of these was the final skit presented by the Sigma Chis that brought to the boards of the coliseum a versatile male choir and swing band, rendering both jive and melodious ballads. In an impressive finale on a darkened stage, the band and choir blended together in the ever-popular "Sweetheart of Sigma Chi" with only the phosphorescent gloves of the ensemble director and an illuminated Sigma Chi cross in the background visible to the audience.

Intense moments filled with anticipation and nail biting followed the final curtain as the audience along with the skit participants and candidates for Prince Kosmet and Nebraska Sweetheart speculated on who the winners would be. In short time the curtain parted revealing the entire Kosmet Klub, and John Dale, president, announced the decisions of the judges and voters.

Hats off to the new Prince Kosmet, and a sweeping bow to Nebraska Sweetheart. Your presen-

tation was worth all the intense waiting, and will recall with pleasure those moments of anticipation when we see your beaming faces in the 1947 Cornhusker.

We hope there were many, more fortunate than we, who were able to attend the Coll-Agri-Fun night. For you who attended both shows it was a grand double-feature week end, and you should go home for Thanksgiving with something to tell the folks besides the usual tales of rugged duty at UN—going to classes, studying, taking impossible exams, studying, going to classes
