

First Bouts Set Tonight In Mitt Meet

Tonight at 8, honors in the University of Nebraska boxing tournament will go on the block in the Coliseum with some 65 boxers competing for prizes. The bouts will be held tonight, Wednesday and Friday; the finals being held Friday, March 21.

Many new boxers will enter the ring with more or less unknown ability, and many are expected to surprise. Several boys who showed well in last year's tournament will again be fighting it out for the miniature Golden Gloves awarded to each division champion. Of this group the following are willing mixers and are sure to give a good account of themselves: Bob Lipps, John Sedlacek, Tom Novak, Bob Tegt, Gordon Hall, are football lettermen and already noted for their prowess. Others who have had previous ring experience are Harlan Cranston; Stan Daffer, Al Heikes, Ray Roth, and Duane Anderson.

Some 12 bouts will feature the Tuesday card, with at least that many and perhaps more scheduled to go on Wednesday night at the Coliseum. Finals will feature the card for Friday night. Indications are that a good sized crowd will be on hand to witness the three nights of boxing, since last year several thousand spectators were present for the two nights of boxing. The public will be welcome to the three shows, and tickets are now on sale at the Coliseum ticket office.

Team Honors.

In the race for boxing team honors, Sigma Phi Epsilon and Delta Upsilon lead the way with seven entries each; Phi Delta Theta, runner-up in 1946, will have four; Beta Theta Pi has entered five; Kappa Sigma four; and several other campus organizations will be represented by one or two fighters.

Winter Bothers Huskers In Initial Gridiron Drill

Ringmaster Bernie Masterson cracked his whip for the first time Monday afternoon as he sent his Husker football prospects through a chilly first day's practice session.

The spring-like weather of morning and early afternoon faded quickly as it neared time for the Scarlet gridiron candidates to gather for their preliminary chores. Not all of the 150 squaddies were on hand for the first session, for afternoon labs interfered with the athletic plans of some of the stalwarts counted on for pigskin duties.

After a preliminary limbering up period, Coach Bernie schooled the Scarlet outfit indoors for a brief lecture in the field house, and then back out into the cold they went. Backfield Coach Douglas Russell had the entire squad going thru more calisthenics before the players divided into linemen and backfield groups.

A new figure in the ranks of the backs was Joe Partington, regular center on last year's Nebraska team. Little Joe was taking his turn with the rest of the quarterbacks trying passes to the other backs.

While the backs and centers were busy with passing practice, Line Coach Tony Blazine had a host of forward wall candidates going through practice charges at the west end of the practice field.

ing a new quarterback to replace Sam Vacanti, who will finish school this summer and then take a whirl at pro ball with the New York Giants, the Husker coaching staff had a string of quarterbacks trying their hand at finding receivers with forward passes.

Backfield men wasted no time. Working on the T formation, three trial backfield combinations lined up for drills on some of the T wizardry. Included in one quartette were Partington at quarterback, Tom Novak, Omaha, at fullback, and Junior Collopy, Scottsbluff, and Jim Myers, York, at the halfbacks. All of these players were members of last fall's Scarlet squad, Collopy being shifted from fullback to right halfback late in the season because of his defensive prowess.

Del Wiegand, Kearney freshman who sparked the Nubbins last fall, was in the quarter slot of a second backfield which also included Bob Harrington, Auburn flash, who played at Washington and Lee last fall; Dale Adams, Randolph freshman, and roly-poly Wally Hopp, Hastings veteran, who was at fullback.

In a third group, Carl Dilldine, Falls City freshman, was at quarter, Bob Mullen, Connelville,

Penn., prospect, was at fullback, and Bob Ackerman, Sidney speed boy and Bill Mueller, star at Corpus Christi in service competition, were at the halfback posts.

Among the missing was halfback Bill Moomey, still hobbled with a muscle injury picked up during the indoor track season. Other absentees included Quarterback Dick Thompson, Guards E. Schwartzkopf, Fred Lorenz and Gene Wilkens, Halfback Dick Hutton and Tackle Carl Samuelson.

Game Postponed

The intramural championship basketball game between the Phi Gamma Delta team and Hufnagle Field originally scheduled for 5:00 p. m. Monday was cancelled. No date has been set for the contest which will wind up the intramural basketball season.

Most Impressive Scene of Year

In "Henry V" the charge of the French knights at the battle of Agin-Court (1415 A. D.) was the most majestic and spectacular moment of the year. As gaudily caparisoned horses bore the heavily armed nobles to their doom at the hands of the English archers, modern audiences could view the full panoply of the chivalry that died with the Middle Ages.
