

Coeds To Vote Today

'47 May Queen, Boards Selected

By JEANNE KERRIGAN

Coeds will go to the polls today to elect new AWS, BABW and coed counselor boards, choose the 1947 May Queen and nominate junior women for Mortar Board. Polls will be open from 9 a. m. to 6 p. m. in Ellen Smith Hall today.

Published in today's Nebraskan is the complete election slate. May Queen candidates are Virginia Buckingham, Mary Cox, Joy Hill, Shirley Hinds, Marthella Holcomb, Mimi Anne Johnson and Phyllis Teagarden. Only junior and senior women will vote for May Queen. The results of this election will not be revealed until Ivy Day ceremonies in the spring.

Juniors Nominate MB's
Junior women will receive ballots for Mortar Board nominations. Each voter will name from five to twenty women on the ballot. Mortar Boards are chosen for their leadership, scholarship and service to the university. They will be tapped on Ivy Day. Jean Compton and Elizabeth Curley are running for AWS board presidency. Miss Compton is a member of AWS, Cornhusker staff, Student Council and Coed Follies chairman this year. Miss Curley is on the AWS board, student union board and participates in YWCA. All women will vote in AWS election.

BABW Prexy
BABW presidency candidates are Mary Ann Campbell and Vergene Kovarik. Miss Campbell is vice president of Towne club and has been a member of the BABW board for three years. Miss Kovarik belongs to the Home Ec See COEDS, Page 2

Gymnast Team Performance Planned Tonite

Tonight will mark the performance of the 42 young Danish gymnasts, in the coliseum at 8. The young performers will present a variety of dances, stunts, and assorted skill that are reported to be very intricate. The girls will concentrate on rhythms, calisthenics, and the balance beam. The boys will perform stunts, acrobatics and they will display their tumbling proficiency. Together the boys and girls will give old folk dances, and routines in costumes. The colorful flag ceremony will be given. The whole program will dwell on the theme of physical co-ordination, skill, endurance, and strength. American and Danish music will precede the regular program.

Arrival.
The performers will arrive in Lincoln from Council Bluffs, Ia., at 2:30 this afternoon. From 3:30 to 5 p.m., a tea and social gathering for the visitors, faculty, and physical education majors and minors, will be held in the Union ballroom. All organization presidents are invited. Afterwards, a dinner for the directors of the team will be given by Miss Mabel Lee and L. E. Means, physical education directors.

The party will spend the night in the homes of Lincoln residents who are of Danish extraction. They will leave Lincoln tomorrow and move westward, giving performances nearly every day, until they arrive in Seattle sometime in April. From there they will set sail to Denmark.

The team is composed of Danish men and women, 18 to 22 years of age. All members of the group were active in the Danish underground movement during the war. They are all students in Copenhagen and other nearby Danish cities. They have had long and extensive training in Danish gymnastics.

The Omaha World-Herald remarks of their act: "The rhythm and precision of the Danish athlete's fundamental calisthenics was beautiful to see. It brought gasps of delight from girls and groans from the boys who couldn't imagine their own bones and muscles going through such gyrations. And then that courtship dance, talk about beauty and simplicity. That was it for me."

Legislators View Needs Of Campus

Members of the Nebraska legislative budget committee toured the campus this week to see for themselves how much the university needs.

The senators inspected buildings on city campus Monday afternoon and looked over the ag campus Tuesday. They were conducted by George Round, publicity director, and John K. Selleck, comptroller.

Senator John Callan, committee chairman, said the group would confer separately with Chancellor R. G. Gustavson and the Board of Regents, at an open hearing.

City Campus Requirements
On city campus, the senators were shown the need for:

1. The necessity of providing adequate modern buildings and equipment to accommodate a student enrollment that is overflowing classrooms and laboratories.
2. Need for additional space in the projected post-war research program, especially for chemistry and atomic investigation.
3. Need to expand facilities for housing many of the public service functions.

