Phi Mu Alpha-Sinfonia, musical fraternity which will present its annual spring concert later this month, has been invited to furnish music on the weekly "Your University Speaks" radio show, broadcast each Sunday over the Nebraska network.

Under the alternate direction of Harry Harter and Lee Kjelson, the Sinfonia glee club programs each week present songs that have attained semi-classic standing such as "When Day is Done," "The Way You Look Tonight," and "Night and Day." This Sunday, the entire 15-minute broadcast will be made up of selections from the Sinfonia concert program to be presented April 17.

Beginning in the middle of March, Sinfonia groups will appear on the air until early in June.

he had a chance to participate in the tourney and had the chance to show his ability in stiff competition.

Lloyd Jones reached the star five by virtue of some nice tourney play plus a steady season. Jones is the tallest man on the squad of stars, reaching 6'5".

The remaining two members of the team are from the championship Hufnagle Field outfit. Bill Fox and Kenny Fischer round out the independent team filling in the two guard positions. Fox was one of the better defensive standouts through the season and especially during the playoffs. He rarely took a shot at the basket but was the man that fed the high scoring Salestrom.

The fifth member of the star five, Kenny Fischer, was one of the high point men on the great Hufnagle team. Fischer combined with Brother Cletus on many occasions to form a tough combination. While both the Fischer brothers stood out on defense, Kenny got the nod over brother Cletus on the merits of his added scoring.

About a quarter of a million veterans reinstated their lapsed National Service Life Insurance policies with Veterans Administration during 1946.

Sites now have been selected for 68 of the 75 new hospitals which Veterans Administration is authorized to build and for which funds have been appropriated.

Veterans Administration supplied disabled veterans with 437,883 prosthetic devices, ranging from each supports to wheel chairs, during the fiscal year 1946.

The term plan of National Service Life Insurance administered by Veterans Administration provides the maximum degree of temporary protection at the lowest cost.

Nebraska Bull To Aid Korean Stock Industry

NU Gay Command, an Aberdeen-Angus bull produced by the college of agriculture, is going to play a part in rehabilitating the livestock industry of Korea.

Purchased jointly by the Nebraska Aberdeen-Angus Association and the American Aberdeen-Angus Association for \$500, the bull will be shipped to Korea as part of a livestock and agricultural rehabilitation program for the conquered nations by the American Military Government.

At the Nebraska Aberdeen-Angus Breeders sale at Columbus, Nebraska on March 25, Gay Command placed first in his class and brought \$500 at the auction. He has been returned to the college of agriculture and will be shipped as soon as transportation arrangements have been completed.

Col. Charles A. Anderson, a former Nebraskan, now stationed in the military government division in Korea was largely responsible for the purchase, according to Mr. Don B. Whelan, a former instructor in the Entomology Department who is also stationed in that country.

AVC Approves Bill to Outlaw Discrimination

Senator Foster's legislative bill No. 421 which would outlaw racial and religious discrimination in employment, received a vote of approval at the Tuesday evening meeting of the university chapter of the American Veterans Committee.

Fourteen personal letters by the membership were written to members of the Labor Committee urging their support of L.B. 421.

After a discussion of the proposed sales-tax measure, recently introduced in the unicameral legislature, a resolution was adopted rejecting the proposal. The action was taken because the sales-tax measure would further deplete the already inadequate subsistence allowances being received by student-veterans by \$3.00 for single men and \$8.00 for married students.

A representative of AVC was chosen to testify at the hearing on the sales-tax measure.
