How Interested Are You?

The Student Council this week announced their decision to send three official representatives and one observer to represent the university at the Chicago Student Conference to be held during the holidays.

The purpose of the conference will be the creation of a student organization in the United States which will work together with similar groups in other nations, having as their goal an International Union of Students. The purpose of the international group will be to "defend the rights and interests of students, to promote improvement in their welfare and standards of education, and to prepare them for their tasks as democratic citizens."

Major issues to be discussed at the Chicago conference, all applicable to our own campus and student body, include: the stimulation of active, democratic student-controlled student governments on the campuses of colleges and universities; elimination of racial discrimination on campuses; extension of equal educational opportunities for all.

The advocacy of lower tuition fees and increase of scholarships and government aid to qualified students; encouragement of such student-operated institutions as hostels, dormitories and dining halls; stimulation of student dramatic productions, art exhibitions, concerts and sports events; facilitation of student exchange and travel.

The student poll in today's edition will demonstrate to what extent we, as students, are interested in the purposes and goals proposed by this organization. It will further demonstrate our opinions and ideals in regard to future international co-operation and understanding.

Ragged Edges

By Ellie Swanson.

It seems as though news at this date is mainly centered on what parties who will be attending with who every night of a certain approaching vacation.

Some people are a little bewildered as to their plans as is shown by Tom Noble's recent statement . . . "I'd sure like to spend New Year's Eve with Jean Metzger in Fremont, but I don't know how to get her to ask me." Maybe this might help, Tom.

Peggy Cowles, lucky girl, leaves tonight for sunny California to spend a much longed for vacation dating a certain ensign in Long Beach. Jackie Lou Merritt will leave for Mexico Friday . . . probably for a rest.

Holiday Parties.

There will, naturally, be at least one good party a night in Omaha. One planned for the 23rd will be given by Johnny Rushton, Dick Klopp, Bill Campbell and Walt Samuelson. The place will be the Blackstone ballroom and Walt Samuelson will be with Mary Stuht and Johnny Rushton with Patsy McManus. It promises to be a big party and the boys have only one thing to say . . . "I hope we at least break even."

One new pinning of last week end was that of Paul Burden and Jan Wilson. They passed the candy Monday night as did Glendene Leonard and Gordon McKenzie at Monday night's Kernel meeting. The celebration was for a bright new diamond. From pinnings to engagements to marriage, we mustn't forget to mention the wedding of Herb Benson to Jeanne Ryan on Dec. 27.

Three Lonely Hearts.

The Lonely Hearts' club, Sid Wells, Sid Salzman and Chick Neal, can be quoted as saying that they are to give up dating college women in view of certain circumstances concerning Don Papez. It has also been heard that they can do all right on their own as of Thursday night. Guess Sid Salzman can stop flipping a coin for Shirlee Wallace or Pat Hickey. (If this is a little vague, consult one of the aforementioned.)

Cohen Announces Easterners' Club Meeting Tonight

Easterners' Club members will meet in Parlor Y of the Union this evening at 6:15 for the last regular dinner-meeting before Christmas vacation, according to Art Cohen, president of the group.

Discussion of plans of individual members to meet for an informal reunion in various sections of the country will be held.

Also to be discussed are final plans for the specially chartered "Student Special," a train running between Lincoln and Chicago at the beginning and end of the vacation. For those who are unable to attend, the business meeting will be held at 7 o'clock, following the dinner.

Argentina . . .

sketch prepared from two studies, one by the Argentine thinker, Carlos O. Bunge, and the other by Oscar R. Beltran, professor of Spanish and Spanish American literature at the Colegio Nacional Julio A. Roca.

The second part is a collection

The Ag College Christmas party will be held in the College Activities building tonight at 7:30 p. m. Included in the program are the candle lighting ceremony, vocal solos, selections from the "Messiah" by the Ag College Chorus, and audience participation in singing Christmas carols. Students and faculty, bring your friends.

Poll . . .

and programs of extended student travel. Lastly, it would achieve a far more effective participation by American students in the activities of the International Union of Students."

The group is planning to take positive action on all points where general agreement among all college students can be found and Nebraska delegates will express opinions of students on this campus.

One of the organizations to be represented at the Chicago Student Conferences are: Association of Internes and Medical Students; Intercollegiate Division, American Youth for Democracy; Hillel Foundations; National Intercollegiate Christian Council; Student Division, American Unitarian Youth; Student Federalists; United States Student Assembly; University Section, National Catholic Youth Council; and Youthbuilders. Several hundred colleges and universities will be represented. students by student exchanges

Q. How to do right by all the right guys?
A. Arrow Ties—if you're really wise!

Dad likes ties that are simple and neat
 Arrow stripes and small figures are just his meat.

Bobby wants ties that look good to the girls
 He's rather partial to plaids and swirls.

Jim likes a tie that provides some relief
 From dark winter suits—try a Bagdad Motif.

Grandpop likes color—one color per tie
 Arrow plain colors will brighten his eye.

They all like trim knotting, wrinkle-resisting, long-lived ties. Arrow makes them. We sell them. \$1 and \$1.50