Registrar and director of admissions George W. Rosenlof told the senators that enrollment will remain 100 to 140 percent above pre-war standards for the next two to four years, and at least 30 percent above peacetime records for the next ten years.

Further Inspection
The committee inspected the army and navy R.O.T.C. armory (45 percent complete), a general classroom building to be known as Burnett Hall (five percent complete), an addition to the Avery lab (five percent complete), and three men's dormitories under construction at 15th and U (15 percent complete).

Dormitories will cost \$445,000 and will be paid for by the university dormitory corporation, which issues bonds retired by means of income received in the form of student rentals.

The dormitories, the senators were told, should be ready for occupancy next fall. Altho the girl's dormitory accommodates 380 women.

Student Forum Will Consider School Politics

A student panel composed of Phil Frandson, Bill Miller and two interfraternity council representatives will analyze campus politics at the Christian Faith and Action discussion group tonight at 7:30 in the west lecture room of the library.

This group is one of three in a series being sponsored by the Religious Welfare council each week. Dr. Curtiss Elliot will take part as the faculty representative.

Time Change.
"Preparation for Parenthood" will be Dr. P. M. Barcroft's topic when he meets with the preparation for marriage commission at 7 p.m., in the Temple lounge. The meeting time has been changed so that members may attend other events of the evening.

The Bible Study group will continue its study of the Book of Mark under the direction of Rev. Robert Drew. Discussion will be held at the Baptist Student Center at 7:30 p.m.

Notice To Veterans
Veterans are asked to wait until March 10, 1947, before coming to the Consultation Board office to report that their February subsistence checks have not been received. The Veterans Administration informs us that checks will arrive continuously thru the first ten days of March. Veterans Consultation Board, J. P. Colbert, director.

MB's to Honor High Scholastic Achievements

Five \$75 scholarships will be awarded by Mortar Boards to outstanding senior women at the MB Scholarship tea Sunday from 3 to 5 at Ellen Smith hall.

Recipients must be carrying 12 or more hours a semester and must have returned applications to Miss Marion Priest at Ellen Smith on or before March 1.

Applicants should also have submitted two recommendations; one from a person not connected with the university, giving her ability and need, and another from an instructor who knows of her scholarship and aptitude.

The tea, an annual affair, will honor students with an average of 85 or above for the first semester of this year.

Alvino Rey Plays Friday At Union Ball

Alvino Rey will bring his orchestra and electric guitar to the Union ballroom Friday night to play for a Union sponsored dance from 8 p. m. until midnight.

Recognized as the king of the guitar, Rey will present a variety of music with the selection of guitars he carries with him on his tours. So that couples attending the event may see the orchestra to best advantage, special risers will be constructed.

Features Blue Keys
Rey's orchestra features the singing voices of Jo Ann Ryan, Jimmy Joyce and Blue Keys. Rocky Coluccio, pianist, and Luise King, harpist, will also be spotlighted during the evening.

Making his first professional appearance with Phil Spitalny's orchestra, Rey joined the Horace Heidt band as a featured artist in 1934. While playing with the Heidt aggregation, Rey met the King sisters, and married the eldest, Luise, who is now the harpist with the Rey orchestra.

Awarded Gold Cups
Following his discharge from the navy where he served as a seaman first class for two years, Rey organized his band with a group of hand picked musicians. He was awarded a gold cup by See ALVINO REY, Page 2

Final KK Show Tryouts Tonite

Final try-outs for the spring Kosmet Klub revue, "Aksarben Nights," will be held tonight from 7 to 9 at the Temple building.

All university men are urged to try out for one of the 28 parts. Besides speaking roles there is a need for dancers, singers, and members of a pony chorus.

Announcements of the complete cast will appear in the Daily Nebraskan on March 7.

Contrary to past sales practices, this year's tickets will be limited in number to insure adequate seating. Ticket sales will be announced at a later date.
