Abbott, Flagg Named Summer 'Daily' Heads Union Board

Announces Appointment

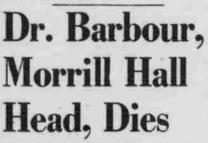

Dorothy Jean Brown, University graduate of the business administration college in 1944, has been appointed as assistant union director, according to an announcement from the Union board of management. The director's position, recently vacated by Mrs. Patricia Lahr Smith, has not yet been filled.

Miss Brown, who was president of Orchesis modern dance club when in school, entered the Waves in August 1944 and served as assistant dispersing officer stationed at Norfolk, Virginia in the women's branch of the navy until December, 1946. She was an assistant dispersing officer stationed at Norfolk, Virginia. Part Time

When enrolled in the univer-sity, she worked part-time in the Union office. The position of assistant director has not been filled since 1943 when Mrs. Smith, who had held that post for two years, was appointed Union director.

Miss Brown's duties will include the supervision of Union finances and she will act as a social director, taking care of Union activities.

Although the director has not been secured as yet, a personnel committee of the Union Board has been appointed to consider applications. Alumni members of the committee are chairman Linus Burr Smith, Dr. W. H. Morton, and Mrs. Florence Bates. Student representatives are Nancy Garey and Elmer Sprague.

Other Staff Members Chosen By Editor, Business Manager

George Abbott and Gould "Fig" Flagg have been appointed editor and business manager respectively of the summer Daily Nebraskan, according to an announcement made today by Dr. William Swindler, head of the school of journalism.

> Abbott, an arts and science senior, was managing editor of

Tri-K Lists **Crop Judging** Regulations

Tri-K agronomy judging contest, open to all students in the university, will begin Saturday at 8 a. m. in the Ag college activities building when competitors vie for top awards in the annual event.

According to Virgil Johnson, the newly elected president of Tri-K, the contest will consist of eight classes of judging and two classes of identification. Based on the material listed on the Tri-K identification list, the contest is open to any student who wishes to enter the competition. Material listed on the list is available for study in the lower hall of the Crops Lab any time during the day.

Nebraska firms and firms of adjoining states have contributed more than \$100 each to be used for awards.

Competition Rules.

Students competing will be divided into the freshman, junior and senior divisions on the following basis: Those who have had no agronomy or are taking agronomy 1, shall enter in the freshman division; those who have taken agronomy 1 and have taken or are taking Agronomy 3, shall compete in the junior division; and those who have completed Agronomy 1 and 3 and have taken Agronomy 5, or are laboratory assistants in the agronomy department, will enter in the senior divisions.

Presentations,

Dr. Erwin Hinckley Barbour, who organized and then directed the university museum for more

the Nebraskan in 1943, is president of Alpha Tau Omega and in a member of the Innocents society.

A newly tapped Innocent, "Fig" Flagg is now assistant business manager of the Nebraskan, secretary of Kosmet Klub and a junior.

First Issue.

During the summer school session, the paper will be published twice a week, on Tuesday and Friday. The first issue will come out on June 16 and the last on August 7, according to new business manager.
