

HUSKER HIGHLIGHTS

By George Miller

Postponement of the Nebraska football drills for a week because of poor weather and flu means that the gridiron activities will extend into the heart of the spring sports program. With baseball, outdoor track, golf and tennis also on the docket, Scarlet sports fans will have a varied bill of fare.

Maybe its just as well that the football sessions do not open until next week, for Head Coach Bernie Masterson became a father for the fourth time early Tuesday morning. The latest addition to the Masterson family is a son, something new for Bernie who has had his hands full with three daughters.

Although poor weather has blighted the Husker workouts, Coach Bud Wilkinson is wasting no time down Oklahoma way. The Sooners ran through a game-length scrimmage session on Saturday, their second of the spring season, and heading the performers was Joe Golding, ace backfield scooter, who tallied one touch-down.

Another of the Oklahoma pigskin stalwarts, John Rapacz, all-conference center, has passed up the spring drills to concentrate on baseball. The husky Rapacz is a catcher, and has beaten out last year's regular and last year's first string reserve in the battle for a starting berth.

That warm weather must have something to do with it, for another OU athlete, trackman Landon Westbrook, broke loose with a 49.6 quartermile in a practice race, the fastest clocking turned in by a Big Six 440 expert.

Nebraska's quartermile ace Harvey Stroud is still bothered by the muscle injury he suffered at the Big Six indoor championships. He has not ventured onto the track since the meet. However, Harvey figures to be back in top shape for the Nebraska outdoor season which opens on April 5 with the Texas Relays at Austin, Texas.

A comparison of the winning marks in the Big Six and Big Nine championships shows that the western conference performers had all the better of it, for they came out on top in every comparison, except for a tie in the 60 yard dash. The winning marks in the Big Six and Big Nine respectively:

- 60 yd. dash—:06.3; :06.3.
- 440 yd. dash—:51; :48.2.
- 880 yd. run—1:58.8; 1:53.9.
- Mile Run—4:19.7; 4:15.5.
- Two Mile Run—9:54.7; 9:30.
- Mile Relay—3:28; 3:18.9.
- Shot Put—50 feet 5 1/2 inches; 53 feet 2 1/2 inches.
- Broad Jump—22 feet 11 1/2 inches; 24 feet 4 1/2 inches.
- High Jump—6 feet 5 inches; 6 feet 7 1/2 inches.
- Pole Vault—13 feet 4 1/2 inches; 13 feet 8 inches.
- Big Nine runs 70 yard hurdle races; Big Six runs 60 yard hurdles.

There's nothing like improvement.

Joe Brown, regular guard on this year's Husker basketball team, finished ten conference games with a total of 91 points. This figure is one point ahead of Joe's 90 point mark last year.

The only difference is that last season the Nashville, Tennessee deadeye finished in sixth place among the conference scorers, and this season his one point advance entitles him to the eighth place spot.

Gerald Tucker won the scoring crown with 137 points, a far cry from Charlie Black's winning mark of 173 tallies in the 1945-46 season.

Intramural B Finals Ready

BY LEE HARRIS

Sigma Alpha Epsilon, Phi Delta Theta and Sigma Chi advanced in the B team playoffs being held in the coliseum Monday afternoon.

In the game played on the varsity court, the SAE managed to hold a slim margin throughout the game as they edged the ATO crew 32-29. The Sig Alphas started out fast as they hung up a five point lead before ATO hit the scoring column.

The half found Alpha Tau Omega trailing 17-16 and though it looked like they might surge into the lead many times during the second half, they were set down time and again by a good SAE defense. Gary led all scorers with a total of 11 points in behalf of the winners' cause while Gallop of ATO came through with 9 counters.

While the battle was taking place on the varsity court, the Sigma Chi B's were putting the finishing touches on the seconds from Phi Gamma Delta, 33-21.

The Sigma Chi team, loser only to Phi Delta Theta in the playoffs, will face Alpha Tau Omega for second division ratings in the playoffs. Bouhay collected 7 points for Sigma Chi, while Pait of Phi Gamma Delta slipped in 10 points for the losers.

Phi Delta Theta's B team moved into the finals by virtue of an easy 23-18 win over Theta Xi. The Phi Deltas held a slim 13-10 lead at the half, but controlled the ball when it counted most.

Shifty Joe Partington rang the bell for 10 points in the scoring department for Phi Delta Theta while the leading scoring for the Theta Xi five was Robak with nine. Moore of the Phi Deltas played a good floor game throughout. Box scores:

Lightweight Entries Few In IM Boxing

March 13 is the last day for all boxers to submit their entries to the intramural office for the boxing carnival that is drawing near.

Thus far a slim number of entries has been received, and the 112 pound class is a blank in the way of candidates. Those planning on participating are reminded that no less than six supervised workouts are required before they enter the ring March 18.

The heavy boys continue to lead the way thus far in early workouts. With the addition of last year's champion, John Sedlacek, the heavyweight division will offer lots of competition from every angle. Tommy Novak continued working out along with Stan Daffer, Sedlacek's opponent of last year. Other additions include two well qualified fighters in Gordon Hall and Bob Tegt.

Harlan Cranston still leads the way in the 175 class together with Ron Metzger. Most of the approximately forty candidates are entered in the upper classes with the 175 and heavyweight divisions dominating the roster.

Middleweights.
Virge Ohse, Bud Kathol, and Duane Anderson look to cause a lot of excitement as they battle for honors in a pretty well filled 160 pound class. Of the three, Kathol is the latest entry.

Former Golden Glove champion Jim Wolford received a severe cut on the chin in a brief workout this week. The cut required six stitches and will in all probability force the favorite of the 147 pounders out of the tournament. This mishap leaves the field open to a group of six that includes Ken Fischer, Bob Connell, and Gray Norval. All in all the boys in this class should put on a good show as they battle their way toward the champion's berth.

Don Theil still looks good in the 135 division, as does Ray Simons. As the weights lessen, so do the number of contestants. From the 135 class-down, there is plenty of room for new entries.

Slipping through to the lighter boys, we find that Ray Roth, Bill

Bock, and Bob Carlson have their eyes on the 126 pound championship. These boys all will figure heavily when the time for action comes. Bill Acosta and Hugh Cook dominate in the 118 pound division where the number of candidates is down to three.

No Flyweights.
The smallest class of all, 112, is as yet blank and the field is wide open for anyone wanting to enter. Here is a good chance for some of the teams that might be weak in other classes to pick up valuable points that will count toward the team trophy.

Tickets will go on sale at the door, with all students receiving a reduced price of 35 cents. Regular admissions will be 60 cents, with ring-side seats selling for 80 cents.
