

Track Mentor Weir Pleased By Early Work

The reward for the showing made by the Cornhusker track squad in last Saturday's time trials has been more work as Coach Ed Weir makes a determined effort to round his team into tip-top shape for the opening met with Iowa State two weeks from Saturday.

Weir was fairly well pleased with the performance of several trackmen.

Especially pleasing to his eyes were the performances of Ralph King, Norval Barker, and Bob Berkshire in the hurdles. King and Barker are both previous letter winners at Nebraska, King having been the Big Six conference champion. Berkshire is the freshman hurdler from Omaha Benson who set a new record of 14:6 seconds in the state high school meet last May.

Bobby Ginn showed semblance of his old form by stepping off the mile in 4:29 without pushing himself to any extent. Ginn's best time this year was at the Sugar Bowl meet at New Orleans where he finished third in a fast 4:21 mile.

gave Nebraska the win. Each team scored 16 times from the field, but the 16 charity tosses scored by Husker players outnumbered the Jayhawk total.

Nebraska opened the game with a rush and were sporting a 17 to 14 lead with ten minutes gone in the first half. Schnellbacher and Black then collaborated to spark a five minute rally which allowed the losers to pile up a nine point lead at halftime.

Phog Absent

Black, the top Kansas scoring threat, was unable to rack up a single marker in the second half, leaving Schnellbacher to shoulder the pointmaking burden. Coach Phog Allen was missing from the Kansas bench due to an accident in practice last week when he was knocked down by a player. Assistant Coach Howard Engleman directed the Jays in his absence.

The win stamps the Huskers as a definite contender for first place honors, and increases the importance of the weekend road trip which will take the Nebraska cagers to Columbia, Mo., for a tilt with the Tigers on Saturday and to Ames for a Monday date with Iowa State. Tuesday night's box score:

a wild pass from out of bounds after the Schnellbacher bucket. Kansas took the leather but failed to connect on frenzied shots in the closing seconds.

center, who starred as a football end this fall, netted 22 tallies during the torrid struggle. Ten of Otto's markers came on free throws.

A field goal by Brown climaxed a second half drive which carried the Nebraska crew from a 10 point disadvantage to a 40-40 tie with 10 minutes left in the game.

From then on it was touch and go as both squads were guilty of poor passing and hurried shots.

Rod Cox and Otto Schnellbacher traded free throws to keep the count deadlocked at a 41-all with eight minutes to play. Retherford and Brown connected on charity tosses but KU's Jack Eskridge made good on a push shot from the deep corner to tie the score once more.

The next basket put the Huskers in front to stay, although the ball did not go through the hoop. Loisel tried a two-handed push shot from the side and Charlie Black, the agile Jayhawk forward, leaped high into the air and touched the basket as the ball was on its downward arc. Officials awarded two points to the Huskers and the Scarlet had the lead with five minutes to play.

Fouls Hurt.

During the remainder of the game three Kansas stalwarts fouled out. Guard Ray Evans was the first to go, followed by Black and Harold English, reserve guard.

Retherford caged three free throws during this time to give the Huskers a working margin. Soon afterward the peppery scorer was helped off the floor after cashing into the bass drum belonging to the UN band.

The Goodmen needed the insurance, for Schnellbacher stole the ball in the final minute of play to trim the Nebraska margin to one field goal. An earlier free throw by England was the only other tally the Jayhawks could muster in the final five minutes.

With less than 20 seconds to play the Huskers lost the ball on

Husker B Spurts To Thump Midland

By Cub Clem.

After shaking off a first half scoring drouth, the Nubbins basketball team closed fast and whipped the Midland college cagers to the tune of 32-21. The halftime score of 12-7 in favor of the Nubbins indicates the early lethargy of both clubs.

It was the fourth straight success for Coach Tom Sharpe's sharp-shooting aggregation, as Bernie Bieterman and Thurman Wright led the way.

Most of the Midland scoring came on free throws, as the visitors sunk 1 out of 16 charity tosses. Unfortunately, they couldn't match this in field goals, potting only five.

The Nubbins scoring was spread pretty evenly among five or six men in the first half, but after the intermission the squad, with Vacanti and Bieterman working well together on setups, concentrated their attack and were able to assume a comfortable lead almost immediately on resumption of hostilities. Toward the end of the game Thurman Wright began connecting with quite a few short ones, and he gave little Bernie Bieterman a nice battle for high point honors. Aside from Wright and Bieterman, there was no player who scored more than three points.

Nubbins Improve.

The defense work of the Nubbins showed quite a bit of im-

provement over that of the previous games, as they limited the Midlanders to a mere five field goals in the entire game, and but one in the last half. Nissen turned out to be high scoring man for Midland, garnering seven points.

Bob Hahn, high point man in many previous games, had to be content with five for his evening's work. Vosseler came next for teh Fremont team with three points to his credit.

The great percentage of the Nebraska scoring came from Bieterman and Wright. They made 18 points between them. Fred Simpson, Anton Lawry and Mel Williams each added three markers to the Nubbins' total, while Sam Vacanti and Jim Van Burgh each netted one field goal for two points.

The box score:
