All-College Group Delegates Chosen

Helen Laird, president of the Student Council, announced today the Council's decision to send three official representatives and one observer to represent the university at the Chicago Student Conference to be held December 28, 29 and 30 in Chicago. The individuals chosen to represent the student body are Don Geye, Jack Hill, and Eugene Berman. The observer will be Peter Jernberg.

In August of 1946, the World Student Conference was held at Prague to bring together representatives of 2,500,000 students from thirty-six nations for the creation of the International Union of Students.

Nine national student organizations co-operated on an American Preparatory Committee to select the twenty-five American delegates who came from the student organizations and ten strategically located universities in the United States. The American Preparatory Committee has worked with the American delegation to support this Chicago Student Conference, which will be concerned with the creation of a student organization in this country that will work with similar organizations in other nations.

7 Major Issues.

Besides the creation of a national organization, the conference will undertake a discussion on 7 major issues that face the students of today. These projects are:

1. The stimulation of active, democratic, student-controlled student governments on the campuses of colleges and universities.
2. The elimination of racial discrimination on campuses.
3. The extension of equal educational opportunities for all.
4. The advocacy of lower tuition fees and the increase of

Kosmet Klub Offers Prize For Musical

Fifty dollars will be given by Kosmet Klub to the author or authors of the best musical comedy submitted in the Klub's contest held to obtain a script for their spring show.

Kosmet President John Dale asks that everyone planning to write a manuscript for the show submit in writing a declaration of his intention. These letters are to be placed in the Kosmet Klub mailbox in the basement of the Union by Friday, Dec. 20.

Deadline.

Deadline for the entry of the manuscripts is Feb. 1. The scripts must include songs with original words and music, should include a pony chorus scene and should be adaptable for presentation by an all-male cast.

All rights to the show other than the performances by the Klub will be retained by the authors of the comedies. When the entries are judged the names of the authors will not be on the scripts.

Anyone wishing to make inquiries concerning the writing of a show may contact a Klub member or leave a note in the Kosmet mailbox, Dale said.
